

# OUR HISTORY

Chesterfield is located just 25 minutes west of downtown St. Louis along Interstate 64. It is a special place where gleaming mid-level office buildings, tree-lined neighborhoods, shopping centers and rustic horse farms have found a way to blend harmoniously upon a 32-square mile canvas of rolling hills and lush green valleys.

More than 50,000 people call Chesterfield home. The City is a wonderful blend of attractive homes, excellent senior living facilities, top-rated school districts, houses of worship, unlimited shopping and dining destinations, and historic and cultural attractions.

Chesterfield residents enjoy a quality of life that is unique in that everything you need is right here in Chesterfield. This includes two top-rated public school districts, a nationally-recognized hospital in St. Luke's, other quality health-care providers, shopping, dining and recreational activities.

It is a community that has benefited from amazing foresight, imagination, commitment and collaboration of people who live and work here. Incorporated in 1988, it is a young city with a rich history. It's an example of what can happen when residents and business leaders work toward a shared vision to create an outstanding community in which to live, work, and play.

FULL-TIME POSITIONS

# TESTIMONIALS

**Erica Blesener**  
Planning Department

"I started my career with the City of Chesterfield over 7 years ago as a part-time Customer Service Representative. The City shows first-hand the respect, care, and level of service given to every employee, resident, business owner, and developer. Because of the City's great opportunities for advancement, I was promoted to a full-time Executive Assistant for the Planning Department. Teamwork, encouragement, and dedication are seen throughout the City of Chesterfield making it a great place to work."

**Anjana Kittu**  
Public Works Department

"I joined the Public Works Department a little over nine months ago. I am impressed with the work flow structure and everyone's day-to-day work efforts. The communication between employees and the quality of services provided to the residents are commendable. I greatly enjoy the sense of community and positive work environment."

**Keith Rider**  
Police Department

"I have been with the Chesterfield Police Department for 20 years. I originally chose to work for this Department because of its reputation as a professional, well-respected organization and also because of the wonderful community it serves. After 20 years, my thoughts have not changed. In fact, I have a deeper appreciation of the hard work, dedication, and teamwork needed to make this Department operate as well as it does. It is not an easy task, but great people at every level make it successful. We all take pride in serving this great community with a level of service second to none. We are part of its fabric and therefore dedicated to its success. "

# WHO ARE WE?

The City of Chesterfield strives to ensure our community needs are not only met, but exceeded. We take pride in maintaining a safe and positive environment for our businesses and neighborhoods. Our goal of serving our citizens allows us to stay involved and make this City a great place to work, live, and play.
