RE: **P.Z. 11-2022 Estates at Fire Rock (St. Austin School)**: A request for a change in zoning from a PUD – Planned Unit Development to E-1AC Estate District for 35.0 acres located at 17803, 17815 and 17831 Wild Horse Creek Road (18V130099, 18V140065, & 18V140098).

Summary

St. Austin School has submitted a request to change the zoning for a tract of land totaling 35.0 acres from a “PUD”—Planned Unit Development into a new “E-1AC”—Estate District. The site was rezoned from “LLR”- Large Lot Residential District to “E-1AC” in 2021. In the same year, a concurrent petition was submitted to rezone the property from “E-1AC” to “PUD”- Planned Unit Development to allow 35 single family homes. The current applicant is requesting to rezone the property back to “E-1AC” residential district to allow School as a permitted use since school is not a permitted use under the existing “PUD” zoning district.

A Public Hearing was held on November 14, 2022 for this petition, there were no issues raised.

The petition was reviewed by Planning Commission on November 28, 2022. Planning Commission approved this petition, as presented, by a vote of 8-0.

Description: **P.Z. 11-2022 Estates at Fire Rock (St. Austin School)**: A request for a change in zoning from a PUD – Planned Unit Development to E-1AC Estate District for 35.0 acres located at 17803, 17815 and 17831 Wild Horse Creek Road (18V130099, 18V140065, & 18V140098).

PROPOSAL SUMMARY

St. Austin School has submitted a request to change the zoning for a tract of land totaling 35.0 acres from a “PUD”—Planned Unit Development into a new “E-1AC”—Estate District. The site was rezoned from “LLR”—Large Lot Residential District to “E-1AC” in 2021. In the same year, a concurrent petition was submitted to rezone the property from “E-1AC” to “PUD”—Planned Unit Development to allow 35 single family homes. The current applicant is requesting to rezone the property back to “E-1AC” residential district to allow School as a permitted use since school is not a permitted use under the existing “PUD” zoning district.

Figure 1: Subject Site Aerial

HISTORY OF SUBJECT SITE

Pre-1988—Subject site zoned “NU”—Non-Urban.

1990—Conditional Use Permit issued for 17803 Wild Horse Creek Rd. to allow bulk sale of sand, gravel, mulch and similar supplies (C.U.P. 09-1990).

1997—17831 Wild Horse Creek Rd. rezoned from “NU” to “R1” as part of the Tara at Wildhorse subdivision (Ordinance 1316).

1999—17815 and 17831 Wild Horse Creek Rd. rezoned from “NU” and “R1”, respectively, to a new “LLR” District to accommodate a proposed private school use (Ordinance 1518).

2015—17803 Wild Horse Creek Rd. rezoned from “NU” to “LLR”, incorporating the site into a new 35.097-acre tract of land for a proposed accessory dormitory use for a private school (Ordinance 2847).

2021 – The three parcels (17803, 17815 and 17831 Wild Horse Creek Road) were rezoned from “LLR” to “E-1AC” and then from “E-1AC” to “PUD” to develop 35 single family homes. The Site Development application was withdrawn and the site was not developed.

LAND USE AND ZONING

The land use and zoning for the properties surrounding the subject site are as follows:

Direction	Zoning	Land Use
North	“M3”—Planned Industrial	Golf Course
South	“E2”—Estate District	Single-Family Residential
East	“NU”—Non-Urban District	Church or Other Place of Worship
West	“R1”—Residence District	Single Family Residential

COMPREHENSIVE PLAN

The City’s Comprehensive Plan designates this site as within the Suburban Neighborhood character area on the Future Land Use Map. This area is characterized primarily by single-family detached homes typically oriented toward the interior of the site and buffered from surrounding development by transitional uses, topography, preserved open space or landscape areas. The Comprehensive Plan also outlines specific policies for this character area.

Plan Policies:

- Encourage preservation of existing residential neighborhood’s identity.

- New residential development should reinforce existing residential development patterns by continuing to reinforce high quality site and subdivision design, layout, and planning practices.
- Uncover the anticipated expense (cost of municipal infrastructure) for each new or re-developed residential development.

E-1AC ESTATE DISTRICT

As per City of Chesterfield Unified Development Code, the purpose of the E-1AC Estate District is to provide for the enhancement of residential development while preserving the community character of the area with well-buffered, well-landscaped neighborhoods, and to allow for such other residentially related uses which are compatible with the character of the district. Below are the design standards for E-1AC District.

E-1AC Design Standards	
Min. Lot Size	1 acre
Max. Height	50'
Front (ROW) Setback	25'
Side Setback	25'
Between Structures	40'
Landscape Buffers	Required

Permitted uses in this E-1AC District will be: Churches and other places of worship; Dwelling, single-family; Educational facility (Kindergarten, Primary, Junior high, Senior high, College/university; Golf courses; Home occupation; Public utility facility; Sewage treatment facility; Wildlife reservation, forest and conservation.

PUBLIC HEARING

A Public Hearing for this request was held on November 14, 2022 at which the Planning Commission raised no issues.

REQUEST

Staff has completed review of this petition and has no further comments or outstanding issues on the zoning request before the Commission. The petition has met all filing requirements and procedures of the City of Chesterfield.
