SUBJECT: Parking Restriction – Clarkson Woods Drive

We have received a request from the trustees of the Clarkson Woods subdivision to restrict parking on Clarkson Woods Drive from Clarkson Road to Federal Way. The restriction would be from 8 a.m. to 10 a.m., and from 2:30 p.m. to 3:30 p.m. on school days. As you know from past requests regarding parking restrictions in this area, students from nearby Marquette High School park along the street during the school day.

The initial letter dated October 10, 2011 that was submitted by the trustees requested the restriction be placed on several other streets within the subdivision. However, the trustees did not have enough signatures from adjacent residents as required by City Policy Statement No. 45. They revised their request in their letter dated December 29, 2011 to include just that portion of Clarkson Woods Drive from Clarkson Road to Federal Way. [We have reviewed and verified that they do have the required signatures to satisfy the policy.]

Therefore, Staff requests that this item be placed on the next agenda of the Planning & Public Works Committee.

If you need additional information or have any questions please advise.

City of Chesterfield
Attention: Brian K McGownd
Public Works Director

Dear Mr. McGownd,

This is to confirm that Clarkson Woods subdivision would like to request the installation of the no parking signs on Clarkson Woods Drive. It is our understanding that we have met the guidelines for the signs and the City has approved them.

Can you please let us know that you have received this and any idea as to when the signs will be installed? Thank you for your assistance in this matter.

Sincerely,

RE: Street Parking Clarkson Woods Subdivision

Dear Mr. Herring:

Attached to this letter is a petition from residents of Clarkson Woods subdivision who are being affected by week-day parking of Marquette High School students along the residential streets. Streets mainly affected are Federal Way Drive, Hunters Way Drive and Clarkson Woods Drive from the entrance at Clarkson Road to Hunters Way Drive.

Recent complaints from some neighbors indicate that this has become an inconvenience/nuisance for these residents and in some cases the parking is up on the curb/grass. In the case of Clarkson Woods Drive, it can pose a danger as the entrance and exit from Clarkson Road is around a curve and hard to see.

Like our neighboring subdivision Clarkson Woods South, we would like to have No Parking signs placed in the above three areas that read:

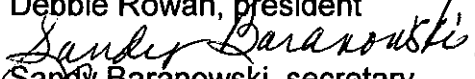

No Parking
8 am -10 am
2:30 pm – 3:30 pm
School Days

Attached is a map and a subdivision Plat Drawing indicating the affected areas. We respectfully ask for these signs to be installed in our subdivision.

Sincerely,

The Trustees of Clarkson Woods
