

Celebrate Pollinators at the Y!

Join Chris Hartley, entomologist at The Butterfly House and original partner of Chesterfield's Community Wildlife Habitat Team, for an exciting evening learning about pollinators and how you can support them at home.

This **FREE** presentation will take place in the West County YMCA's Theater on Wednesday October 12th, 6:30-7:30 p.m.

Come learn how you can make a difference for butterflies and other pollinators. Handouts will be available with recommended native plants for butterflies, and giveaways will include children's National Wildlife Federation "Butterfly Kits," and native wildflower seeds.

Antennaria sp. - Pussytoes

Asclepias tuberosa – Butterfly Milkweed

Calamintha arkansana - Calamint

Echinacea purpurea – Purple Coneflower

Liatris scariosa – Eastern Blazing Star

Monarda fistulosa – Wild Bergamot

Penstemon digitalis – Foxglove Beardtongue

Solidago speciosa – Showy Goldenrod

Symphotrichum oblongifolium – Aromatic Aster

Zizia aptera – Golden Alexander
