

MEMORANDUM

DATE: August 8, 2014
TO: Michael Herring, City Administrator
FROM: Mike Geisel, Director of Public Services
RE: CVAC operational agreement

As you undoubtedly remember, the Chesterfield Valley Athletic Complex began its municipal park operations in 1999. At that time, the City owned that portion of the CVAC consisting of the "C athletic quad" quad and the property west. The "D & E" athletic quads were owned and operated by the Chesterfield Athletic Association. The F quads and the Parks Operation & Maintenance Facility had not yet been constructed. **Soon after its inaugural operations, The City and CCA entered into an historic public private partnership which provided for an exchange of real estate and equipment assets for specific rental considerations and the City's assumption of operation and maintenance of the entire complex.** Subsequently, the City received compensation from the Monarch Chesterfield Levee District in return for grants of Levee \ Sand Berm easements. Sums received for the granting of easements provided for immediate and necessary complex enhancements, which established the infrastructure foundation for the complex as it exists today. The acquisition, improvement, and operation of the CVAC then led to the successful passage of Proposition P in 2004, which provided financial support for the operation and expansion of Chesterfield Parks. The CVAC has since been expanded and improved in countless ways. We estimate more than 3 million patrons visit the complex annually.

When the original CCA agreement was conceived, it provided for twenty years of \$100,000 annual field rental credits. At the time, the CCA was an umbrella organization consisting of the Chesterfield Baseball & Softball Association as well as the Ascension Athletic Association. Since 2000, the expansion of the CVAC has correlated closely with the activities of these organizations. The size, scope, complexity and operation of the complex has exceeded any reasonable projections and the CBSA and AAA have become relatively independent of each other, as well as the CAA umbrella. Accordingly, **it has become necessary to**

amend the original agreement to simply reflect current organization constructs and operational realities. Frankly, the facility, the use, and the preferred organizations using the facility have outgrown the original agreement. Staff has developed a revised agreement which identifies the CBSA and AAA as individual preferred users of the CVAC, each of which are entitled to one-half share of the annual rental credits. Definition has been expanded to differentiate between regular league use, and other activities such as tournaments or training schools.

Please note that the revised agreement does not alter, extend, expand or otherwise change the original rental entitlements. The changes are primarily related to the organizational changes and the operational realities of the CVAC. It does, however, identify each preferred user, the CBSA and AAA, as each being independently entitled to ½ of the overall entitlement.

The proposed agreement has been developed in consultation with the affected agencies and has been reviewed by our City Attorney. I have attached the original CCA\City agreement for your convenience and reference. I have also attached the proposed amended agreement, which I recommend be forwarded to the next Parks and Recreation Committee for consideration. I recommend that the agreement be recommended for approval by the full City Council and that Council authorize you, as City Administrator, to execute it on behalf of the City.

If you have any questions or require additional information, please let me know.

Whereas the Chesterfield Athletic Association, the Chesterfield Baseball and Softball Association, and Ascension Athletic Association have successfully cooperated to provide premier facilities and recreational programs for a substantial number of Chesterfield residents; and,

Whereas the Chesterfield Athletic Association and the City of Chesterfield consummated a real estate transaction on April 27, 2000 providing for the conveyance of real estate to the City of Chesterfield for the creation of the Chesterfield Valley Athletic Complex; and,

The parties acknowledge and agree that for the purposes of establishing rights and responsibilities under the terms of this new Cooperative Agreement, it is desirable to identify each equity member separately. Because of CCA's rights under the current Cooperative Agreement and since CCA serves the residents of Chesterfield, the CBSA and AAA will hereinafter be referred to as Preferred User Group individually or Preferred User Groups collectively.

the time that the Preliminary Schedules and the Final Schedules are submitted. However, the City does not guarantee to accommodate any such changes, and the Preferred User Groups recognize that City shall be scheduling other events and alternative users to maximize the City's use of the Chesterfield Valley Athletic Complex.

3. FACILITIES:

Preferred Users shall abide by the CVAC Rules and Responsibilities ("Exhibit A") and Park Rules and Regulations ("Exhibit B"), both of which may be revised by City from time to time.

4. TERM:

The Term of the Preferred User Group's Discount (as defined below) is up to and including the 2019 calendar year unless extended as herein provided.

The term of the Preferred User Group's Priority Scheduling shall run with the discount period. It is the intent of all parties that this cooperative priority scheduling relationship shall continue following the discount period, automatically renewable on an annual basis with the mutual consent of both parties, with the exception that the financial discounts will be discontinued after the calendar year 2019.

5. RENTAL RATES AND DISCOUNT:

Preferred User Groups, having 51% Chesterfield residents, as discussed in Paragraph 1, above, shall be entitled to use the CVAC at the Residential Rental Rates for league play and related practices, as herein provided.

The City shall periodically review and establish its field rental rates. The review shall include a comparison of rental rates to other rates in the market.

The City reserves its right to establish rental agreements and independent rates for special events, camps, schools,

tournaments, charitable events, or events that the City partners or sponsors. This agreement does not limit the City's abilities to contract with other entities for use of the Chesterfield Valley Athletic Complex.

The City agrees that it will not offer or charge other users a rental rate less than those offered to Preferred User Groups, with or without The Discount (defined below) for similar league or practice use. If such rate is so provided to another user, then Preferred Users shall also receive the benefit thereof prior to The Discount (defined below) being calculated in. This provision is applicable for league and related practice usage. This provision is not intended to limit or restrict the City with regard to rental agreements and independent rates for special events, camps, schools, tournaments, charitable events, or events that the City partners or sponsors.

Effective January 1, 2013, CBSA shall receive a discount from the Residential or other applicable Rental Rates for CBSA's usage of the CVAC. The discount to the applicable Rental Rates shall be \$50,000.00 per year, up to and including the 2019 calendar year ("The Discount").

The Discount is to be credited against the first sums due and payable to the City from Preferred User Group in a calendar year. Thereafter, for any scheduled events by Preferred User Group, after having received The Discount credits toward its deposits or fee usage, Preferred User Group shall remit any or all amounts due and payable as defined in the terms of this agreement for usage of the complex. The actual discount

provided shall be deducted from the calculated rental payments due by Preferred User Group and any amounts remaining shall be remitted to the City for the continued usage of the CVAC in that year.

If Preferred User Group does not schedule the use of the CVAC fields in any given year in an amount sufficient to warrant the receipt of the full value of The Discount, \$50,000 of rental revenue, then said Preferred User Group shall forfeit any unused portion of the discount not so utilized, and same shall not be able to be recouped in any subsequent year.

The City, however, specifically exempts from any rental rate schedules, upon which Preferred User Groups applicable rental rates are determined, special events, programs, camps tournaments, schools, charitable agencies, any events that the City sponsors or partners in.

The City shall not allow any outside agency, individual or entity, to use the Preferred User Groups to obtain preferred rental rates.

The Preferred User Groups may not transfer or assign rental rates or their discount.

Preferred User Groups shall be the only entities entitled to Preferred User Group rental rates and shall not transfer and/or submit the facilities or allow outside agencies to use Preferred User Group as any kind of straw party or agent.

Preferred User Groups agree that this Agreement shall not be assigned, without City's written agreement and any attempt of assignment by Preferred User Groups shall be null and void.

In the event that CBSA dissolves or becomes defunct for whatever reason, the benefit of this Declaration or any of the field discounts (the Fifty Thousand Dollar annual discount) under this Agreement are not assignable except as herein provided. For the purposes of this Agreement if CBSA dissolves the City shall have no further obligation to CBSA. The proposed field discount is not to be considered as having any cash value

and is only an obligation under the terms of this Agreement.

In the event that AAA dissolves or becomes defunct for whatever reason, the benefit of this Declaration or any of the field discounts (the Fifty Thousand Dollar annual discount) under this Agreement are not assignable except as herein provided. For the purposes of this Agreement if AAA dissolves the City shall have no further obligation to AAA. The proposed field discount is not to be considered as having any cash value and is only an obligation under the terms of this Agreement.

6. RAINOUTS:

The parties understand and acknowledge that from time to time it will be necessary to shut down the athletic fields for use. The parties agree that rainouts will be considered those times which the fields are closed when City, as owner, prohibits the use of the fields because of rain and rainouts shall not be considered shut down periods when a league or Preferred User Group "elects" not to play. To the extent possible, rainouts will be used as times for which the fields will be considered at rest, when possible, on the schedule.

7. INSURANCE:

Preferred User Groups shall maintain, during the term of this Agreement, at its own expense, insurance as follows: A comprehensive general liability insurance to include premises/operations, products, personal injury, completed operations, incidental malpractice and contractual coverages and liquor liability coverage with a minimum limit of Two Million Dollars (\$2,000,000.00) combined for any single occurrence and Three Hundred Thousand Dollars (\$300,000.00) for any single person per occurrence and for property damage. The above coverages must be written by an insurer having an AM Best and Company Rating of at least A +. Said liability and insurance must cover the premises herein named and all of the activities pertaining to CCA.

Certificates of insurance shall be filed with the City prior to

commencement of this Agreement and provided annually hereafter and Preferred User Groups shall submit, during the course of this Agreement, at least fifteen (15) days prior to the expiration of any insurance policy, a certificate indicating and evidencing either a renewal or a new policy. City shall be named as an additional insured and it shall provide that the insurer shall, at least thirty (30) days prior to the expiration, amendment, or cancellation of any such policy, give the City notice in writing of such expiration, amendment, or cancellation.

7. INDEMNIFICATION:

Preferred User Groups shall, at their sole cost and expense, indemnify, hold harmless and protect the City, including its officers and employees, from and against any and all claims, damages, costs or expenses, including court costs and reasonable attorney's fees, for any claims arising out of Preferred User Groups use and activities under this Agreement. This indemnification is not applicable to challenges to the City's authority to enter in this Agreement or its terms.

8. ROUTINE OPERATIONS AND MAINTENANCE:

It is understood and agreed that City shall pay for all salaries, equipment, materials, and supplies necessary for the operation of the CVAC. Preferred User Groups shall not be required to expend any monies whatsoever for nominal costs of operating the facility. Chesterfield shall operate and maintain the facilities and the complex in accordance with the rules and regulations established by the St. Louis County Health Department and shall comply with all applicable governmental requirements. The City shall keep the premises in a clean and orderly condition and shall see to the proper collection of waste, garbage, and other debris.

9. DISORDERLY CONDUCT:

Preferred User Groups agree that they will, to the extent possible, take every action necessary to prevent any and all disorderly or boisterous conduct or immoral practices of any kind and/or about the premises by its members or those

associated with Preferred User Group.

10. CONTINUOUS USE:

City agrees to continue to use the CVAC as a sports complex for use by Preferred User Groups in accordance with the terms set out herein until 12/31/2019 or as extended hereunder.

If City fails to continue the use of the CVAC for any reason, other than a sale or lease of the CVAC (in whole or part), then the City is obligated to extend the Term of the Discount as defined in Paragraph 3 above beyond 2019 for each season or year that the CVAC is not able to be used by the Preferred User Groups were therefore unable to receive The Discount.

However, upon the sale or lease of the CVAC (in whole or part), to an alternative user, then the City shall remit the remaining amount of The Discount due to Preferred User Groups on an annual basis (not to exceed \$50,000 per year). The maximum payments due will be for the remaining number of years to the original term as defined in Paragraph 3 above. However, if there is a sale or lease for an alternate use that prohibits the Preferred User Group its use under this Agreement and to the extent the City receives compensation therefore, Preferred User Group will receive its remaining discount at the time of sale or lease. Both parties acknowledge that the City Council must appropriate any amounts due under this provision.

If at any time after the Term as defined in Paragraph 3 above, City desires not to use the CVAC as a sports complex, then neither party shall have any obligations to the other under this Agreement except as recorded documents reflect.

11. BINDING EFFECT:

This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors and assignors. Therefore, starting in year 2005, the parties agree that the City shall thereafter set its field rental rates to be competitive in the market.

Further, the City agrees to provide to no other user of the CVAC a rental rate, inclusive of any type of discount or credit, lower than CCA's established rental rate with or without The Discount (defined below) calculated in. If such rate is so provided to another user, then CCA shall also receive the benefit thereof prior to The Discount (defined below) being calculated in.

Starting in the year 2000, CCA shall receive a discount from the Residential or other applicable Rental Rates for CCA's usage of the CVAC. The discount to the applicable Rental Rates shall be \$100,000.00 per year up to and including 2019, unless otherwise extended as herein provided. ("The Discount").

Except as otherwise herein provided, CCA shall receive The Discount from the City in a manner of a credit from any rental rate payments due the City from CCA in any given year of the Term as defined in Paragraph 3, above.

After the full amount of The Discount is received by CCA in a given year, then CCA shall remit the appropriate Rental Payments to the City for the continued usage of the CVAC in that year.

If CCA does not schedule the use of the fields in any given year enough to warrant the receipt of The Discount, i.e. over \$100,000 of rental revenue, then CCA shall lose any portion of the discount not so utilized, and same shall not be able to be recouped in any subsequent year.

The timing of CCA's receipt of The Discount or credit shall be at CCA's election. Thereafter, for any scheduled events by CCA, after having been given the discount of One Hundred Thousand Dollars (\$100,000.00) toward its fee usage, CCA shall remit the full amount due and payable for usage of the complex as would any other user in that year.

The City, however, specifically exempts from any rental rate schedules, upon which CCA applicable rental rates or upon which market rates are determined, any events that the City sponsors or partners in. This shall include, but is not limited to, tournaments that the City sponsors directly or partners in with CCA

or others, as a program where the City may use its fields as its in-kind contribution.

No outside agency, individual or entity, can use CCA to obtain CCA rates. CCA shall be the only entity entitled to CCA rates and shall not transfer and/or submit the facilities or allow outside agencies to use CCA as any kind of straw party or agent.

CCA agrees that this Agreement shall not be assigned by CCA, without City's written agreement and any attempt of assignment by CCA shall be null and void.

However, the parties acknowledge that CCA is made up of two (2) equity members, CAA and Ascension. These entities are beneficiaries of this contract and their participation in CCA and their use of the CVAC shall not be considered to be a prohibited assignment hereunder.

If CCA dissolves, then CAA and Ascension as they are currently constituted, may use the CVAC in the stead of CCA and in accordance with the terms of this agreement. CCA and its equity partners may change the way that they are constituted from time to time and City will not unreasonably refuse to recognize said changes for purposes of the equity members use if CCA dissolves.

In the event that CCA dissolves or becomes defunct for whatever reason, the benefit of this Declaration or any of the field discounts (the One Hundred Thousand Dollar annual discount) or the right to compensation under the Contract or this Agreement are not assignable except as herein provided. For the purposes of this Agreement if CCA dissolves and CAA and Ascension also dissolve, the City shall have no further obligation to CCA or its two equity members named above. The proposed field discount is not to be considered as having any cash value and is only an obligation under the terms of this Agreement.

5. RAINOUTS:

The parties understand and acknowledge that from time to time it will be necessary to shut down the athletic fields for use. The parties agree that rainouts will be considered those times which the fields are closed when City, as owner, prohibits the use of the fields because of rain and rainouts shall not be considered shut down periods when a league or CCA "elects" not to play. To the extent possible, rainouts will be used as times for which the fields will

be considered at rest, when possible, on the schedule.

6. INSURANCE:

CCA shall maintain, during the term of this Agreement, at its own expense, insurance as follows: A comprehensive general liability insurance to include premises/operations, products, personal injury, completed operations, incidental malpractice and contractual coverages and liquor liability coverage with a minimum limit of Two Million Dollars (\$2,000,000.00) combined for any single occurrence and Three Hundred Thousand Dollars (\$300,000.00) for any single person per occurrence and for property damage. The above coverages must be written by an insurer having an AM Best and Company Rating of at least A+. Said liability and insurance must cover the premises herein named and all of the activities pertaining to CCA.

Certificates of insurance shall be filed with the City prior to commencement of this Agreement and provided annually hereafter and CCA shall submit, during the course of this Agreement, at least fifteen (15) days prior to the expiration of any insurance policy, a certificate indicating and evidencing either a renewal or a new policy. City shall be named as an additional insured and it shall provide that the insurer shall, at least thirty (30) days prior to the expiration, amendment, or cancellation of any such policy, give the City notice in writing of such expiration, amendment, or cancellation.

7. INDEMNIFICATION:

CCA shall, at its sole cost and expense, indemnify, hold harmless and protect the City, including its officers and employees, from and against any and all claims, damages, costs or expenses, including court costs and reasonable attorney's fees, for any claims arising out of CCA's use and activities under this Agreement. This indemnification is not applicable to challenges to the City's authority to enter in this Agreement or its terms.

8. ROUTINE OPERATIONS AND MAINTENANCE:

It is understood and agreed that City shall pay for all salaries, equipment, materials, and supplies necessary for the operation of the CVAC. CCA shall not be required to expend any monies whatsoever for nominal costs of operating the facility. Chesterfield shall operate and maintain the facilities and the complex in accordance with the rules and regulations established by the St. Louis County Health Department and shall comply with all applicable

government requirements. The City shall keep the premises in a clean and orderly condition and shall see to the proper collection of waste, garbage, and other debris.

9. DISORDERLY CONDUCT:

CCA agrees that it will, to the extent possible, take every action necessary to prevent any and all disorderly or boisterous conduct or immoral practices of any kind and/or about the premises by its members or those associated with CCA.

10. CONTINUOUS USE:

City agrees to continue to use the CVAC as a sports complex for use by CCA in accordance with the terms set out herein until 2019 or as extended hereunder .

If City fails to continue the use of the CVAC for any reason, other than a sale or lease of the CVAC (in whole or part), then the City is obligated to extend the Term of the Discount as defined in Paragraph 3 above beyond 2019 for each season or year that the CVAC is not able to be used by CCA and CCA was therefore unable to receive The Discount.

However, upon the sale or lease of the CVAC (in whole or part), to an alternative user, then the City shall remit the remaining amount of The Discount due to CCA on an annual basis (not to exceed \$100,000 per year). The maximum payments due will be for the remaining number of years to the original term as defined in Paragraph 3 above. However, if there is a sale or lease for an alternate use that prohibits CCA its use under this Agreement and to the extent the City receives compensation therefore CCA will receive its remaining discount at the time of sale or lease. Both parties acknowledge that the City Council must appropriate any amounts due under this provision.

If at any time after the Term as defined in Paragraph 3 above, City desires not to use the CVAC as a sports complex, then neither party shall have any obligations to the other under this Agreement except as recorded documents reflect.

11. BINDING EFFECT:

This Agreement shall be binding upon and inure to the benefit of the parties

hereto and their respective legal representatives, successors and assignors. In addition, the parties expressly agree that the covenants and obligations imposed with respect to the use of the land under this Agreement shall run with the Land for the term set out herein.

12. NOTICES:
