

CHESTERFIELD CITIZEN

A QUARTERLY PUBLICATION OF THE CITY OF CHESTERFIELD

Fall 2022

City Prepares Five-Year Financial Forecast

The City's five-year financial forecast (2023-2027) was presented to the City Council at their June 7, 2022 meeting. This forecast is based upon the detailed line item and account level revenue and expenditure assumptions with currently known or anticipated service levels and associated expenses. The assumptions include no additional headcount in spite of the growth in service obligations. The details of the five-year forecast can be viewed on the City's transparency portal, <https://www.chesterfield.mo.us/five-year-forecasts.html>.

As background for the forecast, it is important to review revenue and expenditure trends. The City's 2021 revenues increased \$741,603, or 1.9%, since 2014. In 2018, Proposition P generated additional revenue of \$2.6 million annually dedicated to Public Safety. During this same timeframe, expenditures have decreased or remained flat, except for Public Safety (Police Department) that increased \$2.5 million (28.9%).

Therefore, as the City's obligations continue to expand due to development and growth, current service levels will diminish. Based on the stated assumptions, expenses are expected to exceed revenues in 2024 and the General Fund Reserves will dip below the 40% policy in 2027. Staff have been tasked with identifying strategies to address the issue of expenses outpacing revenues. The five-year forecast will be regularly updated and presented annually.

Subdivision Trustee Update

The City of Chesterfield continuously updates its comprehensive list of Subdivision Trustees. Trustees are provided notices of public hearings and upcoming projects that affect their subdivision. Recently adopted ordinances and resolutions which may be of interest to residents are also provided.

Please be advised that Trustee information is routinely provided, as a public service by the City, to anyone requesting it.

If you are a new Trustee or know of any changes in your subdivision, please download the "Trustee Information Form" on the City's webpage at <https://www.chesterfield.mo.us/>.

1. Select "Residents", "Subdivision Trustees", then "Subdivision Trustee Information Form".
2. Complete the form and return via mail, fax or email as directed.

You may contact the Customer Service Center at 636.537.4000 if you would like a "Trustee Information Form" sent to you.

Mayor's Message

So many new and exciting things going on in Chesterfield!

Many of these things may have previously been written and many of you are already aware, but progress is now visible. There is vertical development taking place in the residential component of Wildhorse Village, where internal roadways with landscaped medians and streetlights are now visible. It is nice to see this first-rate development take shape!

Running along the creek, just west of this development, is the recently completed Riparian Trail addition, Phase II, that extends the original trail from Lydia Hill northward crossing Wildhorse Creek Road and ending at Old Chesterfield Road. This paved trail is available to pedestrians and cyclists.

Macy's recently announced their plans to move from Chesterfield Mall to a smaller location in Chesterfield Commons in the Valley. This move is scheduled to take place in the fall and is an important step toward the eventual redevelopment of Chesterfield Mall.

Another new youth sports venue recently broke ground. The 18,000 square foot indoor Chesterfield Sports Complex features competitive basketball and volleyball and is located off South Eatherton near The Crossing Church.

Perfect Game

In June, the City of Chesterfield was happy to announce a new partnership with Perfect Game. The City has signed a ten-year agreement with the largest baseball/softball tournament organizer in the country. Perfect Game events attract college and professional scouts and will host high skill level tournaments for youth from surrounding states, as well as local teams.

Over time, our local leagues have trended to predominantly weekday league games. This allows them to travel and compete in tournaments

over the weekends. Now, Chesterfield will be the regional hub for major baseball and softball tournaments. A key component of the agreement is that Chesterfield will install synthetic turf on the infields of 12 additional fields, bringing the total number of turfed infields to 16. This will decrease the number of rainouts and optimize the tournament experience for teams.

Obviously, we are hopeful, and anticipate that the additional out-of-town visitors will be good for local businesses, while contributing to our bottom line. Congratulations to Director Tom McCarthy and Superintendent Kevin Schuh from our Parks Department on negotiating this very important agreement.

Missouri Crisis Hotline

I have copied and pasted the Missouri Crisis Hotline information from River Bend Subdivision newsletter as I believe it is relevant today!

Missourians can now dial or text 988 or chat virtually if they are in crisis. The national 988 suicide and crisis lifeline is a 24/7 system designed to better respond to people in crisis and get them the appropriate help as soon as possible.

The hope is that the approach will also take some pressure off law enforcement and hospitals in some instances. The system includes someone to talk to, a team on the ground to respond, and behavioral health crisis centers across the state for people to go to for help. Link for additional info: <https://www.missourinet.com/2022/07/15/missouri-988-crisis-hotline-rollout-someone-to-talk-to-someone-to-respond-somewhere-to-go/>.

Resolution To Establish a TIF Commission

On July 25, the Chesterfield City Council unanimously adopted a resolution to establish a Tax Increment Financing (TIF)

Continued On Next Page...

Commission, for the purpose of addressing the public infrastructure needs in and around the Chesterfield Mall and Wildhorse Village.

This is an important step toward the potential redevelopment of what is now known as Chesterfield Mall. A determination that Chesterfield Mall is economically blighted has been made. The TIF Commission is required to review the proposed redevelopment plan and conduct a public hearing, after which they will make a recommendation to the Chesterfield City Council. If a TIF District is ultimately established, here are some basic facts:

1. No taxing entity would receive less revenue than current levels.
2. The property owners/developers continue to pay the full property tax based on assessed value, even as the assessed value increases with development. There is no tax abatement, no deferrals.
3. Only statutorily eligible infrastructure projects could be financed by TIF.
4. Creation of a TIF District will result in NO additional consumer taxes for you. No increase in sales tax rates and no new or additional taxes from Chesterfield residents and business. The owners/developers within the TIF District pay their full property tax. Sales tax rates in the TIF remain the same rate as they are currently.
5. If a TIF is established, it will be controlled by City of Chesterfield.

6. The City of Chesterfield will not be liable for any of the TIF obligations or payments on TIF projects.

The economic development tool, Tax Increment Financing (TIF), is an important tool for projects such as Chesterfield Mall. However, for some, TIF has a bad reputation. As with any development tool, they can be misused. But the City of Chesterfield has experience and a track record of successfully using the TIF in Chesterfield Valley. The City is vigilant to ensure that TIF is used to fund public improvements and not to subsidize or incentivize private development. When used properly and responsibly, it can be an enormously valuable economic tool that can not only benefit our community, but our entire region. As an example, the Chesterfield Valley TIF that was created after the flood of 1993 was paid off 10 years early and now provides enormous revenues to the school districts and all the taxing entities.

I am sure there will be a lot more information coming out in future months.

Cordially,
Bob Nation

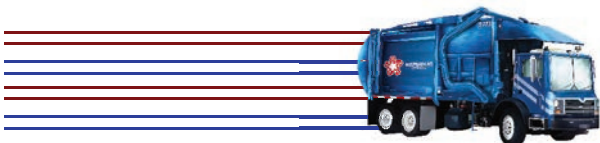

Requests For Signs

Have you ever wondered how to request a Stop Sign, No Parking Sign, or other traffic sign on a City maintained street? This can be done by using the Report a Problem function on the City's website.

Enter your request and contact information and a member of the Engineering Division of the Public Works Department will contact you to obtain additional information. Please note that all signage in the City of Chesterfield must conform to the Manual of Uniform Traffic Control Devices, or MUTCD. Additionally, No Parking Signs require a letter from the Subdivision Trustees, in addition to 75% support of residents in the area, and 90% support from the adjacent property owners.

Please note that the City of Chesterfield will only install Stop Signs which meet the engineering requirements established within the MUTCD. Stop signs should only be installed where a full stop is warranted, never to simply slow traffic. Unwarranted stop signs lead to non-compliance (running or rolling stops) and frequently cause motorist speeds to increase before and after the stop sign.

If you have questions regarding street signs, please contact the Public Works Department at 636.537.4762.

Holiday Trash Pickup

LABOR DAY: MONDAY, SEPTEMBER 5

All routes will run on a 1-day delay.

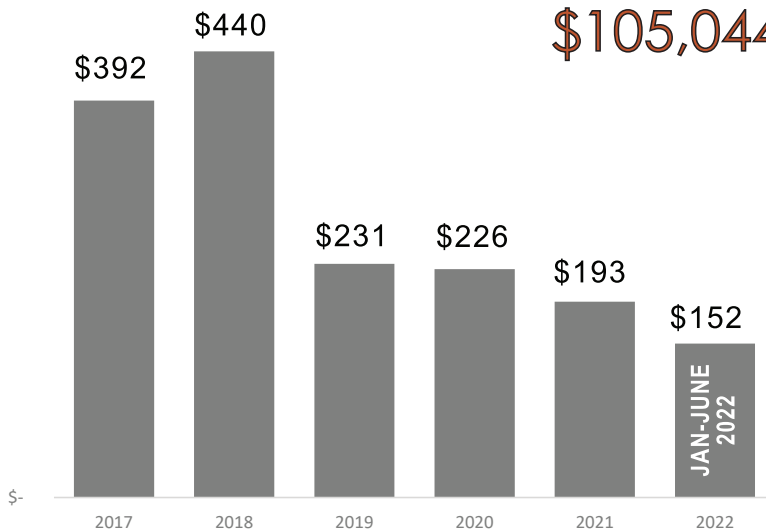

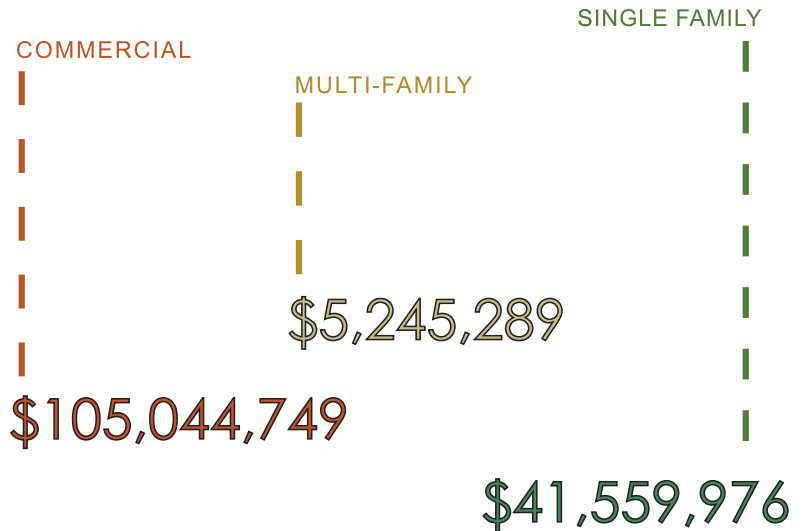

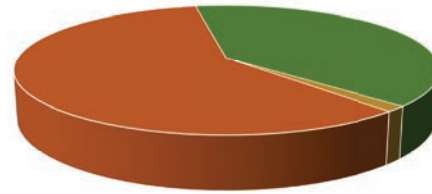

City of Chesterfield Construction Costs

By Sector

(January-June 2022)

The City of Chesterfield contracts with the St. Louis County Department of Public Works to provide permitting and inspection services. St. Louis County provides the City with the construction costs associated with the permits they approve. To the right is a summary of the construction costs for the first half of 2022 (January-June). This data summarizes all work completed (building, mechanical, electrical, and plumbing) for each sector. St. Louis County breaks down all the of the construction activity in three sectors (Commercial, Single Family Residential and Multi-Family Residential).

	2017	2018	2019	2020	2021	2022
COMMERCIAL	\$298	\$373	\$126	\$108	\$114	\$105
MULTI-FAMILY	\$38	\$7	\$22	\$16	\$3	\$5
SINGLE FAMILY	\$56	\$59	\$83	\$101	\$77	\$42

By Year (2017-2022)

The bar chart to the left is a summary of the construction costs throughout years. This data also summarizes all work that was completed including building, mechanical, electrical, and plumbing. The construction activity is categorized in three sectors (Commercial, Single Family Residential, and Multi-Family Residential) as shown in orange, yellow, and green. Numbers in this chart are rounded to the nearest million.

10th Annual Ed Nestor Memorial Backstoppalooza Concert

The Ed Nestor Memorial Backstoppalooza is a fundraising concert that supports Backstoppers, Inc., an organization that provides immediate financial aid and other support to the families of Police Officers and Firefighters who lose their lives in the line of duty.

The annual concert will be held on Saturday, August 27, 2022 at the Chesterfield Amphitheater. Gates will open at 6 p.m. and the concert will begin at 7 p.m. All proceeds from Backstoppalooza support Backstoppers, Inc. Donations to Backstoppers will be encouraged and collected at the event. Backstoppalooza has raised over \$400,000 for Backstoppers, Inc. since 2013! This year's headliner will be *Silver Bullet STL: A Tribute to Bob Seger*.

For more information, please contact Lieutenant Chris Connelly at BPalooza@chesterfield.mo.us or visit <https://www.chesterfield.mo.us/backstoppalooza.html>.

Scan the QR Code on your phone camera to donate to Backstoppers today!

Honeysuckle Hack

If you're interested in helping out the Parks, Recreation and Arts Department in getting rid of invasive Honeysuckle Bushes, please give us a call. This helps in ridding our woods around Central Park of this invasive species. Tools will be provided or you can bring your own clippers. No power tools please.

Date: Saturday, October 15
Time: 8:30-11 a.m.

Location: Chesterfield Family Aquatic Center parking lot
To RSVP, call 636.812.9500. RSVP is required by October 12.

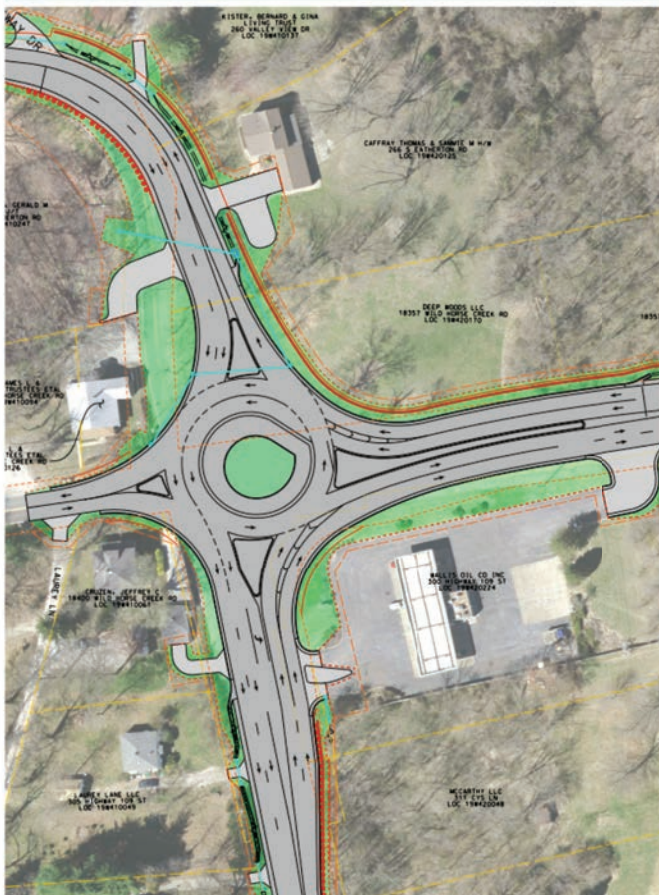

All About Roundabouts

According to the Missouri Department of Transportation, construction is scheduled to begin in the Fall of 2022 on a new two-lane roundabout located at the intersection of Eatherton Road and Wild Horse Creek Road.

Source: <http://www.modot.org/route-109-and-route-cc-intersection-improvement>

HOW DO YOU USE A ROUNDABOUT?

The current plan calls for a partial two-lane roundabout. Just like any other roundabout, traffic entering the roundabout must yield to any traffic already in the roundabout. Traffic on the outside lane should generally be turning right, while traffic on the inside lane should be heading through the roundabout or heading around the roundabout to turn left.

Chesterfield Citizens Environmental Advisory Committee Speaker Series

Composting -- Good for the Planet, Great for the Garden

Learn about composting from St. Louis Composting, Mr. Richard Blosser, partner of Chesterfield Citizens Environmental Advisory Committee (CCEAC).

Information about St. Louis Composting is located on CCEAC's "Chesterfield What and Where to Recycle 2022" flyer on CCEAC's webpage on the City's website: <https://www.chesterfield.mo.us/what-and-where-to-recycle.html>.

Date: Wednesday, September 7
Time: 6:30-7:30 p.m.

Location: Chesterfield Community Center
237 Chesterfield Mall (second floor by Macy's)
To RSVP, email recreation@chesterfield.mo.us or call 636.537.4000. RSVP is required by September 6.

Energy Awareness Presentation

Join Mr. Marco Tipton from Ameren during Earth Science Week and Energy Awareness Month. Learn more about electrification, clean energy, and reducing carbon footprints. Mr. Tipton will be covering solar plans for Missouri among other sustainability issues and topics.

Date: Wednesday, October 12
Time: 6:30-7:30 p.m.

Location: Chesterfield Community Center
237 Chesterfield Mall (second floor by Macy's)
RSVP to recreation@chesterfield.mo.us or call 636.537.4000. RSVP is required by October 10.

DID
YOU
KNOW?

For the 32nd consecutive year, the City of Chesterfield received the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association (GFOA). This is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management. The City of Chesterfield has received this award from 1989 – 2020. The City's Finance Department excels in providing clear and transparent financial reports.

Motz/Jacob Families

Written By: Ann Chrissos

Frederick (Fritz) Motz (1851-1929) was born in Alsace-Lorraine, France in 1851. Following the defeat of France in the Franco-Prussia War, Fritz emigrated to Meramec Township, Missouri in 1871, where he acquired 80 acres of farmland. He planted peach orchards and raised pigs and cows. He took his fruits and vegetables into St. Louis to sell, while local taverns purchased his pork and beef. Fritz met the George Heinrich (Henry) Jacob family at St. John's Lutheran Church in present day Ellisville. Henry (d. 1896) and Magdalena (1836-1909) Jacob owned 80 acres near Hutchinson Road. On November 28, 1880, Fritz married Henry's daughter Christine.

Fritz and Christine Motz lived on a farm off Valley Road on which they raised their two children: Daniel Albert and Katherine (Katie). While Daniel and Katie were growing up, Fritz would work all day in his fields, then walk into town to purchase tobacco. Daniel Albert (1885-1961) married Martha Schindler (1896-1961), a Texan by birth, in St. John's Lutheran Church on November 6, 1916. They lived on 40 acres on Valley Road across from Daniel's parents, but their holdings grew to 120 acres following the death of Daniel's father. Daniel's sister, Katie, married William (Bill) Eberwein in 1916. They operated a filling station in Ellisville during the 1930s.

Daniel Albert and Martha had six children: Leanoria, who married Norman Eatherton; Albert, who married Mary Messmer; George, who married Elveria Fick; Daniel, who married Geraldine Haus; and Marty, who married Donna Kesslering. Daniel, like his father, was a successful farmer, who also sold his farm products in St. Louis. His early acquisition of a tractor helped with his success.

Daniel and Martha's son, Albert (1921-2012) married Mary Messmer (1925-2014) in St. Louis, but they resided on Clayton Road near Hutchinson and Valley Roads. They are buried in St. John's Lutheran Church Cemetery in Ellisville. Albert and Mary had a son, Richard (b. 1953), who married Anita Cole (b.1954) at St. John's Church in 1981. They have two children: Jennifer (Jen) (b. 1985) and Richard, Jr. (b.1987). Richard, Sr. is a retired carpenter.

For more information about Chesterfield's families, go to <http://www.chesterfield.mo.us/historical-commission.html> or visit the Chesterfield Heritage Museum inside Chesterfield Mall.

Prevent Catalytic Converter Theft

What is it?

- It is a critical component of a car's exhaust system and can cost thousands of dollars to replace.
- Thieves target it because it contains expensive metals that can then be sold as scrap.
- Removal can take less than 1 minute.

Theft Prevention Tips:

- Park in a garage or well-lit area.
- The main tools used for these thefts are reciprocating saws and grinders. Call the Police immediately if you see someone with these tools or near a vehicle that doesn't belong to them.
- Utilize surveillance cameras.

Street Solicitation in Chesterfield

From time-to-time, street beggars may be seen standing at or near street corners in Chesterfield soliciting for money. While often well intentioned, such activity creates traffic safety concerns. Drivers attempting to read handheld signs or trying to communicate in some fashion are distracted from safe driving practices and may trigger traffic congestion. At the March 21, 2022 City Council meeting, members of the Council adopted an ordinance which prohibits street solicitation of any kind within the City of Chesterfield. With the adoption of this ordinance, the Police Department now has the ability to enforce and resolve such occurrences. Should you observe a street solicitor, we ask that you first refrain from donating to the solicitor and secondly, notify the Police Department so that an officer may contact the person, enforce the ordinance, and offer additional assistance.

Don't forget to get out and
VOTE
November 8!

How To Report A Problem

1. Visit <https://www.chesterfield.mo.us>
2. Click on the "Report A Problem" Button
3. Fill out the form on the webpage
4. Submit your Request

**Please note If you would like to be notified about the progress of your problem or complaint an email address is required.*

Conservation Federation of Missouri Article Recognizes Chesterfield

At the request of the Conservation Federation of Missouri (CFM), the Chesterfield Citizens Environmental Advisory Committee (CCEAC) submitted an article about the First Baptist Church of Chesterfield's (FBCC) butterfly pollinator garden. The article was published in the CCEAC's March issue of their state-wide magazine. The article titled, "A Template for Conservation During a Pandemic", describes the origin of the garden and the many partners and volunteers who helped make the garden possible. All materials utilized in the garden were donated by CCEAC, FBCC, and its partners who maintain their National Wildlife Federation (NWF)-Certified habitat garden now! This garden contributed a quality nature garden component to the annual NWF re-certification report of our community, which is now in its 18th year of improving quality nature here. Congratulations to the First Baptist Church of Chesterfield and the City of Chesterfield!

Litter Violations

Please remember that it is a violation of City Code to litter or dump material of any kind on City Streets, in City Parks, or in any stream. City maintenance staff spend time each day picking up litter from City property. All litter which is not removed eventually finds its way, typically via storm sewers, to a City stream. Litter is not only unsightly, but it can be harmful to creek vegetation and aquatic life.

Driveway Apron Snow Removal Program

The City of Chesterfield's Driveway Apron Snow Removal Program offers removal of approximately 10 feet of the windrow of snow (enough space to allow for a vehicle to enter/exit a driveway) which accumulates at the end of your driveway when the City clears snow from public streets.

In order to qualify for this program, Chesterfield residents must live in a single-family residential home accessed via a public street, and have a diagnosed medical condition preventing them from removing snow from their driveway. To request this service, residents must complete three forms: Participant Information Form, Physician Confirmation Form, and Participant Release Form, which are each available on the City's website, <https://www.chesterfield.mo.us/resident-windrow-program.html>.

Applications must be received at least two weeks prior to a snow storm to allow for application review and processing. If you have previously registered for this program there is no need to re-apply.

The City of Chesterfield will begin driveway apron snow removal operations ONLY after completion of all snow and ice removal operations on public streets and at City facilities. The Driveway Apron Snow Removal Program will only be implemented if snow accumulation exceeds two inches during any single snow event.

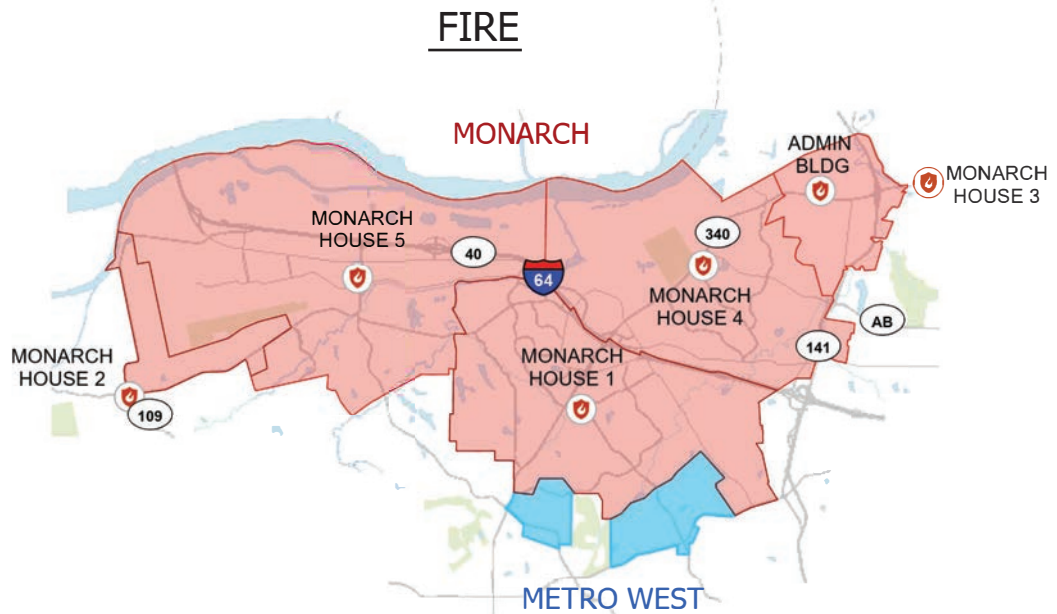

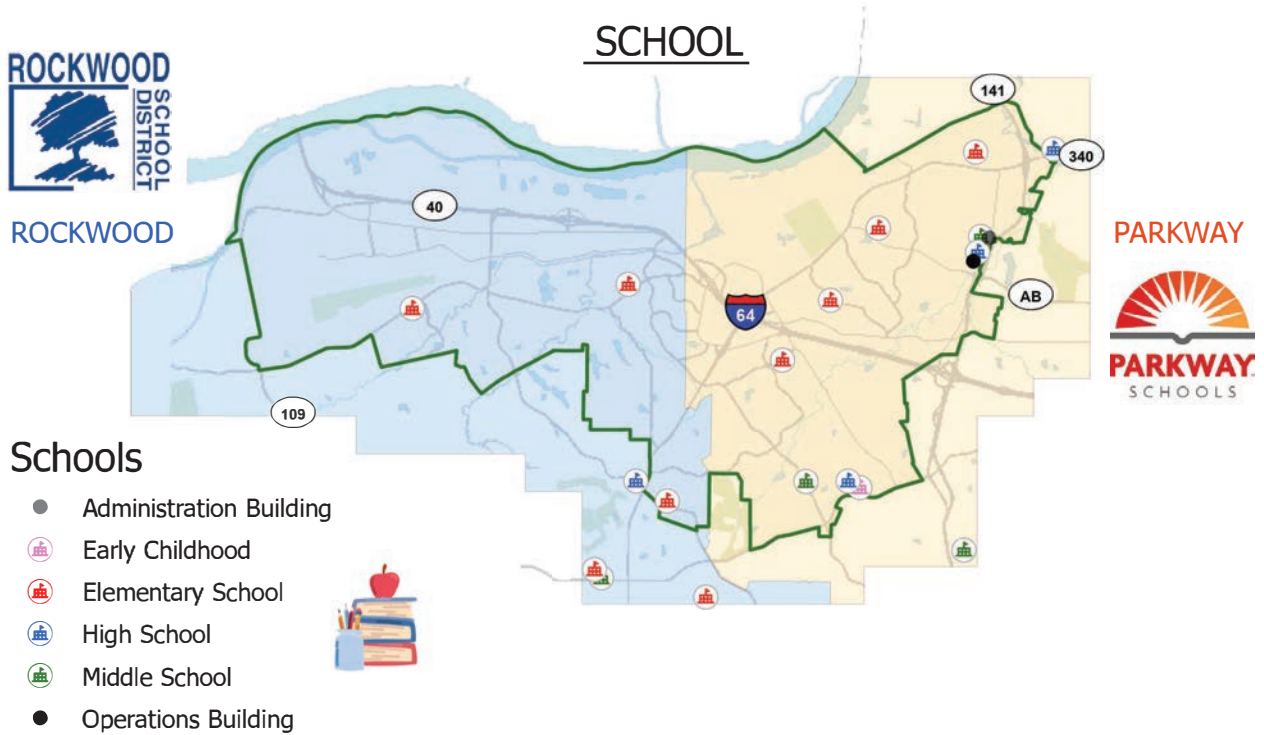

Please note that the intent of this program is not to remove snow from your entire driveway. City staff will only remove a strip of the windrow, approximately 10

feet wide, to allow entrance to and exit from your driveway. If you own a driveway with multiple accesses to the City street, the City will only provide this service on one driveway apron.

If you have any questions, please call the City of Chesterfield Department of Public Works at 636.537.4762.

Public Right of Way

The area immediately adjacent to the street, including the area between the curb and the sidewalk, is generally considered public right of way. The adjacent property owner is responsible for the maintenance of this area, including cutting the grass. However, there are many public amenities, including street signs and street trees, located within the public right of way. Any construction or physical disturbances within the public right of way, including sprinkler systems, invisible fences, the planting or removal of trees, and driveway replacements, require a permit from the Public Works Department. If a street does not contain sidewalk, the public right of way is typically considered the area within 12 feet of the back of the curb. Movable objects should not be kept in the public right of way, including basketball goals and decorative landscape boulders.

You may have recently seen or experienced utility work in the public right of way. Utility companies, including water, sewer, gas, electric, and internet providers are allowed to construct and maintain facilities within the public right of way in accordance with state law. The City does require these utility providers to obtain a permit, which ensures any disturbance within the public right of way is restored to City specifications.

Please note that in many cases utility companies perform work within private easements. A private easement is a property right granted to the utility by a private property owner. An easement on your property may have been granted by a prior property owner or by the developer as part of the platting of your subdivision. The City of Chesterfield has no control over utility work performed in a private easement. If you are experiencing a problem with a utility company working within an easement on your property, the best thing you can do is search your records to determine the location and verbiage of the easement. Then contact the utility provider directly to address any concerns.

If you have any questions regarding the public right of way, please contact the Public Works Department at 636.537.4762.

Did You Know?

Like most cities, the City of Chesterfield does not install speed bumps. Speed bumps are effective at slowing traffic in the immediate vicinity of a speed bump; however, they are ineffective at reducing overall speed and cause a number of maintenance problems. Additionally, their use is opposed by emergency response personnel, including police and fire.

Fall Recycling Event Canceled

Our fall Recycle event has been canceled due to the slow decline of participants at the last several events. For recycling, please go to the Recycle Wizard webpage (<https://www.chesterfield.mo.us/recycle-wizard.html>) or the Chesterfield Citizens Environmental Advisory Committee webpage that also has locations for recycling at <https://www.chesterfield.mo.us/what-and-where-to-recycle.html>.

Water Quality in the City

Did you know that to permit grading and land disturbance activities, the City of Chesterfield, along with 58 other municipalities, St. Louis County, and Metropolitan Sewer District (MSD), operate under a Municipal Separate Storm Sewer System (MS4) permit from the Missouri Department of Natural Resources? Permit requirements cover a wide range of topics which impact water quality, including posting pet waste disposal signs, ensuring that development sites contain proper silt and erosion control, and bi-annual street sweeping. Additionally, the City must operate its facilities in such a manner to minimize exposure to storm water and train its personnel annually in proper water quality practices.

If you are wondering what you can do to maintain water quality, please remember that all storm water inlets drain to creeks and streams. Please ensure that no trash, debris, or chemicals are washed or dumped into storm water inlets. Additionally, if you are planning a grading project, please contact the City to determine whether a permit is necessary.

City of Chesterfield Financial Funds & Awards

The City of Chesterfield received their 31st consecutive Distinguished Budget Presentation Award from the Government Finance Officers Association. The award represents a significant achievement by the City's Finance Department. Each year the City prepares an annual budget, conducts multiple budget workshops, and hosts a public hearing prior to adoption of the budget. This award reflects the commitment of the Mayor, City Council, and Staff to meet the highest principles of governmental budgeting and ensuring the public trust. The City of Chesterfield has received this award from 1991 – 2022.

Wards Improve Quality Nature

Three families from each of our four City Wards took home and planted their “Butterfly-Pollinator” Garden Kits from the Chesterfield Citizens Environmental Advisory Committee’s (CCEAC) May 4 presentation of “Garden for Wildlife”! Equal distribution through the four wards assures quality nature, and visits from butterflies and native pollinators throughout Chesterfield!

Green Team Emblem

Mr. Vic Jost of Jost Greenhouses received a Green Team Emblem from the Chesterfield Citizens Environmental Advisory Committee (CCEAC). Distinguishing our community, Jost has helped to enhance native/natural world conservation by donating native flora for butterflies and pollinators in Chesterfield. Jost Greenhouses is the most recent addition on the Green Team recipients listing on our website. To see the full list of Green Team recipients, please scan the QR Code to the right.

Chesterfield Community Center

The Chesterfield Community Center is really taking shape. Seniors and other community patrons now have a space for a wide variety of programs.

St. Luke’s Hospital and Logan College have provided some educational programs along with other local businesses. Bingo is being held twice a month. This summer, the Center provided a space for summer campers during really hot days and rainy days. The Center also played an integral part in the success of the West County Chamber Senior Expo. Yoga kicked off in June and will continue through the fall/winter on Thursdays. A community Bridge group started in June and will continue on Tuesdays. Local artists have also begun to display their artwork and we encourage everyone to stop in to see it.

We are excited for the potential that the space can bring to our community. We have plans for additional programs for all ages in the coming months. All programs and events can be found on the City’s website at <https://www.chesterfield.mo.us/programs-and-events.html>.

You can also get updates on upcoming programs via email. For older adults information, please send your email address to olderadults@chesterfield.mo.us. For community relations, along with youth and adult programs, please send your email address to recreation@chesterfield.mo.us. Our Parks, Recreation & Arts Staff will then add you to the email list.

The Chesterfield Community Center is located inside the Chesterfield Mall on the second

floor next to Macy’s (237 Chesterfield Mall, Chesterfield, MO 63017). This is the same location as the previous St. Luke’s vaccination site and includes restrooms and multiple meeting rooms. Hours of operation are 8 a.m. - 12:30 p.m., Monday through Friday. Please call 636.537.4000 with any questions.

Chesterfield Fall Festival

Where: Chesterfield Amphitheater
(631 Veterans Place Drive Chesterfield, MO 63017)
Date: October 22
Time: 1-6 p.m.

The Chesterfield Fall Festival will take place at the Chesterfield Amphitheater this year. The festival will feature the Drive by Boys on the plaza stage from 1-4 p.m. and Chris Collins and Boulder Canyon, the world’s foremost tribute to John Denver on the Amp stage from 4:30-6 p.m. Staff is hard at work on creating a fun, memorable, fall community experience for Chesterfield families. More details coming soon to the website, <https://www.chesterfieldamphitheater.com/>.

ART EXHIBIT

CHESTERFIELD

8:30 a.m. - 5 p.m.
Monday – Friday
Inside the Lobby at City Hall
Free and open to the public

Our newest art exhibit will showcase the following established regional artists:

July-September

Jessa Feltes
Barbara Marshall

October-December

Noah Ennis
Erin Williams
Erin McGrath Rieke

Meet The Artist: Jessa Feltes

The July-September art exhibit at City Hall features artwork from self-taught abstract artist, Jessa Feltes. Prior to 2020, Feltes channeled her creative energy into writing where she created images with words. Now, her creative outlet is abstract painting where she creates words with colors to be interpreted differently by each individual. Feltes believes that anything in life can inspire creative expression, both good and bad. Therefore, she focuses on bringing a little beauty to both the good and bad in life within her artwork. Inspiration of memories, nature, and feelings combined with pouring mediums, acrylic paint, and the use of an arsenal of techniques act as the foundation of Feltes' work. Jessa Feltes ultimately paints her own story in order for viewers to see theirs from a different perspective. Additional artwork by Jessa Feltes can be found on her website: www.abstractbyjessa.com.

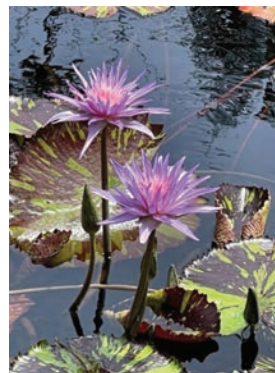

Title: Granite
Dimensions: 16"x20"
Medium: Print on Canvas
Price: \$270
Artist: Jessa Feltes

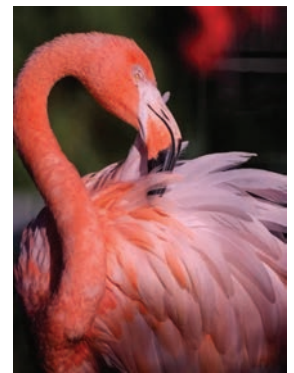

Title: Flashing Gold
Dimensions: 16"x20"
Medium: Print on Canvas
Price: \$270
Artist: Jessa Feltes

Meet The Artist: Barbara Marshall

Additionally, the July-September art exhibit at City Hall features work from photographer, Barbara Marshall. Marshall's photography career began when she took several photography courses while on active duty in the U.S. Air Force, which led her to continuing art in college on her return. After retiring from a long banking and finance career, Marshall invested in a franchise business allowing her the opportunity to take photography from a hobby to a business. Over the years, Marshall has experimented with a variety of different types of photography, but she always comes back to nature photography as being outdoors has become a form of therapy for her. Barbara Marshall's goal is to convey emotions within her photos allowing viewers to slow down and enjoy nature in a more contemplative way. Additional work by Barbara Marshall can be found on her website: www.ChesterfieldTarArt.com.

Title: Lotus Water Lily
Dimensions: 11"x14"

Cookies with the Claus'

Date: December 2
 Time: 6:30 p.m.
 Location: Chesterfield Community Center
 237 Chesterfield Mall
 (2nd floor by Macy's)
 Ages: 2-12
 Price: \$5

Grab your slippers and reindeer pajamas as we gather around Mrs. Claus' cookie table. Enjoy a holiday cookie and sit by the tree as Santa reads stories of Holiday cheer! Bring the family together and make memories at the first ever Cookies with the Claus'. Register at: www.chesterfield.mo.us.

Holiday Tree Lighting

Date: December 3
 Time: 5:30 p.m.
 Location: Central Park
 16365 Lydia Hill Drive
 Chesterfield, MO 63017
 All Ages
 FREE

After the Candy Cane Hunt, we will end the evening with our annual Holiday Tree Lighting. We will have crafts, food, hot chocolate, music, and more. Holiday characters will make an appearance throughout the events. Want to be the one to light the tree? See below for more details!

We will be accepting donations for Cardinal Glennon Children's hospital at the event. *Donating a toy will enter you in a drawing for a chance to be the one to light the tree.* All items must be new and unwrapped to donate. Can't make it to the event? Drop them off at City Hall (690 Chesterfield Parkway West) or the Parks Admin Building (17891 N Outer 40 Road) from November 14 until December 6.

Candy Cane Hunt

Date: December 3
 Location: Central Park
 16365 Lydia Hill Drive
 Chesterfield, MO 63017
 Time: 4 p.m.
 Ages: 2-12
 Price: \$10

Join us for the Candy Cane Hunt in Central Park on December 3. There will be candy canes, holiday characters, and fun! Hunt down all your candy canes for the holiday season. Don't forget to look for the sticker on the candy cane to see if you won a prize! The hunt ends when all the candy canes are found.

Each age group will have their own areas for the hunt. A special holiday guest will be walking around to help candy cane hunters. After the Candy Cane Hunt, stay for crafts and the annual Holiday Tree Lighting.

Register at www.chesterfield.mo.us.

*Please note, these are not drop in classes. You must register for an entire 4-week session in order to attend. Each session costs \$35.

STORYBOOK WALK

The Storybook Walk at Central Park provides an outdoor education adventure. This addition to Central Park is a great way to engage families in health, literacy, and environmental awareness. The walk consists of 18 stations around the Central Park lake. Each station consists of two pages out of a child's book hand-picked by staff from the St. Louis County Library. The route starts at the front end of the Central Park playground and wraps around the lake. After you complete your walk, be sure to stop at the Library to check out other fun and exciting books. Every two months there will be a new book inside the Storybook Walk.

SPORTS AND WELLNESS SHADOW PROGRAM

Chesterfield Valley Athletic Complex
High School and College Students

FREE

August 27 and September 10

Interested in sports, programs, camps, being outside, having an active lifestyle?

The City of Chesterfield's Sports and Wellness division, is hosting a one-day Shadow Program this fall for students to have hands on experience on what the Parks and Recreation field looks like!

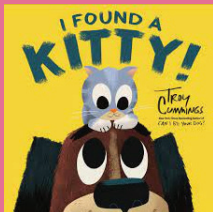

This is a great learning experience for anyone in high school or college. And is a free program with lunch included!

For the training day you select, you will arrive at the Parks Administration Building and you will have an intro meeting with some of the Parks, Recreation, and Arts - Sports and Wellness division staff! After going over some of the behind the scenes job responsibilities, you will get a hands-on tour on the operation of a large outdoor sports facility, the Chesterfield Valley Athletic Complex!

For more information and details visit:
<https://www.chesterfield.mo.us/sports-and-wellness-shadow-program.html>

September 20 - Mindfulness and your Spiritual Health
 Join a mindfulness trained Chaplain from St. Luke's Hospital to learn about mindfulness and stress reduction. Find new ways to take care of your spiritual health.

September 27 - Living Well with Vision Impairment
 Presented by Brenda Wendling, ACSW, LCSW with the Society for the Blind and Visually Impaired.

October 25 - Know your Meds
 Join a St. Luke's Hospital Pharmacist to learn about proper medication management and how to better understand your medication list. Empower yourself with the knowledge to have discussions with your healthcare providers. Bring your medicine questions.

November 15 - Healthy Hands
 Join a St. Luke's Hospital Occupational Therapist to learn about taking care of your hands throughout your life. All abilities are welcome and those with Parkinson's and arthritis are encouraged to attend. Learn simple hand and arm exercises to support your joints and muscles.

November 29 - Power to Your Posture
 Improving your posture takes muscular control and power, but the payoff is more than looking good. It affects your coordination, balance and flexibility, just to name a few. Led by a St. Luke's Hospital Exercise Physiologist, this presentation discusses the benefits of good posture, the importance of maintaining it and ways to improve it.

December 13 - Benefits of Volunteering
 Join a St. Luke's Hospital representative, Kate Myers, to learn more about the benefits of volunteering. How can volunteering improve your health? What are your options? You will find out at this uplifting talk.

December 20 - Spiced Up Holiday Meals
 Join a St. Luke's Registered Dietitian to learn more about holiday eating habits and food choices. Simple tips and tricks for recipe substitutions and ideas to flavor up the holidays.

BBQ BASH

Thursday, October 6
 11 a.m.
 East Pavilion at Central Park
 16365 Lydia Hill Drive
 FREE

The Mississippi Crossing Band will entertain everyone before lunch.

We have asked the Monarch Firefighters to BBQ for us throughout lunch.

Limited to 80 people.

This program is provided to you by Garden View Care Center.

Please RSVP to olderadults@chesterfield.mo.us or call 636.812.9500.

SENIOR PANEL DISCUSSION

Tuesdays at 10 a.m.
Chesterfield Community Center
237 Chesterfield Mall
(2nd floor by Macy's)
FREE

Register by emailing
olderadults@chesterfield.mo.us
or calling 636.812.9500.

Come join the panels led by Ted Gottlieb as discussions are held on various topics each month.

September 6: Estate & Financial Planning
It's never too soon to get your estate and financial ducks in a row. You'll learn why planning now will save you and your estate money and assures that your wishes are fulfilled. Hear from, and ask questions of, a panel of experts - Elder Law, Financial Advisor, Reverse Mortgage, Medicare, Long-Term Care Insurance.

October 4: Selling The Home for MORE!
There are simple things you can do now that can positively impact how quickly your home can be sold and for more. Learn why selling to an investor, no matter the condition of the property, is typically not in your best interest. Discover why working with an experienced real estate agent who specializes in working with seniors is the way to go and how to prepare your home to sell quickly. Hear from, and ask questions to a panel of experts - Seniors Real Estate Specialist®, Home Inspector, Interior Decorator/Re-Stylist, Stager.

Provided By:  St. Luke's HOSPITAL

November 1: Decluttering & Estate Sale Tips
Often, the thought of dealing with all of the things we've accumulated over the years is enough to stop us in our tracks. Discover the available services that simplify the process and how using them can take the pressure off you and your loved ones. Hear from, and ask questions to a panel of experts - Organizers, Declutter Specialists, Estate Sale Agents, Clean Out/ Disposal Experts.

December 6: Communicating With Adult Children
It's not unusual that the lines of communication between parents and children blur or become stressed. With the best of intentions, tensions can mount and road blocks form. In this seminar, mental health professionals, counselors, and care managers share tips to help us keep our focus on the task at hand with the intent of maintaining (maybe even strengthening) our relationships.

ICE CREAM SOCIAL

Thursday, September 8
2-4 p.m.
East Pavilion at Central Park
16365 Lydia Hill Drive
FREE

Please join us for some ice cream from 2-3 p.m. along with music from 2-4 p.m.

This program is provided by Brookdale.
