### Chesterfield Citizens Committee for the Environment (CCE)

A resident driven committee founded in 1990

### The Signature Garden Award program

**CCE** strives to **improve** the **quality of life** for all **Chesterfield** residents through

- Conservation of resources
- Recycling and E-cycling
- Sustainability
- Environmental awareness
- Engagement of community

**CCE** developed the Signature Garden Award program for

Engagement of the Community, (residents, subdivisions, businesses) in sustainable and wildlife friendly gardening practices

**CCE** grants the **Signature Garden Award** specifically for

- Use of native plantings
- Providing Food sources, Water, Cover and Nesting places for pollinators
- Rain water harvesting
- Composting
- Use of composts
- Discontinuing use of pesticides
- Overall sustainability practices

#### **CCE** proudly announces

Mr. Harvey and Mrs. Cathy Rosenberg Winners of the CCE 2017 Signature Garden Award

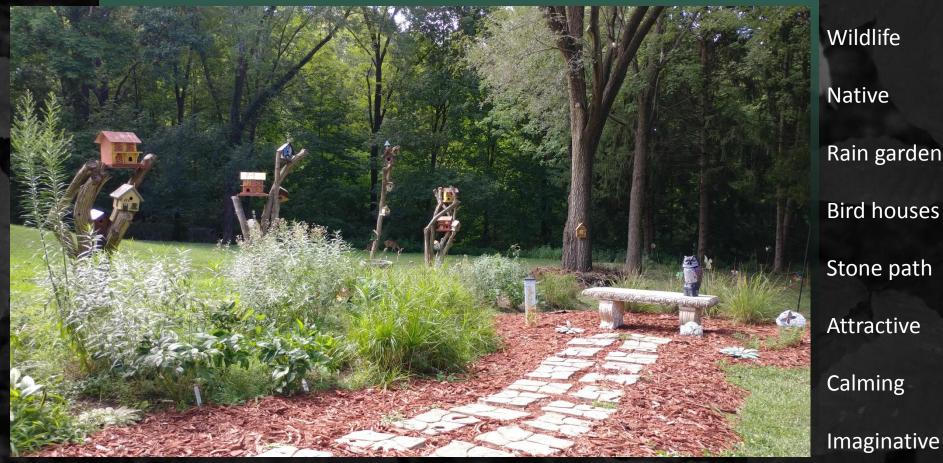

#### Specifically for

- Use of native plants
- Providing Food sources, water, cover and nesting places for pollinators
- Composting
- Rain water harvesting
- Bird houses and accommodation for the Bees

Visual attractiveness, use of 2 rain barrels, compost pile, mulched beds, and gardens that provide continuous native food sources throughout the year showed the sustainability efforts of Mr. and Mrs. Rosenberg
