I think Baxter & Clayton is a very nice spot for a nice car wash. Ignore the voice of the NIMBY's or should I say BANANAS (Build absolutely nothing anywhere near anyone).

Hello Justin –

My name is Scott Baum and I live on Eagle Bluff Ct. in Chesterfield. I am writing you today to let you know that my family is a proponent of the Briteworx Carwash proposal. We would certainly use the facility and frankly we feel like the other carwashes do an inadequate job of thoroughly cleaning our cars. Furthermore, the last thing we need on that corner is another mega convenience store (and the traffic associated with it).

Thanks for your time.

Good afternoon.

As a resident of Chesterfield and huge fan of the Wallis family (Due to their give-back initiatives in our community) I strongly support the addition of a Car Wash at the corner of Clayton and Baxter. Not only does the Wallis family support many charitable initiatives, the car washes they operate bring integrity and professionalism to our community. Not allowing for new business opportunities would be against everything Dan Hurt stood for in his election process.

I strongly support this initiative as do my many friends and family that voted for Dan Hurt.

Thank you.

Best regards,

Tony M. Spielberg

Justin,

I hope you're well. We wanted to write a quick note to let you know that we would definitely be in favor of a car wash at the intersection of Clayton and Baxter. We believe it could significantly enhance that intersection, which seems to be outdated in many ways. With such successful commercial projects further east on Clayton, it seems natural to continue that progress, and the car wash could significantly upgrade this area.

Thanks,
Mark and Kim Heligman
