**RE: REPLACEMENT CONSTRUCTION AND MAINTENANCE ESCROWS FOR ARBORS AT WILMAS FARM SUBDIVISION, PLAT 2**

### Summary

On December 5, 2016, the City of Chesterfield City Council approved Ordinance 2930 for the Arbors at Wilmas Farm subdivision Plat 2 with the associated escrow agreements.

Construction has been underway since 2017 and the development team is now requesting to replace the original construction and maintenance escrows and agreements. The original escrows and agreements were provided by the land developer; however, now that the land development (site clearing and grading, infrastructure construction, etc.) has been completed, the land developer is seeking to replace the original escrows with new escrows from the home builders. While this is a typical request for large residential subdivisions where construction takes place over several years, the City's Unified Development Code (UDC) states that "*The land subdivision bond or escrow agreement or other required surety shall be prepared and executed on forms furnished by the Department and shall be submitted to the City Council for approval or disapproval.*"

In accordance with the UDC, the replacement construction and maintenance escrows and agreements are being presented to the Planning and Public Works Committee for review and recommendation prior to proceeding to the City Council.

Attached, please find a copy of the Escrow Agreements.

**SUBDIVISION IMPROVEMENT CONSTRUCTION DEPOSIT AGREEMENT**

THIS CONSTRUCTION DEPOSIT AGREEMENT made and entered into by Claymont Development, LLC \_\_\_\_\_, herein called DEVELOPER, Midwest Bank Centre \_\_\_\_\_, herein called ESCROW HOLDER (*strike through this party if cash deposited with City*), and the City of Chesterfield, Missouri, herein called CITY.

WITNESSETH:

WHEREAS, the DEVELOPER has submitted plans, information and data to the CITY for the creation and development of a subdivision to be known as The Arbors at Wilmas Farm (Plat 2) \_\_\_\_\_ in accordance with Ordinance No. \_\_\_\_\_, the governing ordinance for the subdivision, and the Subdivision Regulations of the City of Chesterfield, and has requested approval of same; and

WHEREAS, the subdivision plans have been approved and the CITY has reasonably estimated and determined that the cost of construction, installation and completion of said improvements, all in accordance with the provisions of said governing ordinance and Subdivision Regulations, as amended, will be in the sum of Seventy-three thousand five hundred seventy-five dollars and thirty-six cents \_\_\_\_\_ DOLLARS (\$<sup>73,575.36</sup> \_\_\_\_\_), lawful money of the United States of America; and

WHEREAS, the DEVELOPER is seeking approval from the CITY of the record plat of the aforesaid subdivision as the same is provided in said governing ordinance and Subdivision Regulations; and

WHEREAS, the Subdivision Regulations provide inter alias that the commencement of said subdivision may be approved by the CITY upon the DEVELOPER submitting satisfactory construction and maintenance deposit agreements guaranteeing the construction and maintenance

3. That the CONSTRUCTION DEPOSIT guarantees the construction, installation and completion of the improvements in the aforesaid subdivision in accordance with the plans and specifications for the said subdivision which have been filed with the CITY, which are made a part hereof by reference as if set forth herein word for word.

4. Pursuant to Revised Statutes of Missouri, 89.410, the amounts set out on Exhibit "A" are identified by separate line item and are subject to release of ninety five percent (95%) of said estimated costs within thirty (30) days of the completion of said specific component of work by DEVELOPER. The Developer shall notify CITY in writing when they consider the specific component ready for release of funds. Accordingly, the CITY may not allow for the reallocation of escrowed funds from one line item to another, without specific written agreement between the DEVELOPER and CITY indicating what specific component or components are being modified. ESCROW HOLDER shall not modify or expend funds from other than the identified line item component without written approval from CITY. Completion is when the particular item has had all documentation and certification filed in a complete and acceptable form and the specific items have been inspected and all identified deficiencies have been corrected and the work has been approved by the City.

5. That in the event the CITY should determine that the ESCROW SUM or any line item thereon as herein provided, is insufficient to complete the said Subdivision Improvements, or the specific line item, the CITY will so notify the DEVELOPER who shall deposit within thirty (30) days of said notice with the ESCROW HOLDER that additional sum of lawful money of the United States of America that will be required to complete the said specific component of the improvement and said additional sum will be subject to the terms of this Escrow Agreement. Failure to provide said sum shall cause for immediate cessation of all work on said subdivision until the additional amount is paid.

6. That the DEVELOPER guarantees that all required utilities and improvements will be installed, constructed and completed within two (2) years from the date of the approval of the said Subdivision Plat and the DEVELOPER shall certify the completion of all said improvements, along with the filing of all documentation and certification, all as provided in the governing ordinance for this subdivision and the Subdivision Regulations of the CITY.

7. That the ESCROW HOLDER, in accordance with paragraph 4 above, shall only release or disburse the ESCROW SUM, or portion thereof, upon receipt and in the amount set forth in a written authorization from the Planning and Development Services Division addressed to the ESCROW HOLDER, which authorization may be for the payment of labor and materials used in the construction, installation and completion of the said improvements, as the work progresses, as provided in the Subdivision Regulations or governing ordinance for this subdivision.

8. That in the event the DEVELOPER shall abandon the subdivision or fail to complete the subdivision improvements within two (2) years, from the date of the CITY'S approval of the said subdivision plat or subsequent extension period granted to this DEPOSIT AGREEMENT, whichever shall first occur, the CITY shall present to the ESCROW HOLDER a certified statement from the City Engineer estimating the cost for the completion of the subdivision improvements and require the ESCROW HOLDER to immediately perform on this agreement for completion of the specific components of the project or disburse said funds identified by the City Engineer's estimates directly to the CITY. The CITY may complete, or have completed by outside resources, the said improvements. The ESCROW HOLDER having disbursed the escrow sums therefore as ordered and directed by the CITY, and upon such disbursement shall be relieved of all liability under the terms of this agreement.

9. That in the event of any legal actions taken by the CITY against DEVELOPER or ESCROW HOLDER to enforce the provision of this agreement, the parties agree to pay a reasonable attorney's fee in addition to any other sums due under this agreement

10. That there shall be no assignment by DEVELOPER or ESCROW HOLDER under the terms of this agreement without written approval of the CITY.

11. That if DEVELOPER is unable to meet its obligation hereunder or to provide additional sums to complete the Subdivision improvements as may be determined by the CITY or if the DEVELOPER or ESCROW HOLDER shall go into receivership or file for bankruptcy protection, then in any such event the CITY may declare the DEVELOPER or ESCROW HOLDER (as the case may be) in default and may immediately order the payment of all remaining sums held by ESCROW HOLDER to be paid to the CITY without further legal process, to be used to complete the subdivision improvements as set out under the terms hereof.

12. That the ESCROW HOLDER will immediately inform the City of any changes of address for ESCROW HOLDER or DEVELOPER (known to ESCROW HOLDER) during the period of this Agreement. Failure to do so shall result in a breach of this Agreement and the CITY may declare the DEVELOPER or ESCROW HOLDER (as the case may be) in default and may immediately order the payment of all remaining sums held by ESCROW HOLDER to be paid to the CITY without further legal process, to be used to complete the subdivision improvements as set out under the terms hereof.

13. That no forbearance on the part of the CITY in enforcing any of its rights under this agreement, nor any extension thereof by CITY, shall constitute a waiver of any terms of this Agreement or a forfeiture of any such rights.

14. That the CITY hereby accepts this agreement as a satisfactory ESCROW AGREEMENT under the provisions and requirements of the governing ordinance for this

subdivision and any amendments or revisions thereto and the Subdivision Regulations of the CITY.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and

seals the 15<sup>th</sup> day of February, 2018.

Any maintenance of improvements accepted by the CITY for public dedication shall be completed under the supervision of and with the prior written approval of the Planning and Development Services Director. The maintenance obligation for required improvements to existing public roads or other existing public infrastructure already maintained by a public governmental entity shall terminate on and after the date such improvements have been

inspected and accepted by the appropriate governmental entity and the deposit for same shall be released. Irrespective of other continuing obligations, the developer's snow removal obligations shall terminate on the date a street is accepted by the CITY for public maintenance.

4. That the maintenance deposit shall be retained by the CITY OR CREDIT HOLDER to guarantee maintenance of the required improvements and, in addition to being subject to the remedies of Section 1005.080 Subsection (G) and other remedies of the City Code, shall be subject to the immediate order of the Planning and Development Services Director to defray or reimburse any cost to the CITY of maintenance or repair of improvements related to the subdivision which the developer fails or refuses to perform. Except in emergency circumstances or where action is otherwise required before written notice can be provided, the Planning and Development Services Director shall provide the developer with a written demand and opportunity to perform the maintenance before having such maintenance performed by the CITY, or its agents. The Planning and Development Services Director shall have the authority to require the maintenance deposit to be replaced or replenished by the developer, in any form permitted for an original deposit, where the amount remaining is determined to be insufficient or where the maintenance deposit was drawn upon by the CITY for maintenance.

5. That in determining the amount of MAINTENANCE DEPOSIT that shall continue to be held, portions of the deposit amount that were attributable to improvements that have been accepted by any third-party governmental entity or utility legally responsible for the maintenance of the improvement may be released upon such acceptance of the improvement by the entity. The Planning and Development Services Director may approve such further releases if it is determined in his or her discretion, after inspection of the improvements, that the total

maintenance amount retained is clearly in excess of the amount necessary for completion of the maintenance obligation, after all reasonable contingencies are considered.

6. That in the event the CITY should determine that the MAINTENANCE DEPOSIT, or any line item thereon as herein provided, is insufficient, the CITY will so notify the DEVELOPER who shall, within thirty (30) days of said notice, deposit additional sums with the CITY or have the amount of the letter of credit or other banking instrument increased as will be required to maintain the said specific component of the improvement and said additional sum will be subject to the terms of this MAINTENANCE DEPOSIT AGREEMENT. Failure to provide said sum shall be cause for immediate cessation of all work on said subdivision until the additional amount is paid.

7. That the CREDIT HOLDER, in accordance with paragraphs 2, 4 and 5 above, shall only release or disburse the MAINTENANCE DEPOSIT, or portion thereof, upon receipt and in the amount set forth in a written authorization from the said Planning and Development Services Division addressed to the Credit Holder, which authorization may be for payment, as provided in the Subdivision Regulations or governing ordinance for this subdivision.

8. That upon expiration of the maintenance obligations established herein, the Planning and Development Services Director shall cause a final inspection to be made of the required improvements. Funds shall then be released if there are no defects or deficiencies found and all other obligations including payment of all sums due, are shown to be satisfied on inspection thereof, or at such time thereafter as any defects or deficiencies are cured with the permission of, and within the time allowed by, the Planning and Development Services Director. This release shall in no way be construed to indemnify or release any person from any

civil liability that may exist for defects or damages caused by any construction, improvement or development for which any deposit has been released.

9. That there shall be no assignment by DEVELOPER or CREDIT HOLDER under the terms of this agreement without written approval of the CITY.

10. That if DEVELOPER is unable to meet its obligation hereunder or to provide additional sums to guarantee maintenance of the Subdivision improvements as may be determined by the CITY or if the DEVELOPER shall abandon the subdivision or go into receivership or file for bankruptcy protection, then in any such event the CITY may declare the DEVELOPER in default and may immediately order the payment of all remaining sums held in the MAINTENANCE DEPOSIT to be paid to the CITY without further legal process, to be used to complete and maintain the subdivision improvements as set out under the terms hereof.

11. That the CREDIT HOLDER will immediately inform the City of any changes of address for CREDIT HOLDER or DEVELOPER (known to CREDIT HOLDER) during the period of this Agreement. Failure to do so shall result in a breach of this Agreement and the CITY may declare the DEVELOPER or CREDIT HOLDER (as the case may be) in default and may immediately order the payment of all remaining sums held by CREDIT HOLDER to be paid to the CITY without further legal process, to be used to maintain the subdivision improvements as set out under the terms hereof.

12. That no forbearance on the part of the CITY in enforcing any of its rights under this agreement, nor any extension thereof by CITY, shall constitute a waiver of any terms of this Agreement or a forfeiture of any such rights.

13. That the CITY hereby accepts this agreement as a satisfactory MAINTENANCE DEPOSIT AGREEMENT under the provisions and requirements of the governing ordinance

for this subdivision and any amendments or revisions thereto and the Subdivision Regulations of the CITY.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and
