Planning Commission Public Hearing/Vote Report

Meeting Date: April 8th, 2024

From: Alyssa Ahner, Planner

Location: East of Chesterfield Pkwy, south of Interstate 64, west of Clarkson Rd

Petition: P.Z. 03-2024 Chesterfield Village Mall – An ordinance amendment to add an additional 16.679-acre tract of land zoned “C-8” Planned Commercial to an existing 96.017-acre tract of land zoned “PC&R” Planned Commercial and Residential District located on the south side of Interstate 64, east of Chesterfield Parkway.

SUMMARY

A request to add an additional 16-acres of land zoned “C-8” Planned Commercial to an existing 96-acres of land zoned “PC&R” Planned Commercial and Residential District. The existing “PC&R” district was established in 2023 and is governed under [Ordinance 3255](#). The proposed amendment would incorporate a connecting parcel into the District. Consent has been received from all applicable parties.

Figure 1: Subject Site

HISTORY & OVERVIEW

The existing "PC&R" district encompasses roughly 96-acres of land and was established in 2023. The approximate boundaries of this district may be seen in *Figure 2*. The 16-acres proposed to be incorporated into this district may be seen in *Figure 3*.

Figure 3: Existing "PC&R" district

Figure 2: 16-acres to be added to "PC&R" district

The existing district was broken down into "Area 1", "Area 2" and "Area 3". The areas were then further broken down into conceptual parcels in order to allocate permitted uses and density. The proposed 16-acre parcel of land would be incorporated as "Area 4". These areas may be seen in the attached packet on Sheet C1.0. The permitted residential units for the existing district have already been allocated between the existing conceptual parcels thus the permitted uses for proposed "Area 4" would be limited to commercial development. The density of the commercial development for "Area 4", as written in the Attachment A, is a maximum of 280,000 square feet which is the square footage of the existing building. The modifications made to the Attachment A for this ordinance amendment have been depicted in red font.

The primary purpose of including the additional land into the ordinance is to resolve zoning issues that have been identified during settlement discussions between the City of Chesterfield, Dillard's, and TSG. Through this process, preliminary settlement has included a minor land swap between TSG and Dillard's. The zoning amendment would prevent zoning issues that would arise from parcels with multiple zoning districts. As such, the proposed amendment has been drafted to allow similar development criteria (e.g. commercial uses only) for Area 4 (Dillard's parcel) as exists today but under the PC&R District instead of the C-8 District.

ATTACHMENT A

All provisions of the City of Chesterfield City Code shall apply to this development except as specifically modified herein or to be addressed in the Site Development Concept Plan and/or the Site Development Section Plans.

This ordinance provides a framework for various development requirements established in this ordinance, criteria to be established on the Site Development Concept Plan, and criteria to be established on Site Development Section Plans. This framework is to deliver a “Downtown Concept”: a diverse residential and commercial mixed-use environment in which residential and commercial uses that are integrated.

I. SPECIFIC CRITERIA FOR ALL DEVELOPMENT

Residential and commercial uses may be combined in the same building, combined on the same lot in separate buildings or on separate lots within the development (**when each use is permitted on the lot and is consistent with the ordinance and the approved Site Development Concept Plan / Site Development Plan**).

A. PERMITTED USES

1. The uses allowed in this PC&R District (“District”) shall be:
 - a. Administrative offices for educational or religious institutions
 - b. Church and other places of worship
 - c. Community center
 - d. Library
 - e. Parks
 - f. Dwelling, multi-family
 - g. Single Family Attached
 - h. Single Family Detached
 - i. Home Occupation
 - j. Art Gallery
 - k. Art Studio
 - l. Auditorium

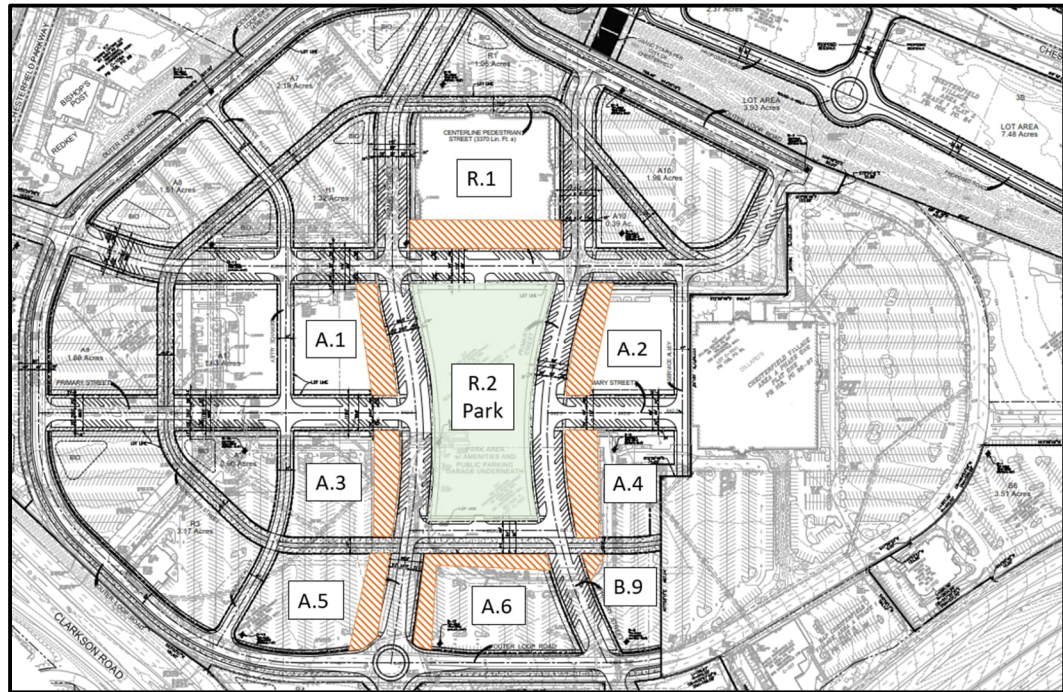

- m. Banquet Facility
- n. Club
- o. Farmer's market
- p. Gymnasium
- q. Museum
- r. Reading Room
- s. Recreation Facility
- t. Office-dental
- u. Office-general
- v. Office-medical
- w. Automobile Dealership (Storefront Only)
- x. Bakery
- y. Bar
- z. Bowling Center
- aa. Brewery
- bb. Brewpub
- cc. Coffee shop
- dd. Grocery-community
- ee. Grocery-neighborhood
- ff. Grocery-supercenter
- gg. Newspaper stands.
- hh. Restaurant-sit down
- ii. Restaurant-fast food – No Drive Thru
- jj. Restaurant-takeout
- kk. Retail sales establishment – Neighborhood

- ll. Retail sales establishment – Community
- mm. Retail sales establishment – Regional
- nn. Animal grooming service
- oo. Barber or beauty shop
- pp. Broadcasting studio
- qq. Commercial service facility
- rr. Day care center
- ss. Drug store and pharmacy
- tt. Dry cleaning establishment
- uu. Financial institution, no drive-thru
- vv. Hospital
- ww. Hotel and motel
- xx. Hotel and motel-extended stay
- yy. Kennel, boarding
- zz. Kennel, private
- aaa. Laboratory-professional, scientific
- bbb. Laboratory
- ccc. Laundromat
- ddd. Nursing home
- eee. Parking area (stand-alone), including garages for automobiles. Not including sales or storage of damaged vehicles for more than 72 hours.
- fff. Professional and technical service facility
- ggg. Research laboratory and facility
- hhh. Theatre, indoor
- iii. Theatre, outdoor
- jjj. Veterinary clinic

- kkk. College/university
- lll. Kindergarten or nursery school
- mmm. Specialized private school.

2. The District shall prioritize the following:

- a. Ground floor development shall be a mix of pedestrian-oriented commercial/retail in the following locations: on the portion of the parcels that face the primary streets that flank Park Area R2 (parcels A1, A2, A3, A4, A6 and R1) and on the portion of the parcels that face the roundabout and primary street coming off Clarkson Road (parcels A5 and A6) and the corner of the parcel at the primary street and pedestrian walkway (parcel B9) as shown on the Preliminary Development Plan.

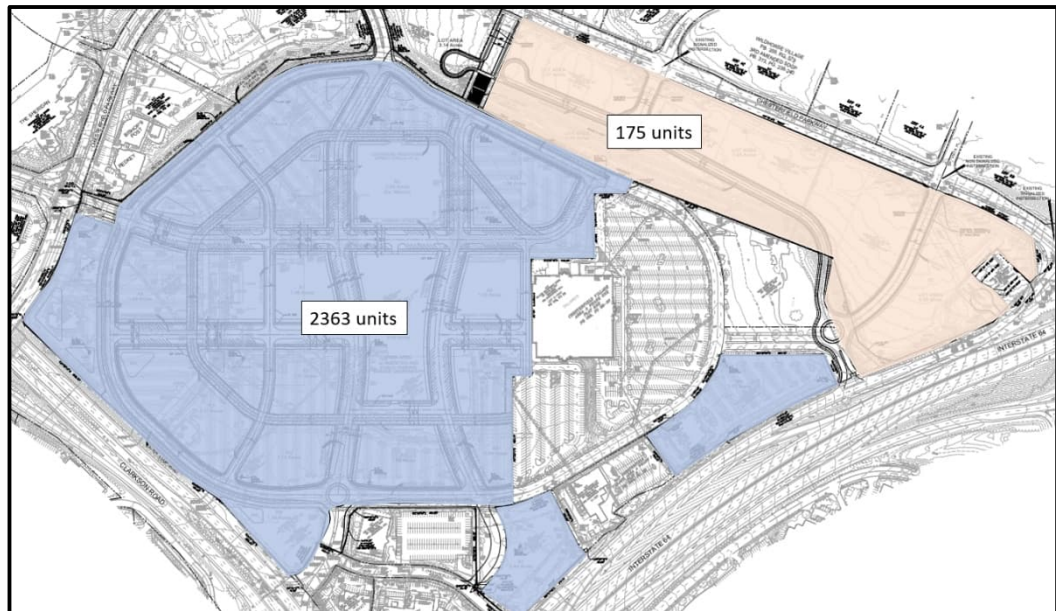

- b. Developer shall prioritize build-to-line, excluding sidewalks, in lieu of prescribed setbacks on the portion of the primary streets that flank Park Area R2 shown on the Preliminary Development Site Plan.
- c. Parcels B1, B2, and B8 as shown on the Preliminary Development Plan shall only be used for commercial uses as defined in Section 405.03.040 J, PC & R Planned Commercial & Residential District of the UDC and as permitted in this Attachment.
- d. Area 4, as shown on the Preliminary Development Plan, shall only be used for commercial uses as permitted in this Attachment.

3. Hours of Operation.
 - a. Hours of operation for this “PC&R” District shall not be restricted.
4. Telecommunication siting permits may be issued for wireless telecommunications facilities per the requirements of the City Code.

B. DENSITY, HEIGHT, SET BACKS AND OPEN SPACE REQUIREMENTS

1. Density Limitations
 - a. The cumulative gross floor area for Commercial Uses in this District for Areas 1, 2, and 3 shall be limited to not more than a Floor Area Ratio (F.A.R.) = .75 Floor Area Ratio (F.A.R.) shall be Calculated by Total Gross Floor Area of all buildings divided by the Gross Area of land within the “PC&R” District. F.A.R. shall not be calculated on a lot-by-lot basis.
 - b. The maximum number of residential units allowable within Areas 1, 2, and 3 of this District shall not be more than 2363 units cumulatively on Parcels A1-A10, B1, B2, B8, B9, R1, R3, R4 and H-1 on the Preliminary Development Plan and 175 units on Parcels 3A and 3B on the Preliminary Development Plan.

- c. The maximum number of rooms for hotels and lodging in Areas 1, 2, and 3 shall be 300 rooms; the maximum number of square feet for hotels and lodging shall be 350,000 square feet.
- d. Area 4 shall be permitted a maximum of 280,000 square feet of non-residential uses.

- e. Developer shall provide a distribution of density by area on the Site Development Concept Plan. The Site Development Concept Plan shall be amended when allocation of density changes.

2. Height Requirements

Total building height for any permitted use shall not exceed 200 feet or 15 stories whichever is more as measured from street elevation.

3. Setbacks

No setbacks are prescribed herein and build-to-line is permitted. All other setbacks and/or build to lines shall be as approved on the Site Development Concept Plan or Site Development Section Plans.

4. Open Space Requirements

Open space in Park Area R2 and Area 3A south of Chesterfield Parkway and Park Circle shall be provided on the Site Development Concept Plan and substantially conform to the Preliminary Development Site Plan. Where known, additional open spaces including pocket parks, plazas, natural areas and seating areas shall be depicted on the Site Development Concept Plan and/or Site Development Sections Plans. Proposed location(s) of public art may be depicted on the Site Development Concept Plan and/or Site Development Section Plans.

C. BUILDING AND STRUCTURE FUNCTION

1. Ground floor of all buildings shall include pedestrian access to retail, restaurant, office, multi-family residential, or hotel use-when those uses are present.
2. Private parking access shall not be permitted along portions of the primary streets that flank Park Area R2. Private parking garage access is permitted from other primary streets locations and service alleys.
3. Trash pickup, building receiving and loading, utility and service functions shall be located at the rear of buildings along the outer loop road and off service alleys.

D. PARKING AND LOADING REQUIREMENTS

1. Public parking garages and on-street parking satisfies parking requirements for all ground floor commercial (retail, restaurant, art galleries, entertainment, art or other pedestrian-oriented uses), as defined on the Site Development Concept Plan or Site Development Section Plans. All other uses shall provide parking in accordance with this ordinance.
2. Public parking in garages and on-street parking for the existing department store in Area R1 meets parking requirements for that use.

3. Parking shall be calculated for each use category as follows:

Minimum Parking Required

Retail/Restaurant: 4.0 Parking Ratio / 1,000 G.F.A.
Grocery: 5.0 Parking Ratio / 1,000 G.F.A.
Office: 3.0 Parking Ratio / 1,000 G.F.A.
Residential: 1.5 Parking spaces per unit
Hotel: 0.8 Parking spaces per room

4. Off-street surface parking shall be allowed as shown on the Site Development Concept Plan but shall be minimized and designed to mitigate the visual impact on the development and be consistent with the purpose and intent of this PC&R District.
5. Off-street parking located within Area 4 of the Preliminary Development Plan shall be permitted surface parking. In the event of new development or redevelopment within this Area, surface parking shall be subject to sub-section D.4 above.
6. Joint parking to meet minimum parking standards may be permitted through approval of the Site Development Section Plan and shall require an appropriate legal instrument binding the owners of the properties and their successors and assigns to the agreement.
7. Parking lots shall not be used as streets.
8. No construction related parking shall be permitted within rights of way or on any existing roadways. All construction related parking shall be confined to the District. Construction parking shall be depicted on all Improvement Plans for lots within the district.

E. LANDSCAPING AND TREE REQUIREMENTS

1. The development shall adhere to the Landscape and Tree Preservation Requirements of the City of Chesterfield Code and submit a Concept Landscape Plan with the Site Development Concept Plan. Landscaping shall enhance the pedestrian experience, compliment architectural features, provide shade and screen utility areas and surface parking. The developer shall provide for street furnishings such as benches, planters, bike racks, drinking fountains, pedestrian trash receptacles, public art and water features in the Site Development Concept Plan. Locations for street furnishings shall be detailed in the Site Development Concept Plan and Site Development Section Plans.

F. SIGN REQUIREMENTS

1. The development shall adhere the City's Sign Code and/or submit a Comprehensive Sign Package by Area as depicted in the Site Development

Concept Plan and/or Site Development Section Plans. All individual signs including street and wayfaring signage in the public and private spaces shall be coordinated and consistent with the signage concept contained therein.

G. LIGHTING REQUIREMENTS

1. The development shall adhere to the City's Lighting Code and/or submit an Architectural Specialty Lighting Package. All lighting, in the public and private spaces, shall be coordinated and consistent with the lighting concept contained therein.

H. ARCHITECTURAL REQUIREMENTS

1. The developer shall submit design standards for public spaces and street character in the Site Development Concept Plan and/or Site Development Section Plans. Site Development Concept and/or Section Plans shall contain design standards that create visually appealing development pattern consistent with the intent of the Downtown Concept. Section plans shall contain architectural elevations, colored renderings and building materials to be reviewed by the Architectural Review Board and subject to approval by the Planning Commission.
2. Building facades should be articulated by using color, arrangement or change in materials to emphasize the façade elements. The planes of exterior walls may be varied in height, depth, or directions.
3. Trash enclosures: The location, material, and elevation of any trash enclosure will be approved on the Site Development Concept Plan or Site Development Section Plan. All exterior trash areas, except pedestrian trash receptacles, will be enclosed with a six (6) foot high sight-proof enclosure with materials that match the adjacent structures and complemented by adequate landscaping as approved on the Master Landscape Package.
4. Mechanical equipment shall be adequately screened in accordance to the Architecture Review Design Standards.

I. ACCESS/ACCESS MANAGEMENT

1. Access to the development from external roadways shall be shown on the Site Development Concept Plan and as directed by the City of Chesterfield, the Missouri Department of Transportation and the St. Louis County Department of Transportation, as applicable.
2. Any improvements within Missouri Department of Transportation's right-of-way will require a permit. The entrance geometries and drainage design shall be in accordance with Missouri Department of Transportation standards.
3. No gated streets will be permitted.

4. Cross access shall be provided to adjoining properties as directed by the City of Chesterfield.

J. PUBLIC/PRIVATE ROAD IMPROVEMENTS, INCLUDING PEDESTRIAN CIRCULATION

1. Sidewalks shall substantially conform with the Preliminary Development Plan. ADA compliant sidewalks will be required along all roadways and connections to existing sidewalks of all roadways adjacent to the District shall be provided. The design and layout of the sidewalks and pedestrian ways shall be detailed in the Site Development Concept Plan and Site Development Section Plans.
2. Sidewalks and pedestrian trails/bicycle path shall provide future connectivity to adjacent developments and/or roadway projects. Sidewalks may be located within a right-of-way controlled by another agency if permitted by that agency, or on private property within an easement dedicated to the City for public use but to be maintained by the property owner.
3. Evaluate and provide pedestrian access and connectivity from the District to Central Park in the Site Development Concept Plan.
4. On-street parking shall substantially conform with the Preliminary Development Plan. On-street parking stalls shall be designed and located such that vehicles do not back out into an intersection. Corner clearance distance shall be not less than 30 feet between the edge of the parking stall and the intersection. The design and layout of the on-street parking shall be finalized on the Site Development Concept Plan.
5. Obtain approvals from the City of Chesterfield, St. Louis County Department of Transportation, and the Missouri Department of Transportation as necessary for locations of proposed curb cuts and access points, areas of new dedication, and roadway improvements.
6. Additional right-of-way and road improvements shall be provided, as required by the Missouri Department of Transportation, St. Louis County Department of Transportation, and the City of Chesterfield.
7. Pedestrian crossing of roadways is required to be at a 90-degree angle in order to minimize the crossing distance for pedestrians.
8. Internal streets and sidewalks shall be private and remain private forever unless an alternate agreement is reached and executed between the City of Chesterfield and TSG Downtown Chesterfield Redevelopment LLC whereby the City accepts the internal streets and/or sidewalks as public. The City is under no obligation to enter into such an agreement.

K. TRAFFIC STUDY

1. Provide a traffic study as directed by the City of Chesterfield and/or Missouri Department of Transportation and/or St. Louis County Department of Transportation. The scope of the study shall include internal and external circulation and may be limited to site specific impacts, such as the need for additional lanes, entrance configuration, geometrics, sight distance, traffic signal modifications or other improvements required, as long as the density of the proposed development falls within the parameters of the City's traffic model. Should the density be other than the density assumed in the model, an updated model shall be required.
2. Provide a sight distance evaluation report, as required by the City of Chesterfield, for the proposed entrances, as directed. If adequate sight distance cannot be provided at the access location, acquisition of right-of-way, reconstruction of pavement, including correction to the vertical alignment, and/or other off-site improvements shall be required, as directed by the City of Chesterfield, St. Louis County Department of Transportation and/or the Missouri Department of Transportation as applicable.

L. STORM WATER

1. The site shall provide for the positive drainage of storm water and it shall be discharged at an adequate natural discharge point or connected to an adequate piped system. Formal review, approval and permits by Metropolitan St. Louis Sewer District is required.
2. Stormwater management shall comply with the Chesterfield Village Southwest Quadrant Storm Water Management Plan exhibit (MSD P-002807800) as directed by the City of Chesterfield and the Metropolitan St. Louis Sewer District.

M. SANITARY SEWER

1. Provide public sewer service for the site including sanitary force mains, gravity lines and/or regional pump stations, in accordance with Metropolitan St. Louis Sewer District (MSD) and the City of Chesterfield regulations.
2. Sanitary sewers shall be as approved by the City of Chesterfield and the Metropolitan St. Louis Sewer District.
3. Extension of public sanitary sewer lines will be necessary to serve this site and proper easements may be required. Private sanitary sewer laterals may not cross property lines. The receiving sanitary sewer system(s) shall be evaluated to ensure adequate capacity and to ensure the project has no negative impacts to the existing systems.

4. The project is in the Caulks Creek Service Area and subject to the Caulks Creek Surcharge. Sanitary flow rates leaving the sites shall be limited to the maximum extent practical. The maximum allowable sanitary flow release rate is 1.98 CFS. The 1.98 CFS rate includes all phases of the development as well as any existing uses.
5. MSD will allow the entire site to connect to the public sanitary system as proposed after the completion of the Caulks B Pump Station Replacement project. MSD will allow a portion of the development to connect to the sanitary system prior to completion of the replacement pump station for Caulks B limited by based on the actual flows at the existing pump stations, its capacity, anticipated flows from the development.
6. Formal plan submittal and approval will be required by the MSD prior to the issuance of permits.

N. POWER OF REVIEW

The City Council shall have automatic power of review of all Site Development Plans, Site Development Concept Plans, and Site Development Section Plans for the subject development. The City Council will then take appropriate action relative to the proposal.

O. CITY COUNCIL REVIEW OF SITE DEVELOPMENT CONCEPT PLANS, SITE DEVELOPMENT PLANS AND SITE DEVELOPMENT SECTION PLANS

The City Council reserves full authority to deny any request for approval of a Site Development Concept Plan, Site Development Plan or Site Development Section Plan (each a "Development Plan"), or to impose conditions on their approval. The City Council shall not approve a Development Plan unless it finds that the application and evidence presented clearly indicate that the proposed Development Plan:

1. Will contribute to and promote a diverse residential and commercial mixed-use environment in which residential and commercial uses are integrated pursuant to a downtown concept;
2. Will contribute to and promote a creative and coordinated design and architectural styles;
3. Will contribute to and promote efficient and effective pedestrian and vehicular circulation;
4. Complies with the Unified Development Code (unless modified herein), the City's Comprehensive Plan, as amended from time to time, and the provisions of this Ordinance; and

5. Is consistent with the June 15, 2023 Narrative submitted by the Applicant, Attached hereto as Exhibit C.

In the property owner(s) discretion, a Site Development Concept Plan may be submitted for Area 1, 2, and 3 and a separate Site Development Concept Plan (or Site Development Plan) may be submitted for Area 4.

P. GEOTECHNICAL REPORT

Prior to Site Development Plan approval, provide a geotechnical report, prepared by a registered professional engineer licensed to practice in the State of Missouri, as directed by the Department of Public Services. The report shall verify the suitability of grading and proposed improvements with soil and geologic conditions and address the existence of any potential sinkhole, ponds, dams, septic fields, etc., and recommendations for treatment. A statement of compliance, signed and sealed by the geotechnical engineer preparing the report, shall be included on all Site Development Plans and Improvement Plans.

Q. SUPPLEMENTATION, MODIFICATION, AND/OR ALTERATION

Upon application from a petitioner, any performance standard provided in this Attachment "A" or required by any other District regulation or Ordinance of the City may be supplemented, modified, or altered in the Site Development Concept Plan or Site Development Section Plan provided such supplement, modification and/or alteration will further the purpose and intent of the PC&R District. A public hearing is not required in the process and recommendation by the Planning Commission will be forwarded by the City Council for final approval.

R. MISCELLANEOUS

1. All utilities shall be installed underground.
2. Prior to record plat approval, the developer shall cause, at its expense and prior to recording any plat, the reestablishment, restoration or appropriate witnessing of Corners of the United States Public Land Survey located within, or which define or lie upon, the out boundaries of the subject tract in accordance with the Missouri Minimum Standards relating to the preservation and maintenance of the United States Public Land Survey Corners, as necessary US Survey Corners located on or near the development site must be protected and shall be restored if disturbed due to construction.
3. Prior to the release of subdivision construction deposits, the developer shall provide certification by a registered land surveyor that all monumentation depicted on the record plat has been installed and the United States Public Land Survey Corners have not been disturbed during construction activities or that have been reestablished and the appropriate documents filed with the Missouri Department of Natural Resources Land Survey Program, as necessary.

4. Any retaining wall along public right of way shall be private and remain private forever and shall be located such that it is not necessary to support any public improvements.
5. Road improvements and right-of-way dedication shall be completed prior to the issuance of an occupancy permit. If development phasing is anticipated, the developer shall complete road improvements, right-of-way dedication, and access requirements for each phase of development as directed by the City of Chesterfield. Delays due to utility relocation and adjustments will not constitute a cause to allow occupancy prior to completion of road improvements.
6. Applicant/Owners of parcels submitting Site Development Section Plans shall be required to contribute a Traffic Generation Assessment (TGA) of the applicable as established by Ordinance 3207 or amendments thereafter to the City of Chesterfield. Allowable credits for required improvements will be awarded as directed by the City of Chesterfield.
7. The TGA deposit shall be made prior to the issuance of a Municipal Zoning Approval (MZA) by the City of Chesterfield.
8. The developer is advised that utility companies will require compensation for relocation of their facilities with public road right of way. Utility relocation cost shall not be considered an allowable credit against the petitioner's traffic generation assessment contributions. The developer should also be aware of the extensive delays in utility company relocation and adjustments. Such delays will not constitute a cause to allow occupancy prior to completion of road improvements.
9. Kiosks are allowed in the District provide they do not impede pedestrian and vehicular traffic and meet ADA accessibility requirements. Kiosks can be an arrangement of mobile units, fixed units, or a mixture of both joined together to form a structure not to exceed 100 square feet. Uses within kiosks will be approved uses in this Attachment. A Special Activity Permit may be required as directed by the City of Chesterfield.

II. GENERAL CRITERIA

A. SITE DEVELOPMENT CONCEPT PLAN SUBMITTAL

The Site Development Concept Plan shall include all items previously referenced in this Attachment, **be consistent with Section O. of this ordinance**, and:

1. Any Site Development Concept Plan shall show all information required on a preliminary plat as required in the City of Chesterfield Code and as required herein.

2. Provide comments/approvals from the appropriate Fire District, the St. Louis County Department of Transportation, Monarch Chesterfield Levee District, Spirit of St. Louis Airport and the Missouri Department of Transportation.
3. Compliance with the current Metropolitan Sewer District Site Guidance as adopted by the City of Chesterfield.
4. Location map, north arrow, and plan scale. The scale shall be no greater than one (1) inch equals one hundred (100) feet.
5. Out boundary plat and legal description of property.
6. A note indicating all utilities will be installed underground.
7. Adhere to the Tree Preservation and Landscape requirements of the UDC and submit a Concept Landscape Plan.
8. Adhere to the Lighting requirements of the UDC and/or submit a Specialty Lighting package.
9. Adhere to the Signage requirements of the UDC and/or submit a Comprehensive Sign Package.
10. Provide design standards for all public spaces and street character. The Architectural Review Board shall review all Site Development Concept Plans of the design of public spaces and street character and make recommendations for approval to the Planning Commission.
11. Where known, depict the location of all buildings, size, including height and distance from adjacent property lines, and proposed use.
12. Specific structure, parking setbacks and build-to lines along all roadways and property lines.
13. Indicate location of all existing and proposed freestanding development monument signs.
14. Zoning district lines, subdivision name, lot number, dimensions, and area, and zoning of adjacent parcels where different than site.
15. Depict existing and proposed improvements within 150 feet of the site. Improvements include, but are not limited to, roadways, driveways and walkways adjacent to and across the street from the site, significant natural features, such as wooded areas and rock formations, and other karst features that are to remain or be removed.

16. Depict all existing and proposed easements and rights-of-way within 150 feet of the site and all existing or proposed off-site easements and rights-of-way required for proposed improvements.
17. Indicate the location of the proposed storm sewers, detention basins, sanitary sewers and connection(s) to the existing systems.
18. Depict existing and proposed contours at intervals of not more than one (1) foot, and extending 150 feet beyond the limits of the site as directed.
19. Comply with all preliminary plat requirements of the City of Chesterfield Subdivision Regulations per the City of Chesterfield Code.
20. Signed and sealed in conformance with the State of Missouri Department of Economic Development, Division of Professional Registration, Missouri Board for Architects, Professional Engineers and Land Surveyors requirements.

B. SITE DEVELOPMENT SECTION PLAN SUBMITTAL REQUIREMENTS

The Site Development Section Plans shall include all items previously referenced in this Attachment and:

1. Location map, north arrow, and plan scale. The scale shall be no greater than one (1) inch equals one hundred (100) feet.
2. Parking calculation, including calculation for all spaces, required and proposed, and the number, size and location for handicap designed.
3. For commercial development, provide square footage proposed.
4. For residential development provide the number of units proposed to be built.
5. For hotel development provide the square footage and number of rooms proposed.
6. A note indicating all utilities will be installed underground.
7. Address all signage in accordance with the City of Chesterfield Code and provided in the Site Development Concept Plan.
8. Address landscaping in accordance with the Tree Preservation and Landscape requirements in the UDC and provided in the Site Development Concept Plan.
9. Address all lighting in accordance with the Lighting requirements in the UDC and provided in the Site Development Concept Plan.

10. Depict the location of all buildings, size, including height and distance from adjacent property lines and proposed use.
11. Specific structure, parking setbacks and build-to lines along all roadways and property lines.
12. Indicate location of all existing and proposed freestanding monument signs.
13. Zoning district lines, subdivision name, lot number, lot dimensions, lot area, and zoning of adjacent parcels where different than site.
14. Depict existing and proposed improvements within 150 feet of the site as directed. Improvements include, but are not limited to, roadways, driveways and walkways adjacent to and across the street from the site, significant natural features, such as wooded areas and rock formations, and other karst features that are to remain or be removed.
15. Depict all existing and proposed easements and rights-of-way within 150 feet of the site and all existing or proposed off-site easements and rights-of-way required for proposed improvements.
16. Indicate the location of the proposed storm sewers, detention basins, sanitary sewers and connection(s) to the existing systems.
17. Depict existing and proposed contours at intervals of not more than one (1) foot, and extending 150 feet beyond the limits of the site as directed.
18. Signed and sealed in conformance with the State of Missouri Department of Economic Development, Division of Professional Registration, Missouri Board for Architects, Professional Engineers and Land Surveyors requirements.
19. Provide comments/approvals from the appropriate Fire District, Monarch Levee District, Spirit of St. Louis Airport, St. Louis Department of Transportation, Metropolitan St. Louis Sewer District (MSD), and the Missouri Department of Transportation.
20. Compliance with the current Metropolitan Sewer District Site Guidance as adopted by the City of Chesterfield.

III. RECORDING

Within sixty (60) days of approval of any development plan by the City of Chesterfield, the approved Plan will be recorded with the St. Louis County Recorder of Deeds. Failure to do so will result in the expiration of approval of said plan and require re-approval of a plan by the Planning Commission.

IV. ENFORCEMENT

- A.** The City of Chesterfield, Missouri will enforce the conditions of this ordinance in accordance with the Plan approved by the City of Chesterfield and the terms of this Attachment A.
- B.** Failure to comply with any or all the conditions of this ordinance will be adequate cause for revocation of approvals/permits by reviewing Departments and Commissions.
- C.** Non-compliance with the specific requirements and conditions set forth in this Ordinance and its attached conditions or other Ordinances of the City of Chesterfield shall constitute an ordinance violation, subject, but not limited to, the penalty provisions as set forth in the City of Chesterfield Code.
- D.** Waiver of Notice of Violation per the City of Chesterfield Code.
- E.** This document shall be read as a whole and any inconsistency to be interpreted to carry out the overall intent of this Attachment A.

ST. LOUIS COUNTY BENCHMARK
 BENCHMARK# 12165 NAVD88 Elev = 646.83
 "Standard Aluminum Disk" stamped SL-31, 1990, Disk is set along the west side of Elbridge-Payne Drive, across from the north drive extended for Innovations Inc. Approximately 180' south of the intersection of Hwy I-64 South Outer Road and Elbridge-Payne Drive.

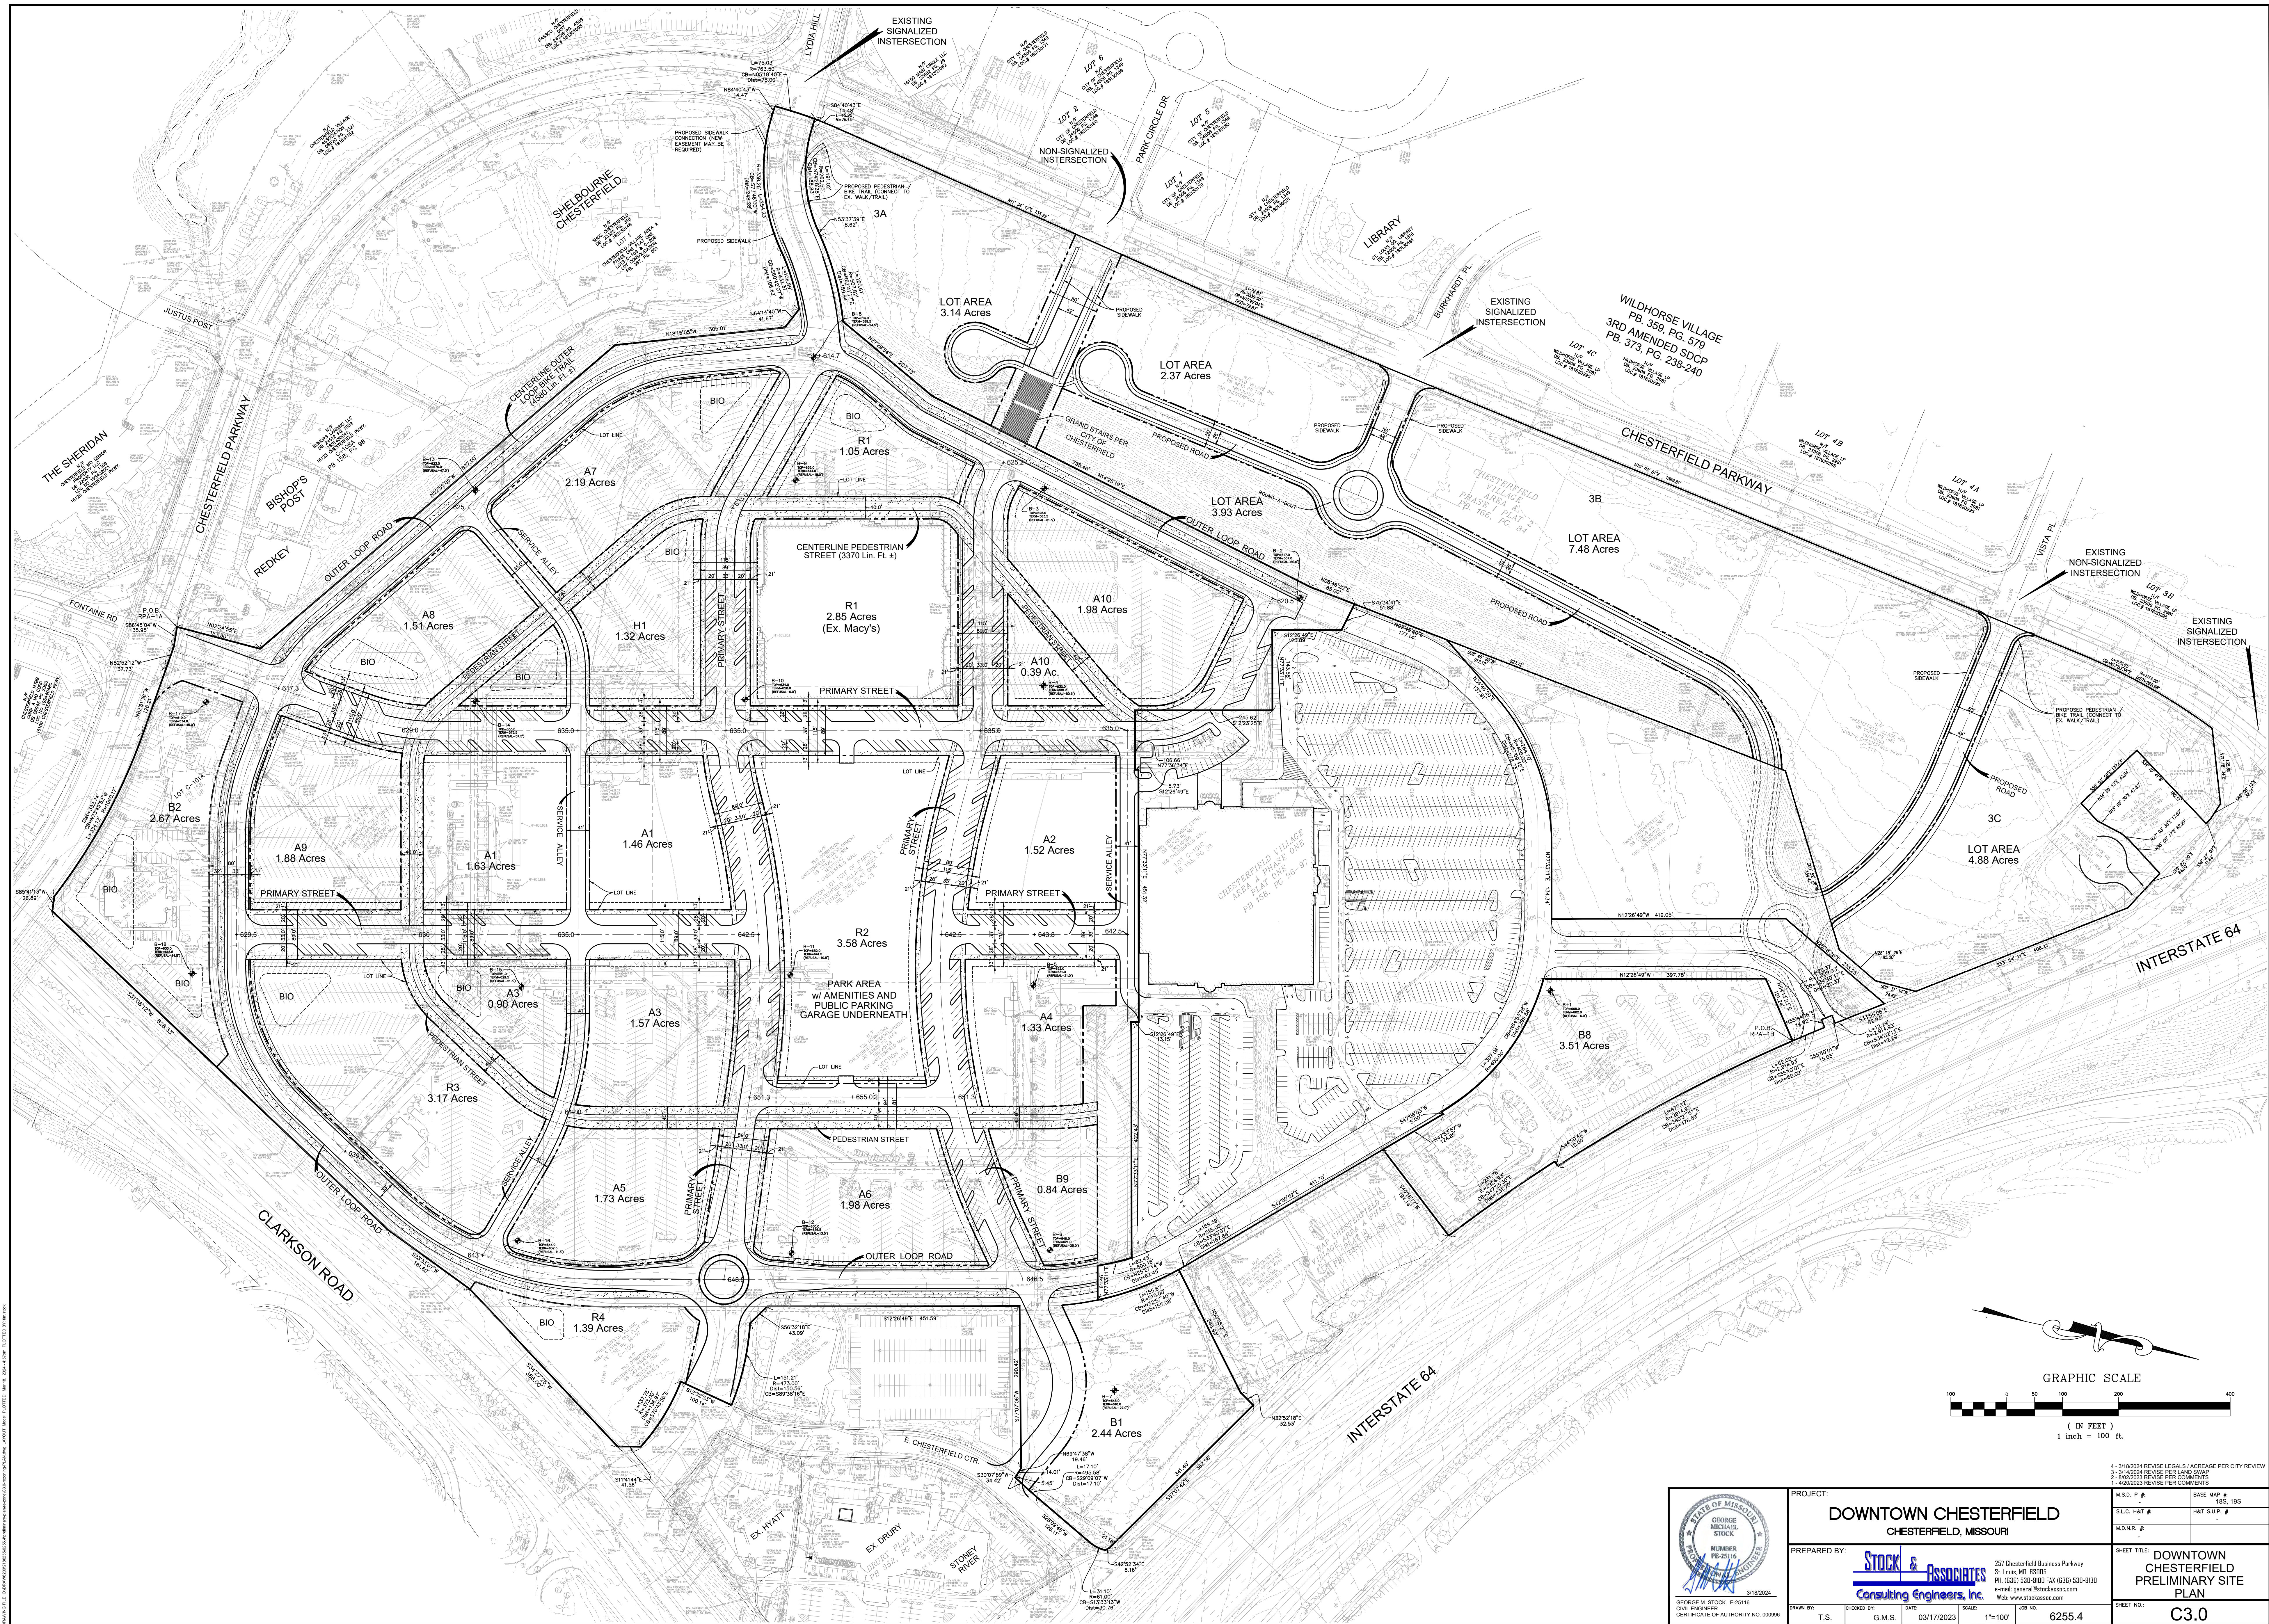

FLOOD NOTE:
 Subject property lies within Flood Zone X (Areas of minimal flood hazard) according to the National Flood Insurance Rate Map Numbers 29189C0164K, 29189C0165K and 29189C0170K all with effective dates of 2-4-2015.

UTILITY NOTE:
 UNDERGROUND FACILITIES, STRUCTURES AND UTILITIES HAVE BEEN PLOTTED FROM AVAILABLE SURVEYS, RECORDS AND INFORMATION, AND THEREFORE DO NOT NECESSARILY REFLECT THE ACTUAL EXISTENCE, NON-EXISTENCE, SIZE, TYPE, NUMBER, OR LOCATION OF THESE FACILITIES, STRUCTURES AND UTILITIES. THE CONTRACTOR SHALL BE RESPONSIBLE FOR VERIFYING THE ACTUAL LOCATION OF ALL UNDERGROUND FACILITIES, STRUCTURES, AND UTILITIES, EITHER SHOWN OR NOT SHOWN ON THESE PLANS. THE UNDERGROUND FACILITIES, STRUCTURES, AND UTILITIES SHALL BE LOCATED IN THE FIELD PRIOR TO ANY GRADING, EXCAVATION OR CONSTRUCTION OF IMPROVEMENTS. THESE PROVISIONS SHALL IN NO WAY ABSOLVE ANY PARTY FROM COMPLYING WITH THE UNDERGROUND FACILITY SAFETY AND DAMAGE PREVENTION ACT, CHAPTER 319 RSMo.

PROJECT NARRATIVE

A Rezoning Request for Downtown Chesterfield

(Stock Project No. 218-6255.4)

TSG Downtown Chesterfield Redevelopment, LLC respectfully requests the City of Chesterfield’s consideration in rezoning +/- 96.017 Acre tract of land located at and around the former Chesterfield Mall to a “PC&R” Planned Commercial & Residence District.

Downtown Chesterfield is a unique 21st Century NEW Central Business District for the City of Chesterfield, Missouri. Unlike other mixed use / retail developments being developed throughout the US, Downtown Chesterfield is a true downtown urban core with high rise office, hotel and density residential uses organized through a landscaped public realm including a 3.5-acre central park at the heart of the development and will be home to hundreds of shops and restaurants, corporate headquarters, office workers and thousands of residents living in a unique urban environment.

The planning concept includes a one-mile loop - pedestrian only path that is integrated into the development and places all residents, retail and office tenants, and visitors within a 5 – 10-minute walk of any destination within Downtown Chesterfield. A central park, pocket parks, jogging trails and bicycle paths are carefully allocated throughout to provide access to all areas of Downtown Chesterfield and connectivity to the surrounding community.

With a grid of treelined urban streets designed for corporate headquarters, office buildings, luxury condominiums, apartments, hotels, retail, restaurants and entertainment, Downtown Chesterfield offers a walkable, safe, and ecologically sustainable urban core that gives priority to the pedestrian over the automobile. Nine acres of park space, with over 25% of the site dedicated to public plazas and sidewalks, parks, bicycle trails, pedestrian street and rain gardens thereby reducing the heat island effect of the development and ensuring its legacy as a new vision for a downtown in Chesterfield, Missouri.

For many years the Chesterfield community desired a true “Downtown” where people could live, work and play. A true “Downtown” is defined by mixed use, but in the early 2000s when the then largest property owner in Chesterfield Village and Chesterfield officials and staff began to look at what needed to be accomplished to facilitate such a development, they discovered that there was no appropriate zoning district available under the City’s Code. After much research and discussion, the City adopted PC&R (Section 405.03.040 (J)). It is a unique zoning district in that it is only to be used for a downtown development “in the area bounded on the east by State Route 340 (Clarkson Road), on the west by Baxter

Road, on the north by State Route 40/I-64, and on the south by Lydia Hill Drive/August Hill Drive.”

Any proposed development requesting PC & R must also contain “a minimum of seventy (70) acres”. While it was originally envisioned that “Downtown” would be located where Wildhorse Village is being developed, the failure of the Chesterfield Mall changed the community’s perspective. The Envision Chesterfield Comprehensive Plan 2020 (the “Comprehensive Plan”) envisions “Downtown” now being located in the area bounded by State Route 340 on the east and Chesterfield Parkway West on the west. Because the City had the foresight, the prescribed area for PC & R includes the new location for “Downtown”.

The Primary Land Uses identified in the Comprehensive Plan include “High density residential, Office, Lodging, Institutional (and) Retail and Personal Service” uses. PC & R permits any of the “commercial uses permitted in the Planned Commercial (PC) District or any of the residential uses in any of the residential districts listed in Table A-1 in section 405.03.020.” The permitted uses must be listed in the site-specific PC & R zoning ordinance, and they may be integrated vertically or horizontally and located as shown on a Site Development Plan, Site Development Concept Plan, OR Site Development Section Plan. The permitted uses requested are the following:

The uses allowed in this Planned Commercial and Residence (“PC&R”) District shall be:

1. Administrative offices for educational or religious institutions
2. Church and other places of worship
3. Community center
4. Library
5. Parks
6. Dwelling, multi-family
7. Single Family Attached
8. Single Family Detached
9. Home Occupation
10. Art Gallery
11. Art Studio
12. Auditorium
13. Banquet Facility
14. Club
15. Farmer’s market
16. Gymnasium
17. Museum
18. Reading Room
19. Recreation Facility
20. Office-dental
21. Office-general

22. Office-medical
23. Automobile Dealership (Storefront Only)
24. Bakery
25. Bar
26. Bowling Center
27. Brewery
28. Brewpub
29. Coffee shop
30. Grocery-community
31. Grocery-neighborhood
32. Grocery-supercenter
33. Newspaper stands.
34. Restaurant-sit down
35. Restaurant-fast food – No Drive Thru
36. Restaurant-takeout
37. Restaurant-takeout - Neighborhood
38. Retail sales establishment – community
39. Retail sales establishment – regional
40. Animal grooming service
41. Barber or beauty shop
42. Broadcasting studio
43. Commercial service facility
44. Day care center
45. Drug store and pharmacy
46. Dry cleaning establishment
47. Financial institution, no drive-thru
48. Hospital
49. Hotel and motel
50. Hotel and motel-extended stay
51. Kennel, boarding
52. Kennel, private
53. Laboratory-professional, scientific
54. Laboratory
55. Laundromat
56. Nursing home
57. Parking area (stand-alone), including garages for automobiles. Not including sales or storage of damaged vehicles for more than 72 hours.
58. Professional and technical service facility
59. Research laboratory and facility
60. Theatre, indoor
61. Theatre, outdoor
62. Veterinary clinic

63. College/university
64. Kindergarten or nursery school
65. Specialized private school.

Because of the size, complexity, mix of uses and length of time to build out a downtown development in a PC & R district, more flexibility is provided in anticipation of future changes that naturally occur due to passage of time and changes in market conditions. That flexibility is reflected in the fact that PC & R permits performance standards to be established in the site-specific zoning ordinance OR in the Site Development Plan, Site Development Concept Plan, OR Site Development Section Plan. The following performance standards are requested to be included in the site-specific zoning ordinance:

DENSITY LIMITATIONS

1. The cumulative gross floor area for Commercial Uses in this District shall be limited to not more than a Floor Area Ratio (F.A.R.) = 1.0. Floor Area Ratio (F.A.R.) shall be Calculated by Total Gross Floor Area of all buildings divided by the Gross Area of land within the “PC&R” District. F.A.R. shall not be calculated on a lot-by-lot basis.
2. The maximum number of residential units allowable within this District shall be 30-Units / Acre. Acreage shall be Calculated by the Gross Area of land within the “PC&R” District and shall not be calculated on a lot-by-lot basis.
3. The maximum number of rooms for hotels and lodging shall be 300 rooms; the maximum number of square feet for hotels and lodging shall be 350,000 square feet.

BUILDING AND STRUCTURE LOCATION

1. Location of Buildings and Structures shall be approved on the Site Development Concept Plan or Site Development Section Plan.
2. Build-to Line location shall be approved on the Site Development Concept Plan or Site Development Section Plan.
3. Additional space between buildings for walkways and pedestrian paths connecting to parking or open space, shall be approved on the Site Development Concept Plan or Site Development Section Plan.

BUILDING HEIGHT

1. Total building height for any permitted use shall not exceed 300-feet as measured from average street elevation.

BUILDING AND STRUCTURE FUNCTION

1. Ground floor of all buildings shall include pedestrian access to retail, restaurant, office, multi-family residential, or hotel uses. Access shall not require such uses to be located

within a building, but such uses may be located within a building. Parking garage access shall be allowed from the primary streets.

2. Trash pickup, receiving, loading, and service functions shall be located off the outer loop road and service alleys when feasible.

PARKING

- Surface parking shall be allowed as shown on the Site Development Concept Plan.

PARKING REQUIREMENTS

1. Required parking shall be determined cumulatively by use category for the entire “PC&R” District and shall not be calculated on an individual lot-by-lot basis; parking shall be calculated for each use category as follows:

Minimum Parking Required

Retail/Restaurant:	4.0 Parking Ratio / 1,000 G.F.A.
Grocery:	5.0 Parking Ratio / 1,000 G.F.A.
Office:	3.0 Parking Ratio / 1,000 G.F.A.
Residential:	1.5 Parking Ratio / Unit
Hotel:	0.8 Parking Ratio / Room

2. Required parking shall be provided at not less than 80% of the above-described calculations.

All other performance standards would be established in the Site Development Plan, Site Development Concept Plan, OR Site Development Section Plan.

The proposed downtown development will comply with the Development Policy applicable to “Downtown” in the Comprehensive Plan.
