COMMUNICATIONS AND PETITIONS

Ms. Jade Bute, who resides at 1510 Walpole, expressed her support for a compromise on the balloon ordinance, but would be supportive of the elimination of balloons.

Ms. Nancy Greenwood, who resides at 14441 Corallin, expressed her opposition to balloon advertising and supports the elimination of balloons in the community.

Mr. Dwayne Holst, representative from Sunrise Construction Company, expressed eagerness on behalf of his company to do business with the City of Chesterfield regarding asphalt overlays.

Ms. Betty Hathaway, who resides at 112 High Valley Drive, expressed her desire for Mayor Leonard to consider the appointment of Mr. Maurice Allen to the Planning Commission as a representative from Ward I.

COUNCIL COMMITTEE REPORTS

Planning and Zoning Committee

Councilmember Barry Streeter, Chairperson of the Planning and Zoning Committee, reported that Bill Nos. 1294 - 1298 will be considered for adoption under the Legislation portion of the agenda.

Councilmember Streeter next reported that some members of City Council had expressed their concern with regard to the appearance of balloons that are used for business advertising. Councilmember Streeter noted that it was the consensus of Council to refer this matter to the Planning and Zoning Committee with direction to also consider the recommendation that had been made by the Zoning and Subdivision Ordinance Committee of the Planning Commission.

Councilmember Streeter announced that the next meeting of this Committee has been scheduled for September 18 at 7:30 p.m.

Public Health and Safety Committee

Councilmember Linda Tilley, Chairperson of the Public Health and Safety Committee, reported that Bill Nos. 1291 and 1292 will be read for the first time under the Legislation portion of the agenda.

Councilmember Tilley announced that the next meeting of this Committee has been scheduled for October 14 at 7:30 a.m.

Public Works/Parks Committee

Councilmember Alan Politte, Chairperson of the Public Works/Parks Committee, reported that sufficient funds are available in the budget for the exterior of the Public Works facility to be painted. The Public Works/Parks Committee unanimously recommends the approval of a change order to accommodate the painting of the new Public Works facility at a cost of \$20,292. A motion was made by Councilmember Politte, seconded by Councilmember Streeter, to approve the change order. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

Councilmember Politte next reported that Bill Nos. 1262, 1286, 1290, 1293 and 1299 will be considered for adoption under the Legislation portion of the agenda.

Finance and Administration Committee

Councilmember Colleen Hilbert, Chairperson of the Finance and Administration Committee, announced that the next meeting of this Committee has been scheduled for September 18, 1996, at 5:30 p.m.

REPORT OF THE CITY ADMINISTRATOR

City Administrator Mike Herring reported that bids were recently sought and evaluated for the purchase of a voice mail system, compatible with our existing AT&T telephone equipment. A broad-based committee had been established to evaluate these proposals, to determine the system that would best meet the collective needs at the Government Center. With this in mind, Mr. Herring joined with Director of Finance and Administration Jan Hawn in recommending approval of the purchase of CallWare Technologies Voice Mail System from Systems and Software, Inc., at a total purchase price of \$11,510. This is well within the \$25,000 budgeted for this purchase. It was noted that additional purchases will be required in order to fully install this system. As a result, the remaining funds within this budget category should be sufficient to cover this entire purchase. A motion was made by Councilmember Grosser, seconded by Councilmember Tilley, to approve the purchase of CallWare Technologies Voice Mail System from Systems and Software, Inc., at a total purchase price of \$11,510. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

Mr. Herring next reported that bids were recently sought for asphalt overlays on several streets located throughout the City of Chesterfield. Based upon the bids submitted, Mr. Herring joined with Director of Public Works/City Engineer Mike Geisel and Director of Finance and Administration Jan Hawn, in recommending that the contract be awarded to the low bidder, Sunrise Construction, in an amount not to exceed \$161,870.28. Even though the budget had originally estimated overlays to cost \$100,000, due to savings elsewhere, the total budget for capital street improvements has sufficient funding to cover this total expense. A motion was made by Councilmember Politte, seconded by Councilmember Flachsbart, to approve the contract to Sunrise Construction, in an amount

not to exceed \$161,870. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

Mr. Herring next reported that Director of Public Works/City Engineer Mike Geisel is proposing acceptance of the low bid submitted by J. H. Berra Construction Company, totaling \$70,200, for work associated with the concrete paving of the Public Works Drive, running from Chesterfield Airport Road to the new Public Works Maintenance Facility. Funds to cover this expense were rolled forward from savings realized with last year's capital construction contracts. Mr. Herring and Director of Finance and Administration Jan Hawn joined with Mr. Geisel in recommending approval of the bid submitted by J. H. Berra Construction Company, totaling \$70,200. A motion was made by Councilmember Politte, seconded by Councilmember Grosser, to approve the contract with H. Berra Construction Company, in an amount of \$70,200. A voice vote was taken with a unanimous affirmative result and the motion was declared passed. It was noted that an Open House for the new facility will take place upon completion of the project.

Mr. Herring next reported that bids were recently sought for the application of slurry seal material on several streets within the City of Chesterfield. Having reviewed the bids submitted, it is Mr. Geisel's recommendation that the second low bidder be awarded this contract. Along with Director of Finance and Administration Jan Hawn, Mr. Herring joined with Mr. Geisel in recommending that the contract for this project be awarded to Missouri Petroleum, totaling \$98,404. A specific allocation of \$100,000 is contained within the current budget to cover this expense. A motion was made by Councilmember Tilley, seconded by Councilmember Flachsbart, to approve the contract with Missouri Petroleum, totaling \$98,404 for slurry seal applications. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

NEW BUSINESS

There was no new business.
