RE: Amendment to Ordinance 35, adopting a new Schedule V, Through Highways, Roads, or Streets

The department periodically reviews Traffic Schedules associated with City Ordinance 35 to ensure that they reflect current conditions. As a result of that review process, we propose an amendment to Ordinance 35 to repeal Schedule V, Through Highways, Roads or Streets and to adopt a new Schedule V Through Highways, Roads or Streets as attached hereto.

Staff requests that the Planning and Public Works Committee recommend approval of the proposed Ordinance adopting a new Schedule V Through Highways, Roads or Streets.

Should you need additional information, please advise.
