Motion to approve: Paul McCool 2nd motion: Rob Kilo
Card for Susie
- IV. Upcoming events/deadlines scheduled before June Meeting:**
 1. CCEAC bush honeysuckle removal -
Wednesday, May 29 from 11:30 – 1:00
- V. Follow up:**
 - A. Box of 100 Garden for Wildlife magazines. - store in the mail room at City Hall and take as needed.
 - B. City Tree Manual - Rob will get update on progress.
 - C. Fall 'Recycling at Schools' PowerPoint/Republic
Detailed in New Business
 - D. Darcy Capstick as a member emeritus.
First vote on 5/24 was unanimous in favor of.
Next vote at City Council on June 3.
- VI. Recap of events since April 25 meeting:**
 - A. Earth Day
 - general thoughts were that the event was a success and committee members were happy about what we accomplished.
 - Ideas to consider for next year.

1. Compost distribution needs to be a standard size and a limit needs to be enforced.
2. Would be nice to have more compost next year.
3. City plans to ask Fick Supply Services, Inc. to donate mulch and to handle standard size distribution of it.
4. Committee would like to know names of the plants and planting instructions prior to event so that we could make signage and organize the plants to make handing them out more efficient. Need to have and post limit of plants per person/group?
5. Next year Red Key will handle the recycling again.
The entire parking lot will be available for our event.
- B. Arbor Day - Paul Mc Cool will write a summary of Arbor Day at Wild Horses elementary and send to Su Gosh to use in EOY
- C. Tabletop display for Senior Day at YMCA was successful.
We have been invited back for future events
Summary by Rob was forwarded to Su for EOY.
- D. Tabletop display currently at City Hall.
Details in new Business

VII. New Business

A. Tabletop displays

1. All agreed valuable way to distribute information
2. Was noted that we could reduce paper waste by offering a QR code in addition.
3. Donna noted little material taken from tabletop at City Hall location.
4. Only place available at city hall for display.
5. Discussion of new locations for tabletop displays:
YMCA - under renovation so not available
Sachs and Daniel Boone Libraries
Chesterfield Fall Festival on October 19
Other Chesterfield events
6. It was agreed that if committee members worked tabletop displays during events, we could offer more than printed material.
7. It was decided that CCEAC will not distribute material dated earlier than 2020.

Action items:

1. Review archives determine what information we have dated 2020 or later and plan tabletop displays using what we have.

2. Find way to incorporate QR code and still have paper copies for those who prefer them.
3. Find events where we can have a presence and a tabletop display.
4. Create a schedule for tabletop displays include: topics, plan, location and workers if any.

B. Fall ‘Recycling at Schools’ PowerPoint/Republic

1. Lots of interest and great ideas for this venture
2. Plan to use PowerPoint that Susan Piazza from Republic created for educators.

Action items;

1. Get access of Susan’s Powerpoint so those interested in working on this project can review.
2. Have a meeting(s) of those interested, to create CCEAC’s program with the goal of it being ready in the fall.
3. Gary Budoor will contact school board members when our program is completed.

C. Brochures listed on City website. TBD

D. Speaker Series. Not discussed

E. Topic for newsletter. Not discussed

F. CCEAC Brochure. Not discussed
