Planning Commission Staff Report

Project Type: Site Development Plan Submittal Time Extension

Meeting Date: January 13, 2014

From: John Boyer
 Senior Planner

Location: 318 N. Eatherton Road

Description: **P.Z. 04-2012 318 N. Eatherton Road: (Time Extension)**: A request for a six (6) month extension of time for the submittal of a Site Development Plan for a 1.049 acre tract of land zoned “PI” Planned Industrial District located ¼ mile southeast of the intersection of Wings Corporate Drive and North Eatherton Road (18W410026).

PROPOSAL SUMMARY

Tim Meyer of Volz Inc., on behalf of Jim Busch (property owner) has submitted a request for a six (6) month extension of time to submit a Site Development Plan for City review associated with P.Z. 04-2012 318 N. Eatherton Rd. The Planning and Development Services Division has reviewed the request and submits the following report.

LAND USE AND ZONING HISTORY OF SUBJECT SITE

The subject site was zoned “NU” Non-Urban District prior to the incorporation of the City of Chesterfield. The original use of the land was residential until 2011 when the house was demolished. The site remained vacant until Fullmer Yard Works occupied the space in February of 2012. In June of 2012, the site was rezoned from “NU” to “PI” Planned Industrial District via Ordinance 2705. Ordinance 2705 is the governing ordinance for the site.

Surrounding Land Use and Zoning

Direction	Land Use	Zoning
North	Undeveloped	“NU” Non-Urban
South	Spirit of St. Louis Airpark	“NU” Non-Urban
East	Undeveloped	“NU” Non-Urban
West	Agricultural	City of Wildwood

SUBMITTAL INFORMATION

On June 18, 2012, the City of Chesterfield approved Ordinance #2705 for a rezoning of the subject property from “NU” Non-Urban District to a “PI” Planned Industrial District. Associated with the approval, a condition of the Ordinance was that a Site Development Plan was required to be submitted for review within eighteen (18) months from approval of the Ordinance. Eighteen (18) months from the date of approval was December 18, 2013.

Staff contacted the property owner on October 11, 2013 concerning this ordinance requirement. In addition to notifying the property owner of the deadline requirement, Staff also conducted a site inspection to ensure compliance with City Code and Ordinance 2705. While on-site, Staff noticed a nursery business in operation. While Ordinance 2705 permitted this use category, improvements such as greenhouses, and storage sheds, etc. cannot be erected without approval of a Site Development Plan and necessary permits. Staff advised the Applicant of this which is why they are before the Planning Commission now. The applicant needs this time extension to complete discussions with the tenant and abate the existing site violations.

While site violations exist with the placement of structures without proper approval, the extension of the deadline for submittal of Site Development Plan for City review would assist in bringing this site into compliance with City Code and Ordinance 2705. Once a Site

Development Plan could be submitted and reviewed, permits and necessary licensing could be established to bringing the existing site into compliance. Therefore, Staff is recommending approval of this request. If approved, and the Applicant fails to continue working with the City and does not submit a site plan in for review, citations will be issued and this matter turned over to municipal court.

The request letter from the applicant is attached to this report and provides details for this request.

DEPARTMENTAL INPUT

Staff has completed our review of the request for an extension of time for the submittal of a Site Development Plan. Based upon this review, Staff believes a six (6) month extension to submit a Site Development Plan as requested by the applicant is appropriate. **If approved, the time extension would be valid until July 13, 2014.** However, if no Site Development Plan is submitted within the extended time, if granted by the Planning Commission, the property will be in violation of City Code and Ordinance 2705 and Staff will begin to issue citations for all site violations.

MOTION

The following options are provided to the Planning Commission for consideration relative to this application:

- 1) "I move to approve (or deny) the request for a six (6) month extension of time to submit a Site Development Plan for P.Z. 04-2012 318 N. Eatherton Road."
- 2) "I move to approve the request for a six (6) month extension of time to submit a Site Development Plan for P.Z. 04-2012 318 N. Eatherton Road with the following conditions..."
(Conditions may be added, eliminated, altered or modified)

Cc: Aimee Nassif, Planning and Development Services Director

City of Chesterfield Ordinance 2705

December 3, 2013

Mr. John Boyer
Senior Planner
City of Chesterfield
690 Chesterfield Pkwy W
Chesterfield MO 63017

RE: 318 N. Eatherton Road

Dear Mr. Boyer,

Mr. Jim Busch is in receipt of your letter dated October 11, 2013 in reference to the subject property that outlines the conditions of the original zoning approval. Mr. Busch is currently in discussion with the existing tenant of the property to understand his short and long term needs with respect to facility requirements. These needs will impact the layout of the Site Development Plan that is required to be submitted by December 18, 2013. In an effort to make sure the layout will meet both the tenant's short and long term needs we would like to request a 6 month extension to the Site Development submittal deadline so we can finalize our planning for the site and lease negotiations with the tenant in this regard.

Thank you for your consideration in the matter. Please feel free to call with any questions.

Sincerely,

A handwritten signature in black ink that reads "Timothy J Meyer". The signature is written in a cursive, flowing style.

Timothy J Meyer P.E.

Cc: Jim Busch
Thomas A. Federer

AN ORDINANCE AMENDING THE ZONING ORDINANCE OF THE CITY OF CHESTERFIELD BY CHANGING THE BOUNDARIES OF AN "NU" NON-URBAN DISTRICT TO A "PI" PLANNED INDUSTRIAL DISTRICT FOR A 1.049 ACRE TRACT OF LAND LOCATED ¼ MILE SOUTHEAST OF THE INTERSECTION OF WINGS CORPORATE DRIVE AND NORTH EATHERTON ROAD. (18W410026 {P.Z. 04-2012 318 NORTH EATHERTON, TIMOTHY MEYER}).

WHEREAS, Volz Inc., on behalf of James Busch, has requested a change in zoning from "NU" Non-Urban District to "PI" Planned Industrial District for a 1.049 acre tract of land located ¼ mile southeast of the intersection of Wings Corporate Drive and North Eatherton Road; and,

WHEREAS, a Public Hearing was held before the Planning Commission on April 23, 2012; and,

WHEREAS, the Planning Commission, having considered said request, recommended approval of the change of zoning; and,

WHEREAS, the Planning and Public Works Committee, having considered said request, recommended approval of the change of zoning with an amendment to the permitted uses; and,

WHEREAS, the City Council, having considered said request voted to approve the change of zoning request with the amendment to the permitted uses.

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHESTERFIELD, ST. LOUIS COUNTY, MISSOURI, AS FOLLOWS:

Section 1. City of Chesterfield Zoning Ordinance and the Official Zoning District Map, which are part thereof, are hereby amended by establishing a "PI" Planned Industrial District for a 1.049 acre tract of land located at 318 North Eatherton Road and as described as follows:

A Tract of land in U.S. Survey 362, Township 45 North – Range 3 East, St. Louis County, Missouri and being more particularly described as:

Beginning at the intersection of the East line of Eatherton Road, 40 feet wide, with South line of property formerly of Joseph J. Bauer and wife as described in Book 3960 page 159 of the St. Louis County records; thence Northwardly along said East line of Eatherton Road North 12 degrees 02 minutes 00 seconds West 219.61 feet to the Northwest corner of property described in deed to James F. Busch and wife, Trustees, recorded in Book

11722 page 1410 of the St. Louis County records; thence Eastwardly along the North line of said last mentioned Busch property North 82 degrees 39 minutes 48 seconds East 217.25 feet to the Northeast corner thereof; thence Southwardly along the East line of said Busch property South 12 degrees 02 minutes 00 seconds East 202.42 feet to a point in the aforesaid South line of property formerly of Joseph J. Bauer and wife; thence Westwardly along said South line South 78 degrees 07 minutes 31 seconds West 216.52 feet to the point of beginning and containing 1.049 acres according to a survey by Volz Incorporated dated June 15, 2009.

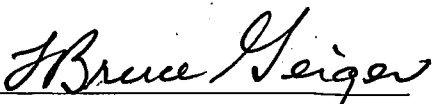

Section 2. The preliminary approval, pursuant to the City of Chesterfield Zoning Ordinance is granted, subject to all of the ordinances, rules and regulations and the specific conditions as recommended by the Planning Commission in its recommendation to the City Council, which are set out in the Attachment "A" and the preliminary plan labeled "Attachment B" which is attached hereto as and made part of.

Section 3. The City Council, pursuant to the petition filed by Volz Inc. in P.Z. 04-2012, requesting the amendment embodied in this ordinance, and pursuant to the recommendation of the City of Chesterfield Planning Commission that said petition be granted and after a public hearing, held by the Planning Commission on the 23rd day of April 2012, does hereby adopt this ordinance pursuant to the power granted to the City of Chesterfield under Chapter 89 of the Revised Statutes of the State of Missouri authorizing the City Council to exercise legislative power pertaining to planning and zoning.

Section 4. This ordinance and the requirements thereof are exempt from the warning and summons for violations as set out in Section 1003.410 of the Zoning Ordinance of the City of Chesterfield.

Section 5. This ordinance shall be in full force and effect from and after its passage and approval.

Passed and approved this 18th day of June, 2012

MAYOR

ATTEST:

CITY CLERK

FIRST READING HELD: June 4, 2012

ATTACHMENT A

All provisions of the City of Chesterfield City Code shall apply to this development except as specifically modified herein.

I. SPECIFIC CRITERIA

A. PERMITTED USES

1. The uses allowed in this "PI" Planned Industrial District shall be:
 - a. Cultivation and sale of plant crops, commercial vegetable and flower gardening as well as plant nurseries and greenhouses.
 - b. Yard for storage of contractors' equipment, materials, and supplies.
2. Hours of Operation.
 - a. Hours of operation for this "PI" Planned Industrial District shall not be restricted.
3. The above uses in the "PI" Planned Industrial District shall be restricted as follows:
 - a. All areas used for outdoor storage will be screened as approved by the Planning Commission.

B. FLOOR AREA, HEIGHT, BUILDING AND PARKING STRUCTURE REQUIREMENTS

1. Floor Area
 - a. Total building floor area shall not exceed 25,000 square feet.
2. Height
 - a. The maximum height of the building, exclusive of roof screening, shall not exceed thirty-five (35) feet.
3. Building Requirements
 - a. A minimum of thirty-five percent (35%) openspace is required for this development.
 - b. This development shall have a maximum F.A.R. of .55.

C. SETBACKS

1. Structure Setbacks

No building or structure, other than: a freestanding project identification sign, light standards, or flag poles will be located within the following setbacks:

- a. Thirty (30) feet from the right-of-way of Eatherton Road on the western boundary of the "PI" Planned Industrial District.
- b. Ten (10) feet from the northern boundary of the "PI" Planned Industrial District.
- c. Ten (10) feet from the eastern boundary of the "PI" Planned Industrial District.
- d. Ten (10) feet from the southern boundary of the "PI" Planned Industrial District.

2. Parking Setbacks

No parking stall, loading space, internal driveway, or roadway, except points of ingress or egress, will be located within the following setbacks:

- a. Thirty (30) feet from the right-of-way of Eatherton Road.
- b. Zero (0) feet from the northern boundary of the "PI" Planned Industrial District.
- c. Ten (10) feet from the eastern boundary of the "PI" Planned Industrial District.
- d. Ten (10) feet from the southern boundary of the "PI" Planned Industrial District.

D. PARKING AND LOADING REQUIREMENTS

1. Parking and loading spaces for this development will be as required in the City of Chesterfield Code.
2. Construction Parking
 - a. The streets surrounding this development and any street used for construction access thereto shall be cleaned throughout the day. The developer shall keep the road clear of mud and debris at all times.
 - b. Provide adequate off-street stabilized parking area(s) for construction employees and a washdown station for construction vehicles entering and

leaving the site in order to eliminate the condition whereby mud from construction and employee vehicles is tracked onto the pavement causing hazardous roadway and driving conditions.

3. Parking lots shall not be used as streets.

E. LANDSCAPE AND TREE REQUIREMENTS

The developer shall adhere to the Landscape and Tree Preservation Requirements of the City of Chesterfield Code.

F. SIGN REQUIREMENTS

1. Signs shall be permitted in accordance with the regulations of the City of Chesterfield Code or a Sign Package may be submitted for the planned district. Sign Packages shall adhere to the City Code and are reviewed and approved by the City of Chesterfield Planning Commission.
2. Ornamental Entrance Monument construction, if proposed, shall be reviewed by the City of Chesterfield, and/or the St. Louis County Department of Highways and Traffic (or MoDOT), for sight distance considerations prior to installation or construction.

G. LIGHT REQUIREMENTS

Provide a lighting plan and cut sheet in accordance with the City of Chesterfield Code.

H. ARCHITECTURAL

1. The developer shall adhere to the Architectural Review Standards of the City of Chesterfield Code.
2. Trash enclosures: All exterior trash areas will be enclosed with a minimum six (6) foot high sight-proof enclosure complemented by adequate landscaping. The location, material, and elevation of any trash enclosures will be as approved by the City of Chesterfield on the Site Development Plan.

I. ACCESS/ACCESS MANAGEMENT

Access to this development from Eatherton Road shall be via one commercial entrance located to provide required sight distance and constructed to Saint Louis County standards as directed by the Saint Louis County Department of Highways and Traffic.

J. PUBLIC/PRIVATE ROAD IMPROVEMENTS, INCLUDING PEDESTRIAN CIRCULATION

1. If a gate is installed on a street in this development, the streets within the development, or that portion of the development that is gated, shall be private and remain private forever.
2. Improve Eatherton Road to a sixty (60) foot right-of-way and a thirty-eight (38) width pavement with seven (7) foot shoulders with required tapers and including all storm drainage facilities as directed by the Saint Louis County Department of Highways and Traffic.
3. If required sight distance cannot be provided at the access locations, acquisition of right-of-way, reconstruction of pavement including correction to the vertical alignment and other off-site improvements may be required to provide adequate sight distance as directed by the Saint Louis County Department of Highways and Traffic.
4. A five (5) foot wide sidewalk shall be installed along the Eatherton Road frontage. The sidewalk shall be located within a six (6) foot wide easement as directed by the City of Chesterfield. Said sidewalk and easement shall allow for public access across the site and the sidewalk shall be maintained by the property owner. All pedestrian facilities shall adhere to the 2010 ADA Standards for Accessible Design or most current, specifically regarding the site arrival points. Internal sidewalks shall connect to frontage pedestrian access.
5. The developer is advised that utility companies will require compensation for relocation of their facilities with public road right-of-way. Utility relocation cost shall not be considered as an allowable credit against the petitioner's traffic generation assessment contributions. The developer should also be aware of extensive delays in utility company relocation and adjustments. Such delays will not constitute a cause to allow occupancy prior to completion of road improvements.

K. POWER OF REVIEW

The Mayor or a Councilmember of the Ward in which a development is proposed may request that the Site Development Plan be reviewed and approved by the entire City Council. This request must be made no later than 24 hours before posting the agenda for the next City Council meeting after Planning Commission review and approval of the Site Development Plan. The City Council will then take appropriate action relative to the proposal.

L. STORMWATER AND FLOODPLAIN

1. The site shall provide for the positive drainage of storm water and it shall be discharged at an adequate natural discharge point or connected to an adequate piped system.
2. Detention/retention and channel protection measures are to be provided in each watershed as required by the City of Chesterfield. The storm water management facilities shall be operational prior to paving of any driveways or parking areas in non-residential development or issuance of building permits exceeding sixty percent (60%) of approved dwelling units in each plat, watershed or phase of residential developments. The location and types of storm water management facilities shall be identified on the Site Development Plan(s).
3. The Chesterfield Valley Master Storm Water Plan indicates a twenty (20) foot wide flat bottom ditch with four (4) foot horizontal to one (1) foot vertical side slopes shall be constructed for 100 feet along the west property line (Eatherton Road frontage). The channel is to begin at the southwest corner of the property and extend 100 feet to the north along Eatherton Road. The developer shall be responsible for construction of the required storm water improvements and coordination with the owners of the properties affected by construction of the required improvements. In the event that the ultimate required improvements cannot be constructed concurrently with this development, the developer shall provide interim drainage facilities and establish sufficient escrows as guarantee of future construction of the required improvements, including removal of interim facilities. Interim facilities shall be sized to handle runoff from the 100-year, 24-hour storm event as produced by the Master Storm Water Plan model. The interim facilities shall provide positive drainage and may include a temporary pump station, if necessary. Interim facilities shall be removed promptly after the permanent storm water improvements are constructed. The developer may elect to propose alternate geometry, size and/or type of storm water improvements that are functionally equivalent to the required improvements. Functional equivalence is said to be achieved when, as determined by the Public Works Director, the alternate proposal provides the same hydraulic function, connectivity, and system-wide benefits without adversely affecting any of the following: water surface profiles at any location outside the development; future capital expenditures; maintenance obligations; equipment needs; frequency of maintenance; and probability of malfunction. The City will consider, but is not obligated to accept, the developer's alternate plans. If the Public Works Director determines that the developer's proposal may be functionally equivalent to the Chesterfield Valley Master Storm Water Plan improvements, hydraulic routing calculations will be performed to make

a final determination of functional equivalence. The Public Works Director will consider the developer's proposal, but is not obligated to have the hydraulic analysis performed if any of the other criteria regarding functional equivalence will not be met. The hydraulic routing calculations regarding functional equivalence may be performed by a consultant retained by the City of Chesterfield. The developer shall be responsible for all costs related to consideration of an alternate proposal, which shall include any costs related to work performed by the consultant.

4. Provide a Chesterfield Valley Storm Water Easement along the west property line (Eatherton Road frontage) to accommodate the future construction of the Chesterfield Valley Master Storm Water Plan channel in that area, and depict the channel on the site development plan and improvement plans. Maintenance of the required channel shall be the responsibility of the property owner.
5. All Chesterfield Valley Master Storm Water Plan improvements shall be operational prior to the paving of any driveways or parking areas.

M. GEOTECHNICAL REPORT

1. Provide a geotechnical report, prepared by a professional engineer licensed in the State of Missouri, as directed by the Department of Planning, Public Works and Parks, prior to site disturbance including surcharge, clearing, grading, site utilities and infrastructure or building construction. The geotechnical report shall identify the suitability of soil and geologic conditions for proposed improvements and shall include methods to address any ponds, septic fields, sinkholes, wetlands, compressible soils, steep slopes, or liquefaction risk. A statement of report compliance signed and sealed by the engineer preparing the geotechnical report, shall be included on all Site Development Plans, grading plans, and improvement plans, as directed by the Department of Planning Public Works and Parks.
2. Prior to Site Development Plan approval, provide a geotechnical report, prepared by a registered professional engineer licensed to practice in the State of Missouri, as directed by the Department of Planning, Public Works and Parks. The report shall verify the suitability of grading and proposed improvements with soil and geologic conditions and address the existence of any potential sinkhole, ponds, dams, septic fields, etc., and recommendations for treatment. A statement of compliance, signed and sealed by the geotechnical engineer preparing the report, shall be included on all Site Development Plans and improvement plans.

N. MISCELLANEOUS

All utilities will be installed underground.

II. TIME PERIOD FOR SUBMITTAL OF SITE DEVELOPMENT CONCEPT PLANS AND SITE DEVELOPMENT PLANS

- A.** The developer shall submit a concept plan within eighteen (18) months of City Council approval of the change of zoning.
- B.** In lieu of submitting a Site Development Concept Plan and Site Development Section Plans, the petitioner may submit a Site Development Plan for the entire development within eighteen (18) months of the date of approval of the change of zoning by the City.
- C.** Failure to comply with these submittal requirements will result in the expiration of the change of zoning and will require a new public hearing.
- D.** Said Plan shall be submitted in accordance with the combined requirements for Site Development Section and Concept Plans. The submission of Amended Site Development Plans by sections of this project to the Planning Commission shall be permitted if this option is utilized.
- E.** Where due cause is shown by the developer, this time interval for plan submittal may be extended through appeal to and approval by the Planning Commission.

III. COMMENCEMENT OF CONSTRUCTION

- A.** Substantial construction shall commence within two (2) years of approval of the Site Development Concept Plan or Site Development Plan, unless otherwise authorized by ordinance.
- B.** Where due cause is shown by the developer, the Commission may extend the period to commence construction for not more than one additional year.

IV. GENERAL CRITERIA

A. SITE DEVELOPMENT PLAN SUBMITTAL REQUIREMENTS

The Site Development Plan shall include, but not be limited to, the following:

- 1. Location map, north arrow, and plan scale. The scale shall be no greater than one (1) inch equals one hundred (100) feet.
- 2. Outboundary plat and legal description of property.

3. Density calculations.
4. Parking calculations. Including calculation for all off street parking spaces, required and proposed, and the number, size and location for handicap designed.
5. Provide openspace percentage for overall development including separate percentage for each lot on the plan.
6. Provide Floor Area Ratio (F.A.R.).
7. A note indicating all utilities will be installed underground.
8. A note indicating signage approval is separate process.
9. Depict the location of all buildings, size, including height and distance from adjacent property lines, and proposed use.
10. Specific structure and parking setbacks along all roadways and property lines.
11. Indicate location of all existing and proposed freestanding monument signs.
12. Zoning district lines, subdivision name, lot number, dimensions, and area, and zoning of adjacent parcels where different than site.
13. Floodplain boundaries.
14. Depict existing and proposed improvements within 150 feet of the site as directed. Improvements include, but are not limited to, roadways, driveways and walkways adjacent to and across the street from the site, significant natural features, such as wooded areas and rock formations, and other karst features that are to remain or be removed.
15. Depict all existing and proposed easements and rights-of-way within 150 feet of the site and all existing or proposed off-site easements and rights-of-way required for proposed improvements.
16. Indicate the location of the proposed storm sewers, detention basins, sanitary sewers and connection(s) to the existing systems.
17. Depict existing and proposed contours at intervals of not more than one (1) foot, and extending 150 feet beyond the limits of the site as directed.
18. Address trees and landscaping in accordance with the City of Chesterfield Code.

19. Comply with all preliminary plat requirements of the City of Chesterfield Subdivision Regulations per the City of Chesterfield Code.
20. Signed and sealed in conformance with the State of Missouri Department of Economic Development, Division of Professional Registration, Missouri Board for Architects, Professional Engineers and Land Surveyors requirements.
21. Provide comments/approvals from the appropriate Fire District, Monarch Levee District, Spirit of St. Louis Airport and the Missouri Department of Transportation.
22. Compliance with Sky Exposure Plane.
23. Compliance with the current Metropolitan Sewer District Site Guidance as adopted by the City of Chesterfield.

V. TRUST FUND CONTRIBUTION

The developer shall be required to contribute to the **Chesterfield Valley Trust Fund (No. 556)**. Traffic generation assessment contributions shall be deposited with St. Louis County prior to the issuance of building permits. If development phasing is anticipated, the developer shall provide the traffic generation assessment contribution prior to issuance of building permits for each phase of development.

A. ROADS

The roadway improvement contribution is based on land and building use. The roadway contributions are necessary to help defray the cost of engineering, right-of-way acquisition, and major roadway construction in accordance with the Chesterfield Valley Road Improvement Plan on file with the St. Louis County Department of Highways and Traffic. The amount of the developer's contribution to this fund shall be computed based on the following:

<u>Type of Development</u>	<u>Required Contribution</u>
TGA Category	Contribution
General Office	\$611.88
General Retail	\$1,835.75
Loading Space	\$3,003.97

(Parking spaces as required by the City of Chesterfield Code.)

If types of development differ from those listed, St. Louis County Department of Highways and Traffic will provide rates.

If a portion of the improvements required herein are needed to provide for the safety of the traveling public, their completion as a part of this development is mandatory.

Credits for roadway improvements required will be awarded as directed by St. Louis County Highways and Traffic. Any portion of the roadway improvement contribution that remains, following completion of road improvements required by the development, shall be retained in the appropriate Trust Fund. Credits for roadway improvements will be as approved by the City of Chesterfield and/or St. Louis County Department of Highways and Traffic.

Allowable credits for required roadway improvements will be awarded as directed by the Saint Louis County Department of Highways and Traffic and the City of Chesterfield. Sidewalk construction and utility relocation, among other items, are not considered allowable credits.

The roadway improvement contribution shall be deposited with the St. Louis County Department of Highways and Traffic. The deposit shall be made before the issuance of any Special Use Permit (SUP) by St. Louis County Highways and Traffic or a Building Permit by St. Louis County Public Works Department. Funds shall be payable to "Treasurer, St. Louis County."

As this development is located within a trust fund area established by Saint Louis County, any portion of the traffic generation assessment contribution which remains following completion of road improvements required by the development shall be retained in the appropriate trust fund.

Traffic generation assessment contributions shall be deposited with Saint Louis County prior to the issuance of building permits. If development phasing is anticipated, the developer shall provide the traffic generation assessment contribution prior to issuance of building permits for each phase of development. Funds shall be payable to Treasurer, Saint Louis County.

The amount of these required contributions for the roadway, storm water and primary water line improvements, if not submitted by January 1, 2013 shall be adjusted on that date and on the first day of January in each succeeding year thereafter in accordance with the construction cost index as determined by the Saint Louis County Department of Highways and Traffic.

B. WATER MAIN

The primary water line contribution is based on gross acreage of the development land area. The contribution shall be a sum of \$738.53 per acre for the total area as approved on the Site Development Plan to be used solely to help defray the cost of constructing the primary water line serving the Chesterfield Valley area.

The primary water line contribution shall be deposited with the Saint Louis County Department of Highways and Traffic. The deposit shall be made before St. Louis County approval of the Site Development Plan unless otherwise directed by the Saint Louis County Department of Highways and Traffic. Funds shall be payable to the Treasurer, Saint Louis County.

C. STORMWATER

The storm water contribution is based on gross acreage of the development land area. These funds are necessary to help defray the cost of engineering and construction improvements for the collection and disposal of storm water from the Chesterfield Valley in accordance with the Master Plan on file with and jointly approved by Saint Louis County and the Metropolitan Saint Louis Sewer District. The amount of the storm water contribution will be computed based on \$2,342.53 per acre for the total area as approved on the Site Development Plan. The storm water contributions to the Trust Fund shall be deposited with the Saint Louis County Department of Highways and Traffic. The deposit shall be made before the issuance of a Special Use Permit (S.U.P.) by Saint Louis County Department of Highways and Traffic or before the issuance of building permits in the case where no Special Use Permit is required. Funds shall be payable to the Treasurer, Saint Louis County.

Relative to this petition, we request that the following grading condition and stormwater control requirements be met:

1. Traffic generation assessment contributions shall be deposited with Saint Louis County prior to the issuance of building permits. If development phasing is anticipated, the developer shall provide the traffic generation assessment contribution prior to issuance of building permits for each phase of development.
2. Prior to Special Use Permit issuance by the Saint Louis County Department of Highways and Traffic, a special cash escrow or a special escrow supported by an Irrevocable Letter of Credit, must be established with the Saint Louis County Department of Highways and Traffic to guarantee completion of the required roadway improvements.

3. Provide adequate temporary off-street parking for construction employees. Parking on non-surfaced areas shall be prohibited in order to eliminate the condition whereby mud from construction and employee vehicles is tracked onto the pavement causing hazardous roadway and driving conditions.

D. SANITARY SEWER

The sanitary sewer contribution is collected as the Caulks Creek impact fee.

The sanitary sewer contribution within Chesterfield Valley area shall be deposited with the Metropolitan St. Louis Sewer District as required by the District.

The amount of these required contributions for the roadway, storm water and primary water line improvements, if not submitted by January 1, 2013, shall be adjusted on that date and on the first day of January in each succeeding year thereafter in accordance with the construction cost index as determined by the Saint Louis County Department of Highways and Traffic.

Trust Fund contributions shall be deposited with St. Louis County in the form of a cash escrow prior to the issuance of building permits.

VI. RECORDING

Within sixty (60) days of approval of any development plan by the City of Chesterfield, the approved Plan will be recorded with the St. Louis County Recorder of Deeds. Failure to do so will result in the expiration of approval of said plan and require re-approval of a plan by the Planning Commission.

VII. ENFORCEMENT

- A. The City of Chesterfield, Missouri will enforce the conditions of this ordinance in accordance with the Plan approved by the City of Chesterfield and the terms of this Attachment A.
- B. Failure to comply with any or all the conditions of this ordinance will be adequate cause for revocation of approvals/permits by reviewing Departments and Commissions.
- C. Non-compliance with the specific requirements and conditions set forth in this Ordinance and its attached conditions or other Ordinances of the City of Chesterfield shall constitute an ordinance violation, subject, but not limited to, the penalty provisions as set forth in the City of Chesterfield Code.

D. Waiver of Notice of Violation per the City of Chesterfield Code.

E. This document shall be read as a whole and any inconsistency to be integrated to carry out the overall intent of this Attachment A.

ALL EXISTING TREES TO REMAIN
STORMWATER SHALL BE DISCHARGED AT AN ADEQUATE NATURAL DISCHARGE POINT. SINKHOLES ARE NOT ADEQUATE NATURAL DISCHARGE POINTS

THE ENGINEER HAS REVIEWED THE SURVEY AND THE PLAN AND HAS FOUND THEM TO BE CORRECT AND ACCURATE. THE ENGINEER DOES NOT GUARANTEE THE ACCURACY OF THE SURVEY OR THE PLAN. THE ENGINEER'S RESPONSIBILITY IS LIMITED TO THE PROFESSIONAL SERVICES RENDERED. THE CLIENT SHALL BE RESPONSIBLE FOR VERIFYING THE ACTUAL LOCATION OF ALL UTILITIES AND STRUCTURES. THE ENGINEER SHALL NOT BE RESPONSIBLE FOR ANY DAMAGE TO OR DESTRUCTION OF UTILITIES OR STRUCTURES. THE ENGINEER SHALL NOT BE RESPONSIBLE FOR ANY DAMAGE TO OR DESTRUCTION OF THE PROPERTY OR PERSONS. THE ENGINEER SHALL NOT BE RESPONSIBLE FOR ANY DAMAGE TO OR DESTRUCTION OF THE ENVIRONMENT. THE ENGINEER SHALL NOT BE RESPONSIBLE FOR ANY DAMAGE TO OR DESTRUCTION OF THE PUBLIC SAFETY AND DAMAGE PREVENTION ACT, CHAPTER 519, RSMO.

THIS PLAN IS A CORRECT REPRESENTATION OF ALL EXISTING AND PROPOSED LAND DIVISIONS. IN THE PREPARATION OF THIS PLAN, NO GRADING BALANCES HAVE BEEN DONE AND THIS PRELIMINARY DEVELOPMENT PLAN IS SUBJECT TO THAT WHICH A MORE DETAILED EVALUATION MAY INDICATE. SOILS AND SUBSURFACE INFORMATION HAVE NOT BEEN AVAILABLE AND HENCE NOT TAKEN INTO ACCOUNT. ZONING DENSITY IS ASSUMED. THE LOCATION, CAPACITY AND AVAILABILITY OF UTILITIES ARE TAKEN FROM AVAILABLE INFORMATION WITHOUT VERIFICATION. ACCORDINGLY, THE UNDERSIGNED DISCLAIMS RESPONSIBILITY FOR THE ACCURACY OF THE AFORESAID MATTERS FOR DILIGENCE THAT WOULD BE NECESSARY TO ADDRESS ALL OTHER ISSUES OF DEVELOPMENT.

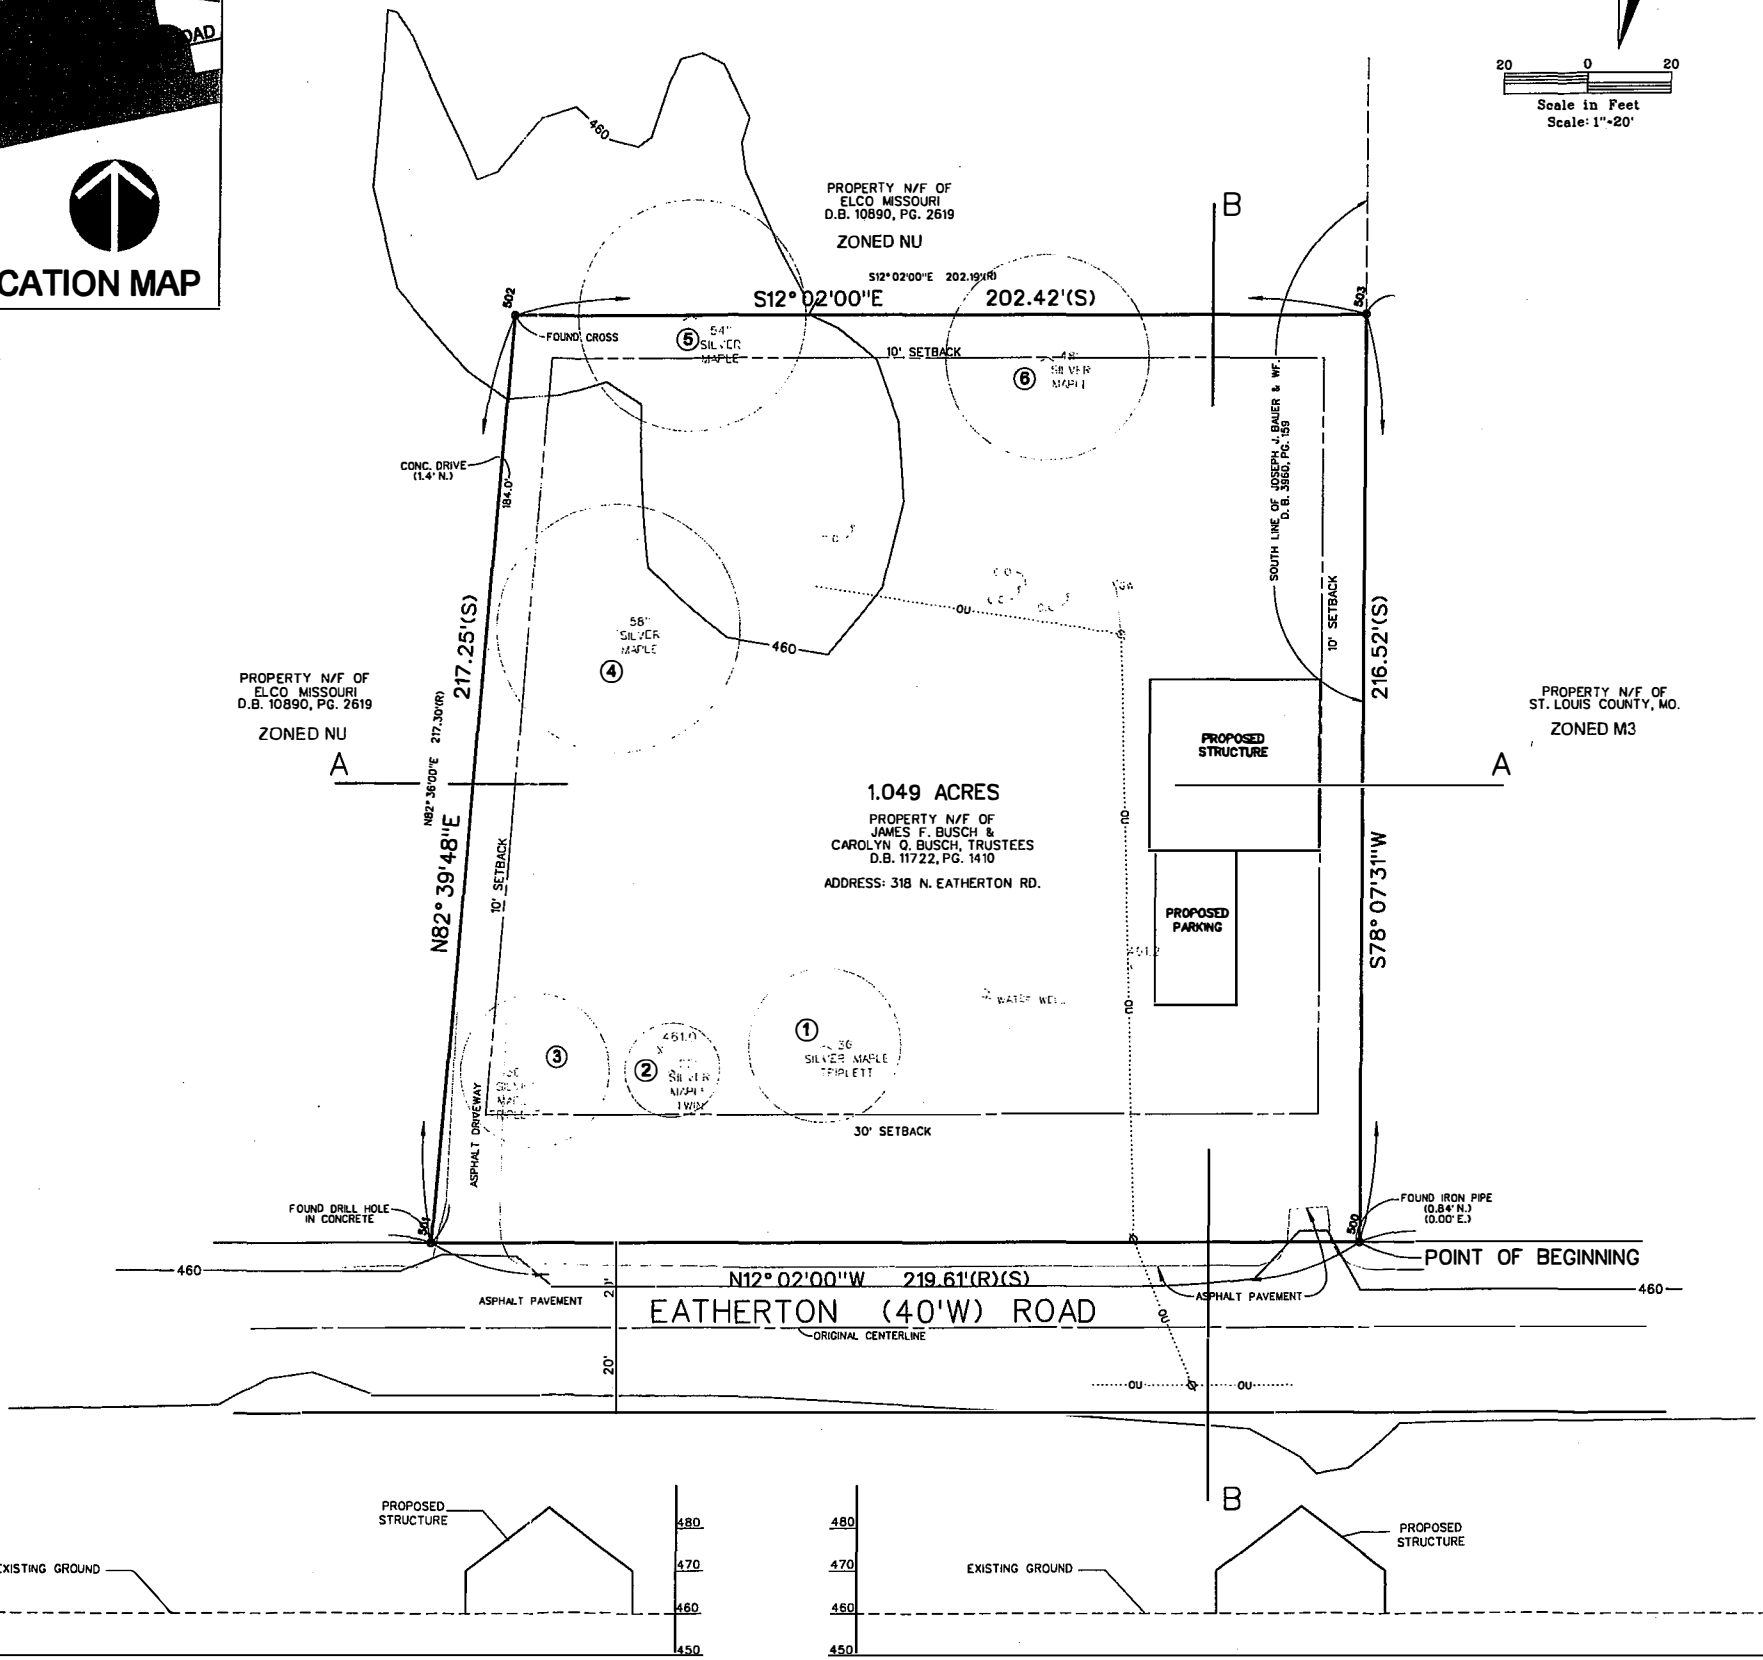

TIMOTHY J. MEYER, P.E.
 PROFESSIONAL ENGINEER
 E-24615
ERIC J. KERBY, P.L.S.
 PROFESSIONAL LAND SURVEYOR
 P.L.S. #200500074

A tract of land in U.S. Survey 362, Township 45 North - Range 3 East, St. Louis County, Missouri and being more particularly described as:
 Beginning at the intersection of the East line of Eatherton Road, 40 feet wide, with the South line of property formerly of Joseph J. Bauer and wife as described in Book 3960 page 159 of the St. Louis County records; thence Northwardly along said East line of Eatherton Road North 12 degrees 02 minutes 00 seconds West 219.61 feet to the Northwest corner of property described in deed to James F. Busch and wife, Trustees, recorded in Book 11722 page 1410 of the St. Louis County records; thence Eastwardly along the North line of said last mentioned Busch property North 82 degrees 39 minutes 48 seconds East 217.25 feet to the Northeast corner thereof; thence Southwardly along the East line of said Busch property South 12 degrees 02 minutes 00 seconds East 202.42 feet to a point in the aforesaid South line of property formerly of Joseph J. Bauer and wife; thence Westwardly along said South line South 78 degrees 07 minutes 31 seconds West 216.52 feet to the point of beginning and containing 1.049 acres according to a survey by Volz Incorporated dated June 15, 2009.

CALL MISSOURI ONE CALL SYSTEMS INC. TWO FULL WORKING DAYS IN ADVANCE OF STARTING WORK.
