RE: **P.Z. 02-2017 Fienup Farms (McBride & Sons)**: A request for a zoning map amendment from the “FPNU” Flood Plain Non-Urban and “NU” Non-Urban Districts to an “E-1” Estate One-Acre District for 223.02 acres located on the north side of Wild Horse Creek Road approximately 3,250 feet east of its intersection with Kehrs Mill Road and 4,400 feet west of its intersection with Baxter Road (18U640049, 18U630028, 18U330454, 17U310093, 17U320070, & 17T110201).

Summary

Wild Horse Residential, LLC is requesting a zoning map amendment from the City of Chesterfield to change the zoning of a tract of land currently zoned “NU” Non-Urban District to “E-1” Estate One-Acre District. The petitioner is requesting to zone the property “E-1” Estate One-Acre District as part of a two-step zoning process in order to obtain entitlements to develop this tract of land as a single-family residential subdivision. The second step of this process is to file an additional petition for a zoning map amendment to obtain “PUD” Planned Unit Development zoning, which the Petitioner has done (P.Z. 03-2017).

A Public Hearing relative to this petition was held at the April 10th, 2017 Planning Commission meeting. No issues were identified at this time and subsequently a Planning Commission Vote Meeting was held on June 26th, 2017 where a motion to approve the petition was passed by a vote of 8-0.

SUMMARY

Wild Horse Residential, LLC, has submitted a request for a zoning map amendment from the “NU” Non-Urban District to “E-1” Estate One-Acre District. The petitioner is requesting to zone the property “E-1” Estate One-Acre District as part of a two-step zoning process in order to obtain entitlements to develop this tract of land as a single-family residential subdivision. The second step in this process is an additional petition for a zoning map amendment to obtain “PUD” Planned Unit Development zoning (P.Z. 03-2017). A Public hearing was held for these requests on April 10, 2017.

Figure 1: Subject Site Aerial

SITE HISTORY

The subject property was zoned “NU” Non-Urban District and “FPNU” Flood Plain Non-Urban District by St. Louis County prior to the incorporation of the City of Chesterfield.

SURROUNDING LAND USES

The land use and zoning for the properties surrounding this parcel are as follows:

North: The subject site is bordered by the Missouri Pacific Rail Road and Bonhomme Creek to the north. The site overlooks Chesterfield Valley and, more specifically, the Chesterfield Commons commercial development which is zoned “C-8” Planned Commercial District.

South: Across Wild Horse Creek Road to the south are several single-family residential subdivisions, including Bentley Place (“R-1” & “R-1A” with a PEU), Westchester Manor “E-3”, Chesterfield Estates (“R-1”, “FPR-1”, “R-1A” & “FPR-1A” with a PEU), and Eagle Crest Estates (“R-1”, “FPR-1” with a PEU).

East: Properties east of the site are zoned “FPNU” and “NU” and the Wildhorse Springs single family residential subdivision is zoned “R-2” Residence District with a PEU.

West: To the west is the First Baptist Church which is zoned “NU”.

Figure 2: Surrounding Land Uses

COMPREHENSIVE PLAN

The subject site is located within Ward 4 of the City of Chesterfield. The City of Chesterfield Land Use Plan indicates that the subject site is within the Residential Single-Family district and has a minimum one (1) acre density requirement.

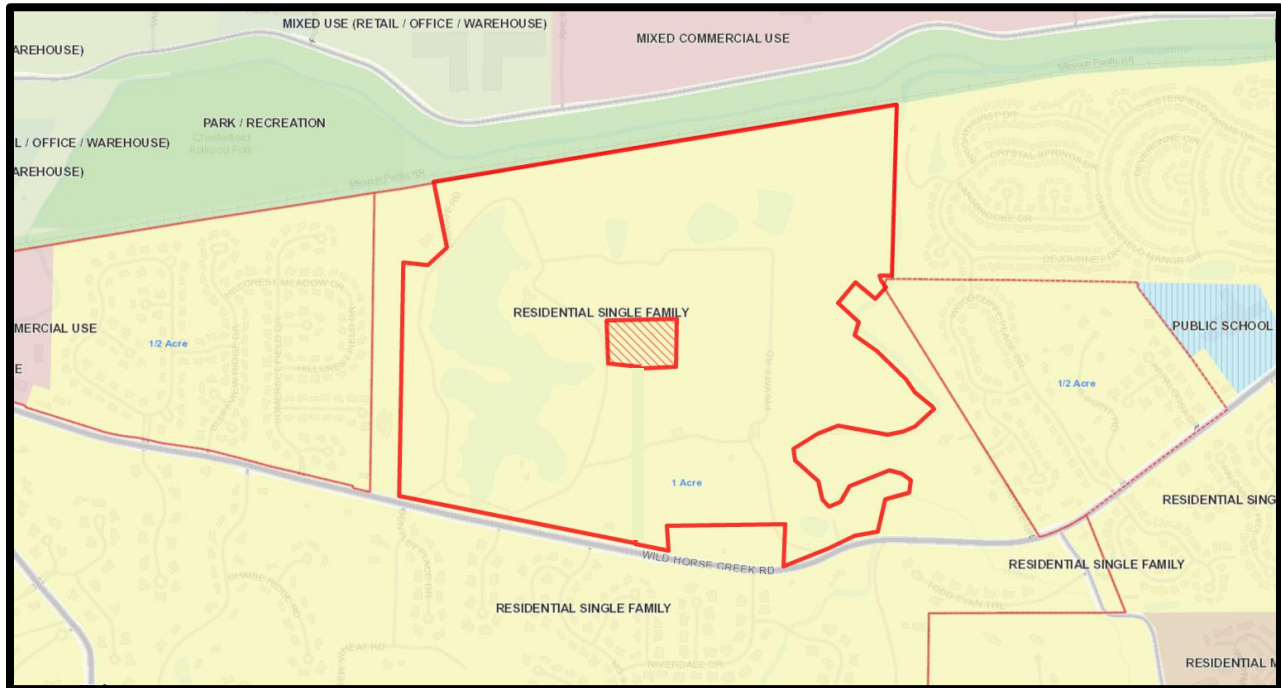

Figure 3: Comprehensive Land Use Plan

PUBLIC HEARING

A Public Hearing for this request was held on April 10, 2017. Change of zoning requests to a straight zoning district, such as “E-1” Estate One-Acre District only require an Outboundary Survey which has been included in the Planning Commission’s packet.

REQUEST

Staff has completed review of this petition and all agency comments have been received. Staff requests action on P.Z. 02-2017 Fienup Farms (McBride & Sons).

Respectfully submitted,
