**RE: Information on City of Chesterfield Comprehensive Plan Amendments**

**Summary**

The Comprehensive Plan Committee, along with several residents of the community, has been working on updates to the Comprehensive Plan. The selected sections with updates include the following: the Plan Policies Element, the Land Use Element, the Land Use Plan, the Transportation Element, and Chesterfield Valley Policies Element. On June 8, 2009 a public hearing was held regarding updates to the City of Chesterfield Comprehensive Plan. No additional issues or items were raised at that time.

In accordance with Chapter 89 RSMO, the Plan has been approved by the Planning Commission and has been filed with the St. Louis County Recorder of Deeds Office. In addition, the Resolution adopting the amendments has been recorded. Once final copies are prepared, a certified copy of the updated Plan will be presented to the City of Chesterfield City Council.
