**RE:** Amendment to Ordinance 2732 Pertaining to Open House Directional Signs

### Summary

The Home Builders Association (HBA) of St. Louis and Eastern Missouri has requested an amendment to the City of Chesterfield Ordinance 2732 to remove the sunset provision in Section 3(c) pertaining to the placement of open house directional signs on Saturdays. The current ordinance provision indicates this section for Saturday Displays would terminate on December 31, 2013.

The original ordinance establishing regulations pertaining to open house directional signs was approved by the City of Chesterfield City Council and codified into the City Code (Section 2.5-4) on July 7, 2007 via Ordinance Number 2370. In 2009, the HBA requested an amendment to City Code Section 2.5-4 to allow open house directional signs to be displayed on Saturdays. The City Council approved this request with a 12 month sunset provision added to the new language. Since that time, the HBA has come before the City Council each year and requested a 12 month extension of this sunset provision. In 2011, the HBA also requested an amendment to City Code Section 2.5-4, which was approved, to extend the hours open house signs could be erected on a property.

Attached, please find a copy of the request from the HBA and a copy of City Code Section 2.5-4 (Ordinance Number 2732).

Respectfully submitted,

John Boyer  
Senior Planner

The Honorable Bob Nation, Mayor, City of Chesterfield  
The Honorable Members of the City of Chesterfield City Council  
690 Chesterfield Parkway West  
Chesterfield, MO 63017

Dear Mayor Nation and Members of the City Council:

On behalf of the Home Builders Association of St. Louis and Eastern Missouri (HBA), I am writing to ask that the City Council reconsider a subsection of Ordinance 2732, which pertains to off-premise residential real estate open house directional signs. The subsection in question, Section 3-C, establishes a termination date of December 31, 2013 for a specific provision that addresses sign permission on Saturdays. The HBA respectfully requests the establishment of a termination date be removed entirely, allowing open house directional signs to always be displayed when open houses are in progress on Saturdays.

Due to the struggling housing market, the HBA has requested an extension of this clause every year for the previous four years, and we are thankful the City Council has quickly approved our requests. At this time, the residential homebuilding and real estate industries have still not fully recovered, so the HBA is writing to once again ask the City of Chesterfield to amend this ordinance. However, rather than just requesting approval of a further extension of the termination date, the HBA would like to request that the termination date itself be removed entirely. We feel this action will not only have a positive effect on the sale of new homes, but also on the resale of existing homes.

We are happy to continue discussions if further input is requested from our industry. Mark Teitelbaum of Seabrook Homes/The Kemp Homes Company is the Chairman of the HBA Chesterfield Development Subcommittee. Mr. Teitelbaum can be contacted with questions at 314.721.7779 or [mark@seabrookstl.com](mailto:mark@seabrookstl.com). He is also happy to appear on behalf of our industry at any meeting. I can be contacted at 314.817.5616.

Sincerely,
