A resident driven committee founded in 1990

The **Signature Garden Award** program

Citizens Committee for the Environment (CCE)

CCE strives to improve the **quality of life** for all Chesterfield residents through

- Conservation of resources
- Recycling and E-cycling
- Sustainability
- Environmental awareness
- Engagement of community

The **Signature Garden Award** program

Citizens Committee for the Environment (CCE)

CCE developed the **Signature Garden Award** program for

Engagement of the Community,
(residents, subdivisions, businesses)
in sustainable and wildlife friendly
gardening practices

Citizens Committee for the Environment (CCE)

CCE grants the **Signature Garden Award** specifically for

- Use of **native plantings**
- Providing **Food** sources, **Water**, Cover and **Nesting** places for pollinators
- **Rain water** harvesting
- Composting
- Use of composts
- Discontinuing use of pesticides
- Overall **sustainability** practices

Citizens Committee for the Environment (CCE)

CCE proudly announces

Mr. Harvey and Mrs. Cathy Rosenberg

Winners of the CCE 2017 **Signature Garden Award**

Specifically for

- Use of native plants
- Providing Food sources, water, cover and nesting places for pollinators
- Composting
- Rain water harvesting
- Bird houses and accommodation for the Bees

Visual attractiveness, use of 2 rain barrels, compost pile, mulched beds, and gardens that provide continuous native food sources throughout the year showed the sustainability efforts of Mr. and Mrs. Rosenberg
