RE: Public Street Acceptance

Warwick on White Road

Public Works staff recently conducted inspections of the Warwick on White Road subdivision. As part of these inspections we have determined that the following streets meet the City of Chesterfield's design and construction standards for acceptance as a public street:

Warwick Gate Drive Approximately 955 feet; from

White Road to Private Road

Whetherly Landing
Approximately 375 feet; from

Warwick Gate Drive to Cul-de-Sac

A draft ordinance and a map showing the location of the above referenced streets are attached. Please let me know if you have questions or need additional information.

Action Recommended

I recommend forwarding the acceptance of the above-referenced streets and associated sidewalks to the Planning and Public Works Committee for its consideration. If the Planning and Public Works Committee recommends approval, the matter should be forwarded to City Council for consideration.

Please forward to PPW for review and approval.
