

Summer is near and pool season is here!

Chesterfield Family Aquatic Center is officially open for the season! This year, the Parks, Recreation & Arts department has taken the pool management in house, which means an even better pool season than ever before. For 2019 hours, prices and a peek at all the new events, as well as tried and true favorites, turn to pages 8-10 now!

Chesterfield PD needs your help

Safety Town is a nationally recognized preschool safety program which teaches 4, 5 and 6 year-olds about a wide variety of safety issues including bicycle safety, water safety, school bus safety and stranger danger. The program is hosted and staffed by the Chesterfield Police Department in cooperation with the Chesterfield Rotary, the Chesterfield Kiwanis, and local volunteers. Are you willing or able to volunteer? Visit page 7 for more information.

Mayor's Message

A BRIEF REPRIEVE FROM THE THREAT OF THE BETTER TOGETHER MOVEMENT

On May 6 it was announced that the petition filed with the Secretary of State's Office on behalf of the organization known as "Better Together" was withdrawn. This news came within a week after the announcement of the indictment, resignation, and guilty plea of the former St. Louis County Executive, Steve Stenger. Since then, it has also been announced that federal charges are also being brought against former St. Louis Economic Development Partnership CEO Sheila Sweeney and pay to play participant John Rallo.

In spite of the discrediting of the plan to impose a mega-government over our county, municipalities within the county and the city of St. Louis, I believe that we need to remain vigilant and skeptical of future activity of this group that has thoroughly proven its poor judgment. Having said this, we are fully supportive of the Municipal League's initiated effort to pursue the constitutionally provided "Board of Electors" process that may provide structural and procedural changes to government within St. Louis County and St. Louis City.

Related to this matter was an intimidation tactic put forth on behalf of an individual by the name of Gregg Keller, who has also been associated with "dark money" funding of campaigns, and who is Chairman of the Missouri Century Foundation, a 501 C(4) not for profit organization. A complaint was filed with the Secretary of State, suggesting that the City of Chesterfield was criminally in violation of State Statute 115.646, which restricts public funds from being used as direct contributions in support of candidates or ballot measures. Appropriately, The Office of the Secretary of State has dismissed the frivolous complaint. Mr. Keller, like so many associated with Better Together, either directly or indirectly receives funding from one of the Sinquefield entities.

STILL AWAITING SUPREME COURT DECISION ON SALES TAX LAWSUIT

Yes, there is still no decision that has been handed down by the Missouri Supreme

Court as of the writing of this newsletter, however, depending on the outcome, I feel it important to prepare and inform our residents on the potential effects if the decision is wholly in our favor. We believe that if the statute (66.600) is found to be unconstitutional (and therefore invalidated), the 1% county-wide pool tax would go away. However, the 54 cities that previously had a municipal sales tax in place prior to 1977 would be allowed to continue receiving it. The language in the statute follows; "but shall again become effective without further action if the county sales tax is repealed or becomes otherwise inapplicable within such city, town or village."

Unfortunately, all this being said, Chesterfield, Wildwood, Maryland Heights, and perhaps others that were not in existence in when the pool tax was first enacted in 1977 would be required to seek voter approval of a tax that would replace the no longer authorized pool tax. If the Supreme Court finds as we hope they will, and things unfold as anticipated, it will be critically important to replace the loss of approximately 17.5 % of our revenues. Our city has operated in a fiscally conservative manner, receives no property tax, and has paid down debt in an aggressive manner in recent years. Therefore I believe, Chesterfield is fully deserving of approval of a tax that would replace the potentially invalidated pool tax.

Feel free to contact your council members, our city administrator, or me if you have questions on this or any other matter!

Looking forward to our summer concert season and I hope to see you out and about and have a chance to visit with you.

Cordially, Mayor

Bob Nation

Holiday trash pickup

INDEPENDENCE DAY: WEDNESDAY, JULY 4

Service will run one day behind throughout the holiday week, beginning with services scheduled for the holiday.

Chesterfield receives its 22nd Tree City USA recertification

Forestry Technician Doug Durham, CCE Chair Darcy Capstick, CCE Member Donna Pecherski, Parks, Recreation & Arts Director Tom McCarthy, and City Arborist Geoffrey Wegrzyn celebrate Arbor Day with High Croft Elementary School students and staff by planting trees.

The Tree City USA program has been greening up cities and towns across America since 1976. It is a nationwide movement that provides the framework necessary for communities to manage and expand their public trees. Cities achieve Tree City USA status by meeting four core standards of sound urban forestry management: maintaining a tree board or department, having a community tree ordinance, spending at least \$2 per capita on urban forestry and celebrating Arbor Day.

TREE CITY USA

Making sure your move is in line with City rules and regulations

If you have decided to sell your residence, it is fundamental to understand the various rules and requirements regarding the sale of your home. Moving in or out of a home is always a stressful process and navigating through the terms of a sale can be tricky. Before you sign any dotted lines or look to hire an agent, gaining an understanding of any City of Chesterfield requirements can help the process go more smoothly.

Many residents often ask if an occupancy permit is required when selling or buying a home within the City of Chesterfield. No occupancy permits are currently required. However, both you and your realtor should be aware that you are required to disclose to all prospective buyers that there could be potential noise impact from the local Spirit of St. Louis Airport. (Per City of Chesterfield Ordinance 1503, the disclosure of information relative to future land use and local noise impact from the airport.) What do you need to do? Provide a disclosure statement and copies of the City of Chesterfield Land Use Plan and the Spirit of St. Louis Airport Noise Study. An example disclosure statement, as well as copies of the Land Use Plan and the Airport Noise Study can be found at the following link: https://www.chesterfield.mo.us/webcontent/forms/Planning-Development%20Services/Future_Land_Use_and_Noise_Disclosure_Packet.pdf.

As you prepare to sell your home, you will probably consider hosting an open house. To help generate attention and interest in your home, you may decide to place signs outside advertising the open house. Open house signs are permitted, provided that they are no larger than three square feet in size. You may not attach any balloons, streamers, or any kind of attention-getting device to the sign. You may place directional signs throughout the neighborhood to help potential visitors find your home; however, you are limited to six signs. Furthermore, these directional signs are only permitted at certain times: between 9 a.m. and 3 p.m. on Tuesdays and from 12 p.m. to 6 p.m. on Sundays. The signs are only allowed on days when you are actually hosting an open house, so please remember to take them down after your event. Finally, write your name, phone number, and address on the back of all signs for identification.

If you have any questions concerning the information in this article or need more information, please call the Planner of the Day at 636.537.4733. Best of luck with your move!

Envision Chesterfield Art Contest Winners

Congratulations to the winners of Envision Chesterfield's Art Contest! The contest was held in part with the City's Comprehensive Plan update, called Envision Chesterfield. For more information or to participate in the plan, please visit www.EnvisionChesterfield.com or @envisionchesterfield on Facebook.

2019 Concrete Slab Replacement Program

Three concrete slab replacement projects are expected to be completed in 2019. These projects will involve the replacement of 37,200 square yards of concrete slabs on 18 different residential streets. Residents adjacent to the planned replacement areas, along with subdivision trustees, will receive project notification by mail. The streets scheduled for slab replacement are listed below:

- Amherst Green Court
- Amherst Terrace Way
- Cedar Mill Drive
- Century Lake Drive
- Conway Glen Court
- Conway Oaks Drive
- Eldon Ridge Court
- Glen Cove Drive
- Glen Hollow Drive
- Heather Crest Drive
- High Valley Drive
- Morganfield Court
- Orchard Hill Drive
- Silver Lake Court
- Spring Valley Drive
- Terrimill Terrace
- Valley Branch Drive
- Wheatley Court

Old Chesterfield Road: This project includes the reconstruction of a failing culvert under Old Chesterfield Road, and an asphalt overlay on Old Chesterfield Road from Baxter Road to Wild Horse Creek Road. The City is currently finalizing easement acquisition, and

coordinating with utilities. This project is scheduled for construction in 2020.

Schoettler Road Improvements: The City of Chesterfield is currently under contract with HR Green to design improvements to Schoettler Road from Clayton Road to Georgetown Road. This project will include construction of a center turn lane from Georgetown Road to Schoettler Grove Court, and a designated right turn lane near Clayton Road. This project is scheduled for construction in 2020.

Other Projects: The City of Chesterfield maintains 176 miles of public roads and over 260 miles of sidewalk. However, there are several roads in the City limits which are either private or maintained by other agencies. For example, the Missouri Department of Transportation (MODOT) maintains I-64, Olive / Clarkson, Boone's Crossing, Long Road, and parts of Wild Horse Creek Road. St. Louis County maintains Chesterfield Parkway, Baxter Road, White Road, Kehrs Mill Road, Chesterfield Airport Road, parts of Wild Horse Creek Road, and several other roadways. MODOT is currently in the process of constructing improvements to Olive Boulevard from Chesterfield Parkway to I-64. St. Louis County will soon be constructing an asphalt overlay on Baxter Road from Clayton Road to Claymont Estates Drive. Additional information on these projects can be obtained by contacting the St. Louis County Department of Transportation or the Missouri Department of Transportation.

What impacts the City's water quality?

Did you know that in order to permit grading and land disturbance activities, the City of Chesterfield, along with 58 other municipalities, St. Louis County, and MSD, operate under a Municipal Separate Storm Sewer System (MS4) permit from the Missouri Department of Natural Resources? Permit requirements cover a wide range of topics which impact water quality, including posting pet waste disposal signs, ensuring that development sites contain proper silt and erosion control, and bi-annual street sweeping. Additionally, the City must operate its facilities in such a manner to minimize exposure to storm water and train its personnel annually in proper water quality practices.

If you are wondering what you can do regarding water quality, please remember that all storm water inlets drain to creeks and streams. Please ensure that no trash, debris, or chemicals are washed or dumped into storm water inlets. Additionally, if you planning a grading project, please contact the City to determine whether a permit is necessary.

Exploring is the perfect step for future Law Enforcement

Are you a young person between the ages of 14 and 21 interested in a Career in Law Enforcement? If so, you may want to contact us and see if you have what it takes to become a Chesterfield Police Law Enforcement Explorer.

The Chesterfield Police Explorer post is a volunteer service program for young adults within the police department. This program gives young people the opportunity to explore a career in law enforcement or simply learn more about the job through membership in the post. Many young people use the Explorer program as a stepping stone for careers in law enforcement; in fact many of our current police officers were once members of the Chesterfield or other local police explorer posts.

Law Enforcement Exploring has been a part of policing for over half a century. Explorers are part of the Boy Scouts of America and are eligible for awards, scholarships, academies, and conferences offered through the Learning for Life Division of the BSA. Explorers spend much of their time learning the skills needed to be a successful police officer. Explorers assist the department with administrative non-law enforcement type duties. Our explorers learn police radio procedures, crime scene forensic techniques, police policies and procedures, the principals of police patrol, criminal investigation and crowd control, as well as participating in ride-alongs with uniformed patrol officers.

As part of the St. Louis Area Law Enforcement Cluster, Chesterfield Explorers participate in regional and national training, details and competitions, allowing them to network with various federal, state and local law enforcement agencies.

Our Explorer Post meets the 2nd and 4th Wednesday of every month from 6:30 p.m. – 8:30 p.m. Walk-ins are welcome to check out the program.

If you think you might have an interest in becoming involved in this exciting opportunity, you can contact PO Chad Meyer at cmeyer@chesterfield.mo.us or by phone at 636.537.6769, PO Jenna Christian at jchristian@chesterfield.mo.us or by phone at 636.537.3000 or PO Colt Brown at cbrown@chesterfield.mo.us.

Mark your calendars for another great National Night Out

On Tuesday, October 1, we will be celebrating National Night Out in Chesterfield. We will be joining forces with thousands of communities nationwide for the "36th Annual National Night Out" (NNO) crime and drug prevention event. National Night Out, which is sponsored by the National Association of Town Watch and the Chesterfield Police Department, will involve over 10,000 communities from all 50 states.

In addition to encouraging neighborhoods to host events, our Community Affairs Unit will be hosting a community-wide event at the Chesterfield Amphitheater from 6 p.m. to 8 p.m., in partnership with the Monarch Fire Protection District and the Chesterfield Parks, Recreation & Arts department, for that evening. We will have informational booths, vendors, police and fire vehicles for the kids, food trucks and games (including a parking space decorating contest for participating neighborhoods). More information will be released as details are finalized.

National Night Out is designed to 1: Heighten crime and drug prevention awareness; 2: Generate support for, and participation in, local anti-crime efforts; 3: Strengthen neighborhood spirit and police-community partnerships; and 4: Send a message to criminals letting them know neighborhoods are organized and fighting back.

That night, residents in neighborhoods throughout Chesterfield and across the nation are asked to lock their doors, turn on outside lights and spend the evening outside with neighbors and police. The Chesterfield Police Department is looking forward to seeing everyone at the event for a little fun and a lot of community spirit as we all work toward the goal of preventing crime and addiction.

For more information or to reserve a parking space for your neighborhood to decorate, please contact Community Affairs Officers Chad Meyer at 636.537.6769 (cmeyer@chesterfield.mo.us) or Colt Brown at 636.537.6784 (cbrown@chesterfield.mo.us).

Chesterfield PD to host the AARP Smart Driver Course

The Chesterfield Police Department proudly announces a cooperative effort with AARP in providing the AARP Smart Driver Course. This is a newly updated, research based, 4 hour course. It teaches valuable defensive driving skills, provides a refresher of the rules of the road, safety strategies and tips for how to adapt one's driving to compensate for changes that may come about with aging and/or new advances in vehicle technology. The course is taught in a single morning session and does not involve a test or driving. Fees are \$15 for AARP members and \$20 for others.

Course graduates may check with their auto insurance carriers to see if insurance discounts are available upon completion of this course.

The course will be held on Thursday, June 20, 9 a.m. – 1 p.m. at the Chesterfield City Hall in the City Council Chambers. Reservations are required.

For further information or to reserve a seat, please contact Officer Chad Meyer at 636.537.6769 or via e-mail at cmeyer@chesterfield.mo.us.

Would you like to receive text updates on major road closures, emergency situations, missing persons and more? Sign up at nixle.com!

Safety Town is a summer preschool safety program for 4, 5, and 6 year olds sponsored by the Chesterfield Police Department, The Rotary Club of Chesterfield, the Kiwanis Club of Chesterfield and both the Parkway and Rockwood School Districts.

Each session is conducted for two consecutive weeks, Monday through Friday, with two 2-hour sessions each day. The children learn about a variety of safety issues through classroom interaction, as well as through interactive play outside in the miniature town complete with buildings, stop signs, and electric signals.

Volunteers are needed as instructors for this program. Volunteers must be at least 12 years old. They will be working along side Chesterfield Police Officers in teaching the preschoolers about safety. Each volunteer will be responsible for managing 4 to 6 preschoolers during class instruction, play time, snack time, and color time.

Volunteers must be willing to commit to a full 2-week session. They will be required to be present Monday through Friday from 9 a.m. to 3:30 p.m. Lunch will be provided. The session dates are:

Session 1 June 03-14, 2019 - FULL

Session 2 June 17-28, 2019

Session 3 July 08-19, 2019

All sessions will be held at Chesterfield Elementary School, 17700 Wild Horse Creek Road, Chesterfield, MO 63005.

Volunteer applications are available at the Chesterfield Police Department, through your school SRO/ESRO or online at <https://www.chesterfield.mo.us/safety-town.html>.

For further information contact the Safety Town Coordinator, Officer Chad Meyer at 636.537.6769 or cmeyer@chesterfield.mo.us.

Volunteers will receive 50 Community Service hours.

There will be shuttle buses available for each tour, picking you up at Chesterfield City Hall. 690 Chesterfield Parkway West, 63017. RESERVATIONS REQUIRED. Please call 636.812.9500 or email olderadults@chesterfield.mo.us to RSVP as well as to reserve your spot.

June 20 – Mari de Villa Senior Living

10 a.m. – Noon

13900 Clayton Road, Town & Country, 63017

BIKE RIDES

1st and 3rd Mondays

9:30 a.m. start

Be ready to ride at start time.

Helmet, water and flat repair kit required.

June 3 – Meramec Greenway Trail

11-199 Meramec Station Rd. Valley Park, MO 63088. Meet in the parking lot on top of the levee. No restrooms at trailhead.

June 17 – Creve Coeur Park

2350 Creve Coeur Mill Rd. 63146 Meet at the parking lot by Field #8 at the Creve

Coeur Park Soccer Complex (not at the Lakeside Grill). Easiest way to get there is from the south entrance off Creve Coeur Mill Road. Restrooms available.

July 1 – Chesterfield Valley Athletic Complex (CVAC)

Meet at the West Parking A&B Lot. This is the parking lot closest to the Daniel Boone Bridge. Restrooms are available.

July 15 – Forest Park

Meet in the parking lot across from the Visitors Center. We will ride the outside loop around the park, return to the parking lot and then ride the trail the opposite direction. Optional lunch at the Boathouse. Restrooms available in the Visitors Center.

August 5 – Grant's Trail

Take the Big Bend exit (exit 278) from I-44, and head east one block on Big Bend. Take the first left, onto Holmes (just before QT). Holmes curves hard to the right; the bridge crossing I-44 is just past this curve. You will see a small lot on this side (south side) of I-44. To get to the larger lot, turn left at the stop sign to cross the highway - you will see the parking lot and restroom building on the left just after you cross over the highway.

August 19 – Al Foster Trail

225 Grand Ave, Glencoe, MO 63038. Meet in the first parking lot on the left.

September, October, November – Additional Rides will be scheduled. Please email olderadults@chesterfield.mo.us or call 636.812.9500 to be included on the email list for possible weather related cancellations or changes. In case of inclement weather, please call 636.812.9500.

TAI CHI FOR ARTHRITIS FOR FALL PREVENTION

One of the most effective methods for fall prevention is Tai Chi, an evidence-based approach. Studies have shown that after 50 hours of Tai Chi, there is a proven reduction in fall risk.

Chesterfield Resident Spotlight:

By Jennifer Tobey

Tripp Tobey, a Chesterfield resident and class of 2020 senior at CBC High School, has started a service organization for veterans and survivors in our community called Serving Servicemen.

What began last October as a handful of like-minded friends helping out at Kirkwood Amvets Memorial Post 1 has become a Mission project and permanent service group with over 35 members.

Tripp's connection to Post 1 began when he started going to their events at age ten. His admiration grew for the veterans he has always respected and revered. Serving Servicemen members have spent a few weekend days per month helping out in any way they can, boosted in a big way by Mr. Steve Stepanek of Post 1 who has gotten the word out and provided them with opportunities to be of assistance.

On one occasion, Tripp made a connection to the grandfather he never met while raking leaves for a veteran who had served at the same time and place with him. The relationship and time shared that the members get far outweighs the energy expended, all while they strive to make a positive impact in our community.

In February, Mr. Stepanek advised the group about three homeless veterans who were to be buried at Jefferson Barracks National Cemetery. Five members were able to leave school early to attend and serve as pallbearers. It was a powerful and moving experience which will remain forever. A group of Gold Star Moms with Missouri Military Memorial Foundation

Left to right: Tripp Tobey, Michael Jordan, and Jeanine Rainey. Tripp receives the American Flag.

Left to right: Cannon Hritz, Harry Michalak, Alex Williams, Alex Heinonen, and Tripp Tobey are pallbearers for the funeral of a homeless veteran.

who attended the very small and freezing cold funerals got in touch with CBC to formally thank the young men. Serving Servicemen was honored with a trifold flag, a medallion and the shell casings representing duty, honor and country. This reinforcement of the group's efforts hit home.

This month, Serving Servicemen is committed to serving 1,850 hours of volunteer labor. CBC has allowed the group to be part of the junior class Mission Weeks, and the students are hard at work. They are open to performing any tasks such as fixing computers, painting and cleaning sheds or whatever may be needed.

In addition, Serving Servicemen has been made a permanent service group at CBC. Next year a new leader must be appointed and the current leader will go on to a military academy or college and then continue to serve. Hopefully, Serving Servicemen will be making a difference for many veterans and students for a long time.

For more pictures and a catalogue of their trips, check out their website at servingservicemen.org and follow them on Facebook and Twitter.

If you are a veteran or survivor and would like help with any difficult tasks, please contact through the website at servingservicemen.org or call Tripp Tobey after 3:00 p.m. at 314.681.0420.

Want to work for Chesterfield?

Check out <https://www.chesterfield.mo.us/careers.html> for all of the current and open positions for the City of Chesterfield. You can now apply online!

Chesterfield ranks one of the best in nation for Nursing

In a recent analysis of 36,000 cities across the United States, College Factual found Chesterfield to be one of the best locations in the nation for students seeking a degree in Nursing.

This is great news for Nursing majors who want to receive a top-notch education that will prepare them for their future careers.

Because of the excellent opportunities in the Chesterfield area, the city attracts Nursing students from all over the world. Many of these students choose to stay in the area after graduation, getting jobs in local government or at area companies. The program at Maryville University of Saint Louis is ranked #48 in the country for Nursing majors.

Local schools now occupy the Tomschin farm land

By Ann Chrissos

Chesterfield Historic & Landmarks Preservation Committee

Rudolph F. Tomschin was born in Germany on June 4, 1880. His wife, Emma E., was born in the United States on January 14, 1886. They settled on a 200 acre farm located on the west side of North Woods Mill Road between Ladue Road and Forest Ridge Subdivision. Greentrails Subdivision, Parkway Central High School and Parkway Middle School now stand where the Tomschin farm once flourished.

The Tomschins had thirteen children: Fred, Sadie (1909-1992), Henry, William (1919-1992), Rudolph, Emma, Ida, Pearl, Grace, Della, Ruth (1926-?), and two who died at birth. The children attended Lake School and the family shopped at Zierenberg's and Rinkel's Markets. They were active members of the Parkway Evangelical and Reformed Church on Ballas and Conway Roads. The Tomschins held family gatherings and celebrated Thanksgiving and Christmas with the extended family.

Rudolph Tomschin, the family patriarch, used mules, which had the reputation of being mean, to pull the farm implements. In the 1940s, the original farm house was torn down and a new

brick home was constructed. After Rudolph died on June 10, 1954, his wife Emma and their daughter Sadie continued to live there. They gradually sold off all but one acre of land. In the 1960s, their large barn was demolished. The remaining property was sold after the deaths of Emma in 1968 and Sadie in 1992.

The Tomschins' oldest son Fred married Elsie Fink in the Parkway E & R Church. In the early days of their marriage, they lived on Old State Road, but later moved to a farm on Conway Road and Highway 141, where Maryville University is now located. Fred, who was an excellent carpenter, as well as a farmer, built a new home on the site. When Fred and Elsie were children, he attended Lake School in the Chesterfield area, while Elsie and her seven siblings attended the Locust Grove School at Mason and Ladue Roads. Both were one room school houses and Elsie's teacher was Mrs. Schnieder.

During World War II, Fred served in the army and was stationed at Fort Leonard Wood, where Elsie worked as a pastry chef. When

Second Lake School, September, 1932. This school stood at 14298 Olive Street Road until 1999 when it was demolished for the widening of Olive Boulevard. The teacher was Miss Richter. Far left, first grade: Alvin Freeze, Victor Mertz, Lois Dierberg, Marilyn Harlow, Bob Ravens, Norman Freeze and unknown. Second grade: Harry Harlow, Ruth Swagman, Donald Storch, Pearl Tomschin, Betty Dierberg, Alfred Pellet and unknown. Fourth grade, on right: Helen Stemme, Lily Mae Burkhardt, Enid Rose Frommer, Stanley Stemme, and Dorothy Raye. Courtesy of Lily Mae Burkhardt Harlow.

they returned to Chesterfield, Fred loaded dump trucks at the POW camp in Chesterfield and Elsie cooked for the camp. She also worked at St. Louis Lambert Airport for Curtiss Wright as a riveter on airplane wings. Fred and Elsie had a daughter, Joan Tomschin Atkinson.

Rudolph, Emma and their children Sadie, William and Ruth are buried in the St. John's United Church of Christ Cemetery on Olive Boulevard.
