

Notice of Public Hearing
City of Chesterfield
Board of Adjustment

NOTICE IS HERBY GIVEN that the Board of Adjustment of the City of Chesterfield will hold a Public Hearing on Thursday, May 7, 2009 at 7:00 p.m. in the City Council Chambers at the City of Chesterfield City Hall, 690 Chesterfield Parkway West, Chesterfield, Missouri 63017.

The Board will consider the following:

B.A. 01-2009 15563 Parasol Drive (Nancy Nahlik): A request for a variance from St. Louis County Ordinance 5189 to permit an existing residence located at the referenced address in Meadowbrook Farm Subdivision to maintain a three (3) ft. side yard setback in lieu of the required eight (8) ft. side yard setback. (20S130125)

All interested parties are invited to appear and be heard at the hearing.

Copies of the request are available for review at City Hall Monday through Friday, from 8:30 a.m. to 4:30 p.m. If you should need additional information about this project, please contact Annissa McCaskill-Clay, Lead Senior Planner by telephone at 636-537-4737 or by email at amccaskill@chesterfield.mo.us.

Board of Adjustment Staff Report

Meeting Date: May 7, 2009

From: Annissa McCaskill-Clay, AICP
Lead Senior Planner

Petition: **B.A. 01-2009 15563 Parasol Drive (Nancy Nahlik)**: A request for a variance from St. Louis County Ordinance 5189 to permit an existing residence located at the referenced address in Meadowbrook Farm Subdivision to maintain a three (3) ft. side yard setback in lieu of the required eight (8) ft. side yard setback. (20S130125)

Background

Dr. and Mrs. James Nahlik are the owners of a single family residence at 15563 Parasol Drive, which is located in the Meadowbrook Farms Subdivision. Meadowbrook Farms is zoned “R2” Residence District with a Planned Environment Unit (PEU) Procedure. St. Louis County Ordinance 5189 provides for development under the PEU. A PEU is an

alternate zoning procedure for residential districts. According to the City of Chesterfield Zoning Ordinance the intent of a PEU is “to permit flexibility in building types, encourage economic and energy efficient subdivision design, and to encourage the provision of supporting community facilities in the development of diverse, sound, urban developments under conditions of approved site and development plans.” For an “R2” Residence District with a PEU, the side yard setbacks for an “R3” Residence district would be applicable. In the development of Meadowbrook Farms, an eight (8) foot side yard setback was established. On March 26, 2009, the City of Chesterfield rejected a municipal zoning approval for a new deck because it extended beyond the established eight (8) foot side yard setback. There is an existing deck on the site that also extends beyond the side yard setback, and in its review Staff attempted to locate an original survey of the property or building permit showing the existing deck was original to the home and therefore could be approved. Because there is no documentation for the original deck, it was determined that its replacement, which is apparently smaller, could not be receive Municipal Zoning Approval. The only relief from the established setbacks is a grant of variance from the Board of Adjustment.

Existing Deck

Petitioner's Request

See the petitioner's attached Application to the Board of Adjustment for Variance.

Approval Criteria

1. In order to grant a variance, there must be proof that the applicant did not bring the burden upon himself through some action, but instead had the burden imposed on him.
2. An individual cannot create a situation and then claim he needs a variance. *Wolfner v. Board of Adjustment of City of Warson Woods*, 114 S.W.3d 298 (Mo.App.E.D., 2003).
3. The burden of proving the elements is on the applicant.
4. Missouri Revised Statute Chapter 89.090 requires that a Board of Adjustment may only grant variances when the applicant has established the necessary "practical difficulties or unnecessary hardship" and when "the spirit of the ordinance shall be observed, public safety and welfare secured and substantial justice done.
5. Section 2-216 of the City of Chesterfield Municipal code states that the Board of Adjustment shall have the following powers:
"To permit a variation in the yard requirements of any zoning district or the building or setback lines from major highways as provided by law where there are practical difficulties or unnecessary hardships in the carrying out of these provisions due to an irregular shape of the lot, topographical or other conditions, provided that such variance will not seriously affect any adjoining property or the general welfare of the public."

Staff requests action by the Board of Adjustment on B.A. 01-2009 15563 Parasol Drive.

DEPARTMENT OF PLANNING

APPLICATION TO THE BOARD OF ADJUSTMENT FOR A VARIANCE

The Board of Adjustment is a local body consisting of volunteers appointed by the Mayor. Its responsibility is to hear appeals from decisions of the City of Chesterfield Department of Planning and to consider requests for variances and exceptions. A variance is an approved departure from the provisions of the zoning requirements for a specific parcel, without changing the zoning ordinance underlying zoning of the parcel. A variance usually is granted only upon demonstration of hardship based on the peculiarity of the property in relation to other properties in the same zone district. For questions about this application, please contact the "Planner of the Day" at 636-537-4733. For information about this and other projects under review by the Department of Planning, please visit "Planning Projects" at www.Chesterfield.mo.us.

Check (✓) the type of variance for which you are applying:

- Area (bulk) variance: A request to allow deviation from the dimensional (i.e. height, bulk yard) requirements of a zoning district.
- Appeal of an Administrative determination

Note: A \$70 fee applies

Please note areas in gray will be completed by the Department of Planning.

We are immediate neighbors to Jim and Nancy Nahlik at 15563 Parasol Dr. in Chesterfield. The Nahlik's wish to replace their deck and we are in total support of the project.

The current deck extends past the edge / side of their home by a few feet. The new proposed deck will **not** have that extension and will provide additional space between our property. Therefore we are in support.

APPLICATION FOR MUNICIPAL ZONING APPROVAL

TO: Department of Public Works
Division of Code Enforcement
St. Louis County Government
41 South Central
Clayton, Missouri 63105

FROM: City of Chesterfield

03-20-09A11:37 RCVD

The City of Chesterfield contracts with the St. Louis County Department of Public Works to provide permitting and inspection services. Review of plans, collection of fees, and issuance of permits are handled by the County. However, before obtaining any permit, or beginning any construction project, a zoning approval must be obtained from the City of Chesterfield.

Zoning approval signifies that the property can be used as requested and that the location of a proposed structure is within the legal limits of the property lines as delineated by regulations contained within the City of Chesterfield Zoning Ordinance. Please be advised that some sites have regulations that are more restrictive as part of conditions of the ordinance governing a particular Planned Commercial District, Planned Industrial District, Estate District, Mixed Use Development District, Conditional Use Permit, Commercial-Industrial Designed Development Procedure, Planned Environmental Development Procedure, or Landmark Preservation Area.

Petitioners are strongly urged to visit the County web site at <http://www.stlouisco.com/pubworks/> or contact the St. Louis County Department of Public Works at (314) 615-7155 for submittal requirements, permitting information and a detailed list of work that does not require a building permit and/or zoning approval

For questions about this application, please contact the "Planner of the Day" at 636-537-4733.

I. APPLICANT INSTRUCTIONS

1. Obtain City of Chesterfield approval;
2. Obtain *Fire District approval; An additional separate permit is required from the fire district.
3. Obtain St. Louis County approval.

***NOTE:** It is the responsibility of the applicant to determine which Fire District covers the project property.

Re: 71-69, 72-

Dear Mr. Kemp:

In scheduling petitions for Public Hearing, the Planning Commission normally anticipates a presentation by petitioner of 15 minutes duration. This limitation should minimize the period for the interested citizens who must wait, for an unreasonable length of time, for a specific petition to be heard. In addition, the setting of a maximum presentation time should aid each petitioner in estimating the probable length of presentation.

Your cooperation in keeping presentations succinct and to the point will, therefore, be appreciated by the Planning Commission, other petitioners and by those members of the public who attend the Public Hearing.

If you feel that more time is necessary for your presentation, please contact A. F. Landers or Ray Pauley at VO 2-6360, Extension 203, or at 111 South Warrenton Ave., Clayton, Missouri, and indicate the amount of time you feel you need to present your proposal.
