Dear Libbey and Friends:

Thank you, for your generous gift of four bags of hand-made comfort bears to help the children and families of the Crisis Nursery. Every day we open our doors to vulnerable children at risk of abuse or neglect. Your support means so much and helps us to provide a safe place for families like Janelle's.

*Janelle and her two little ones were sleeping in a car after they escaped a dangerous domestic violence situation. **Because you care,** the Nursery was there to provide emergency shelter and nurturing care to her babies and parent education and support services so mom could move with her children into a home that was loving, safe and secure.*

From small beginnings come great things.

Proverb

Each year, approximately 7,000 children receive emergency shelter, a medical exam, art & play therapy, food, clothing and toys, as well as loving care in a nurturing environment. You are the key to making this happen!! **THANK YOU!**

As a partner in the prevention of child abuse, you ensure that our children have a safe place when their families are in crisis. Your support and involvement in our mission is truly needed and deeply appreciated.

For the Children,

DiAnne L. Mueller, MS, LPC
Chief Executive Officer

In accordance with IRS regulations, this letter serves to inform you that your gift is tax deductible to the extent allowed by law.
