Tires, bulky wastes (furniture, carpeting)  
Household trash

The first 50 pounds of HHW accepted for drop-off is at no charge to the resident. Any amount of HHW over 50 pounds can be disposed of at a cost to the resident of \$1.00 per pound.

\*NOTE: Latex paint is not a hazardous material, however it can be recycled. HHWSTL offers latex paint recycling as an alternative to trash disposal. Latex paint can be recycled at a cost of \$0.20 per pound (approximately \$2.00 for a full can).

*Proper management of HHW protects your environment and your health.*

- Use safer alternatives when possible.
- Buy only what you need.
- Share leftovers.

*HHWSTL is made possible by a partnership between:*

*Established in 2012, this facility is funded in part by the St. Louis - Jefferson Solid Waste Management District and the Missouri Department of Natural Resources.*
