STATEMENT OF STATE PLANE COORDINATE TIE:

STATE PLANE COORDINATES WERE DETERMINED ON JANUARY 16, 2013 USING TRIMBLE REAL-TIME KINEMATIC GPS HARDWARE FROM THE PROJECT SITE TO A CONTINUOUSLY OPERATING REFERENCE STATION (CORIS) WITH AN IO OF MOBI AND A P/O OF DL3650 HAVING PUBLISHED MISSOURI STATE PLANE (EAST ZONE) COORDINATE VALUES OF NORTH (Y) = 30294.868 METERS AND EAST (X) = 253367.291 METERS. WE REPRESENT HEREOF THAT THESE STATE PLANE COORDINATES MEET THE ACCURACY STANDARDS OF THE MISSOURI MINIMUM STANDARDS FOR PROPERTY BOUNDARY SURVEYS (10 CSR 30-2 AND 30 CSR 30-10 EFFECTIVE AT THE DATE OF THIS SURVEY) AS A 'SUBURBAN PROPERTY' RELATIVE TO STATION MOBI. IN ORDER TO PUT THIS PLAT ON THE MISSOURI STATE PLANE COORDINATE EAST ZONE (NAD 83) GRID NORTH IT WOULD BE NECESSARY TO ROTATE THE PUBLISHED PLAT BEARINGS CLOCKWISE 0.0022". THE PUBLISHED PLAT BEARINGS 582°38'48" WOULD BE 582°38'10" W IF ROTATED TO GRID NORTH.

AVERAGE COMBINED SCALE FACTOR = 0.999915306 (1 METER = 3.2808333 FEET)

Ordinance No. _____, the governing ordinance for the subdivision, and the Subdivision

WHEREAS, the subdivision plans have been approved and the CITY has reasonably
estimated and determined that the cost of maintenance of the required improvements, based on

subdivision governing ordinance and Subdivision Regulations, as amended, will be in the sum
of One hundred forty-two thousand six hundred ninety-four dollars & fifty-three cents
of _____ DOLLARS

WHEREAS, the Subdivision Regulations provide inter alias that the commencement of said subdivision may be approved by the CITY upon the DEVELOPER submitting satisfactory construction and maintenance deposit agreements guaranteeing the construction and maintenance of the subdivision improvements in accordance with the approved plans, said governing ordinance and Subdivision Regulations.

NOW, THEREFORE, in consideration of the covenants, promises and agreement herein provided;

IT IS HEREBY MUTUALLY AGREED:

1. That the DEVELOPER has established a MAINTENANCE DEPOSIT in the amount of One hundred forty-two thousand six hundred ninety-four dollars & fifty-three cents

DOLLARS (\$ 142,694.53), lawful money of the United States of America by:

(check one)

- Depositing cash with the City.
- Submitting a Letter of Credit in the form required by the CITY and issued by the CREDIT HOLDER.
- Submitting a _____ (*type of readily negotiable instrument acceptable to the CITY*) endorsed to the City.

Said deposit guarantees the DEVELOPER will perform his maintenance obligations regarding subdivision improvements, including, but not limited to; lots, streets, sidewalks, trees, common ground areas, erosion and siltation control, and storm drainage facilities, in The Arbors at Kehrs Mill (Plat 1) Subdivision, all in accordance with the approved plans, the governing ordinance for the subdivision and the Subdivision Regulations of

the City of Chesterfield, which by reference are made a part hereof, and in accordance with all ordinances of the CITY regulating same.

2. That the MAINTENANCE DEPOSIT will be held in escrow by the CITY or the CREDIT HOLDER, as applicable, until such time as releases are authorized by the Planning and Development Services Division.

3. That the DEVELOPER shall be responsible for, and hereby guarantees, the maintenance of the subdivision improvements, including, but not limited to, lots, streets, sidewalks, trees, common ground areas, erosion and siltation control, and storm and drainage facilities, until (1) expiration of twelve (12) months after occupancy permits have been issued on eighty percent (80%) of all of the lots in the subdivision plat(s), or (2) twelve (12) months after completion of the subdivision and acceptance / approval of all required improvements by the CITY, whichever is longer. In the case of landscaping, the maintenance period shall be twenty-four (24) months after installation is approved by the CITY. Maintenance shall include repair or replacement of all defects, deficiencies and damage to the improvements that may exist or arise, abatement of nuisances caused by such improvements, removal of mud and debris from construction, erosion control, grass cutting, removal of construction materials (except materials to be used for construction on the lot or as permitted by site plan), and snow removal. All repairs and replacement shall comply with CITY specifications and standards. Any maintenance of improvements accepted by the CITY for public dedication shall be completed under the supervision of and with the prior written approval of the Planning and Development Services Director. The maintenance obligation for required improvements to existing public roads or other existing public infrastructure already maintained by a public governmental entity shall terminate on and after the date such improvements have been

inspected and accepted by the appropriate governmental entity and the deposit for same shall be released. Irrespective of other continuing obligations, the developer's snow removal obligations shall terminate on the date a street is accepted by the CITY for public maintenance.

4. That the maintenance deposit shall be retained by the CITY OR CREDIT HOLDER to guarantee maintenance of the required improvements and, in addition to being subject to the remedies of Section 1005.080 Subsection (G) and other remedies of the City Code, shall be subject to the immediate order of the Planning and Development Services Director to defray or reimburse any cost to the CITY of maintenance or repair of improvements related to the subdivision which the developer fails or refuses to perform. Except in emergency circumstances or where action is otherwise required before written notice can be provided, the Planning and Development Services Director shall provide the developer with a written demand and opportunity to perform the maintenance before having such maintenance performed by the CITY, or its agents. The Planning and Development Services Director shall have the authority to require the maintenance deposit to be replaced or replenished by the developer, in any form permitted for an original deposit, where the amount remaining is determined to be insufficient or where the maintenance deposit was drawn upon by the CITY for maintenance.

5. That in determining the amount of MAINTENANCE DEPOSIT that shall continue to be held, portions of the deposit amount that were attributable to improvements that have been accepted by any third-party governmental entity or utility legally responsible for the maintenance of the improvement may be released upon such acceptance of the improvement by the entity. The Planning and Development Services Director may approve such further releases if it is determined in his or her discretion, after inspection of the improvements, that the total

maintenance amount retained is clearly in excess of the amount necessary for completion of the maintenance obligation, after all reasonable contingencies are considered.

6. That in the event the CITY should determine that the MAINTENANCE DEPOSIT, or any line item thereon as herein provided, is insufficient, the CITY will so notify the DEVELOPER who shall, within thirty (30) days of said notice, deposit additional sums with the CITY or have the amount of the letter of credit or other banking instrument increased as will be required to maintain the said specific component of the improvement and said additional sum will be subject to the terms of this MAINTENANCE DEPOSIT AGREEMENT. Failure to provide said sum shall be cause for immediate cessation of all work on said subdivision until the additional amount is paid.

7. That the CREDIT HOLDER, in accordance with paragraphs 2, 4 and 5 above, shall only release or disburse the MAINTENANCE DEPOSIT, or portion thereof, upon receipt and in the amount set forth in a written authorization from the said Planning and Development Services Division addressed to the Credit Holder, which authorization may be for payment, as provided in the Subdivision Regulations or governing ordinance for this subdivision.

8. That upon expiration of the maintenance obligations established herein, the Planning and Development Services Director shall cause a final inspection to be made of the required improvements. Funds shall then be released if there are no defects or deficiencies found and all other obligations including payment of all sums due, are shown to be satisfied on inspection thereof, or at such time thereafter as any defects or deficiencies are cured with the permission of, and within the time allowed by, the Planning and Development Services Director. This release shall in no way be construed to indemnify or release any person from any

civil liability that may exist for defects or damages caused by any construction, improvement or development for which any deposit has been released.

9. That there shall be no assignment by DEVELOPER or CREDIT HOLDER under the terms of this agreement without written approval of the CITY.

10. That if DEVELOPER is unable to meet its obligation hereunder or to provide additional sums to guarantee maintenance of the Subdivision improvements as may be determined by the CITY or if the DEVELOPER shall abandon the subdivision or go into receivership or file for bankruptcy protection, then in any such event the CITY may declare the DEVELOPER in default and may immediately order the payment of all remaining sums held in the MAINTENANCE DEPOSIT to be paid to the CITY without further legal process, to be used to complete and maintain the subdivision improvements as set out under the terms hereof.

11. That the CREDIT HOLDER will immediately inform the City of any changes of address for CREDIT HOLDER or DEVELOPER (known to CREDIT HOLDER) during the period of this Agreement. Failure to do so shall result in a breach of this Agreement and the CITY may declare the DEVELOPER or CREDIT HOLDER (as the case may be) in default and may immediately order the payment of all remaining sums held by CREDIT HOLDER to be paid to the CITY without further legal process, to be used to maintain the subdivision improvements as set out under the terms hereof.

12. That no forbearance on the part of the CITY in enforcing any of its rights under this agreement, nor any extension thereof by CITY, shall constitute a waiver of any terms of this Agreement or a forfeiture of any such rights.

13. That the CITY hereby accepts this agreement as a satisfactory MAINTENANCE DEPOSIT AGREEMENT under the provisions and requirements of the governing ordinance
