

Celebrate Pollinators at the Y!

Join Chris Hartley, entomologist at The Butterfly House and original partner of Chesterfield's Community Wildlife Habitat Team, for an exciting evening learning about pollinators and how you can support them at home.

This **FREE** presentation will take place in the Chesterfield Family YMCA's Theater on Wednesday October 4th, 6:30-7:30 p.m.

Come learn how you can make a difference for butterflies and other pollinators. Handouts will be available with recommended native plants for butterflies and tips for sustainable gardening.

Giveaways will include native wildflower seeds for your home garden, while supplies last.
