Figure 2: Surrounding Land Use

## **COMPREHENSIVE PLAN**

The subject site is located within Ward 2 of the City of Chesterfield. The City of Chesterfield Comprehensive Plan contains the City of Chesterfield Land Use Plan, which is helpful in determining the future use of the site. As per the City of Chesterfield Land Use Plan, the subject site is within the Suburban Neighborhood district (single-family residence). The subject site is surrounded by Suburban Neighborhood on the east and west, Business Office and Mixed Residential on the north, and Conservation and Suburban Neighborhood on the south. The Suburban Neighborhood land is land typically developed for single-family detached homes with uniform housing densities. Below are the development policies for Suburban Neighborhood as described in the City of Chesterfield Comprehensive Plan.

- Encourage preservation of existing residential neighborhood’s identity.
- New residential development should reinforce existing residential development patterns by continuing to reinforce high quality site and subdivision design, layout, and planning practices.
- Uncover the anticipated expense (cost of municipal infrastructure) for each new or re-developed residential development.

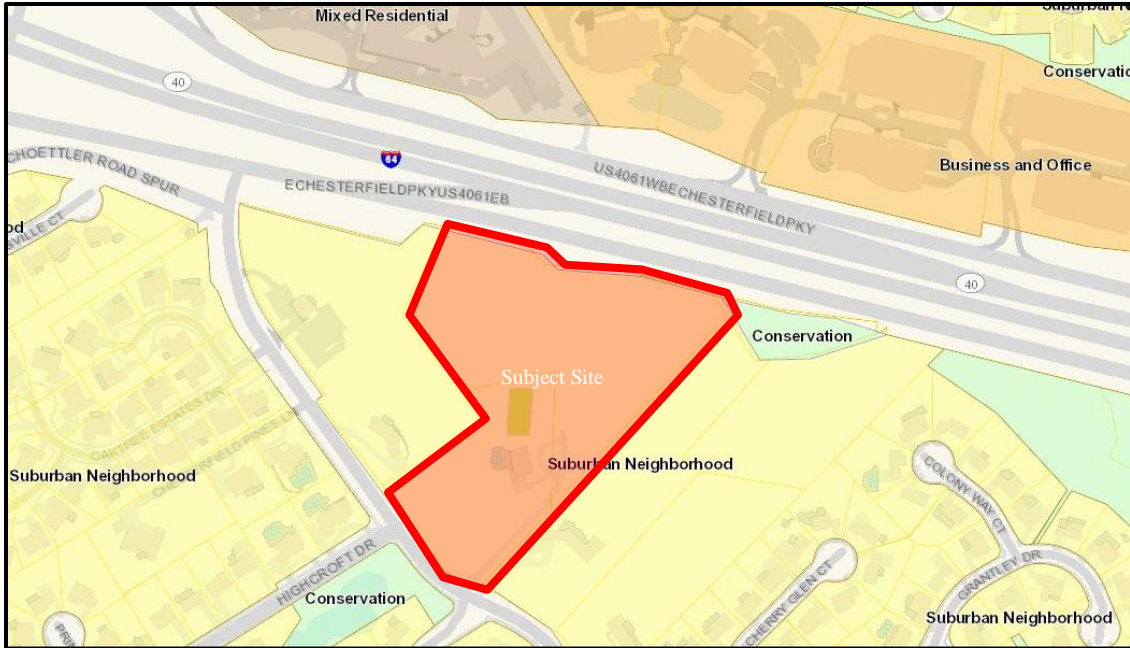

Figure 3: Comprehensive Land Use Plan

**E-1/2 AC District**

The development standards for E-1/2 AC District as described under City of Chesterfield UDC are:

**REQUEST**

Staff has completed review of this petition and all agency comments have been received. Staff requests action on P.Z. 17-2021 Legends at Schoettler Pointe (Stock and Associates).
