VIII. UNFINISHED BUSINESS

- A. **P.Z. 11-2018 15750 Old Clarkson Rd (Kumara S. Vadivelu)**: A request for a zoning map amendment from the “NU” Non-Urban District to the “E-1/2AC” Estate Half Acre District for a 4.76 acre tract of land located on the south side of Old Clarkson Road approximately 900 feet from its intersection with Baxter Road (19S130015).

Planner Andrew Stanislav stated that this item is before the Planning Commission tonight in accordance with the Unified Development Code, which requires petitions to return to the Planning Commission within 6 months of the Public Hearing. This agenda item is for informational purposes and no vote or action is requested from the Commission.

The Public Hearing was held on November 14, 2018, at which time issues were raised pertaining to compatibility with development along the Old Clarkson Road corridor, tree preservation, landscaping, and stormwater/drainage concerns. Since the Public Hearing, the petitioner has met with residents of the Old Clarkson Forest subdivision, and has been in communication with some external agencies.

A request to amend the petition was received by the City on April 25, 2019 for a change in zoning to the “E-1/2AC” District as opposed to the original request of “R-2” Residence District. The petitioner has also submitted a change of zoning request from the “E-1/2AC” District to a “PUD” Planned Unit Development for this project. As a planned district, an Attachment A and Preliminary Plan will be required, and this petition will have its own Public Hearing in the near future.

Discussion

In the event a similar situation arose in the future, Commissioner Tilman asked whether a Public Hearing would be required if an amended request was received for a different zoning category, as he feels that both the Planning Commission and the public should have the opportunity to understand how a different zoning category would affect the neighborhood, even if it's to a less dense zoning category. Mr. Wyse responded that Staff would review the matter, and noted that all Planning Commission meetings are open to the public with a Public Comment portion where residents can voice any concerns. It was pointed out, however, that adjacent residents are notified of Public Hearings, but not of subsequent meetings on the same petition.

IX. NEW BUSINESS

A. Appointment of Nominating Committee

After asking for volunteers to serve on the Nominating Committee to propose next year's slate of officers, Chair Hansen announced that the Committee members are Commissioners Marino, Schenberg, and Tilman with Commissioner Tilman serving as Chair.

Chair Hansen then reported that Commissioners Harris, Marino, Midgley, and Wuennenberg have been re-appointed to the Planning Commission.
