

Chesterfield Older Adults Task Force

MEETING NOTES

1. Follow up of ITN Discussion

The Task Force agreed that they liked the type of service provided by ITN and similar programs in Chesterfield (and St. Louis City/County region as a whole) should be supported. The consensus was to draft a letter of support addressed to Chesterfield elected officials voicing support for ITN and its service, but this was later revised after a Staff discussion. Because ITN St. Charles has the first right to expand it's territory into the St. Louis County region, there is little influence that City officials would have in this process. Therefore, it would be best to send a letter of support directly to ITN and offer any support or assistance in their expansion that they may need. At this time, there aren't any direct actions identified for the Task Force or City to undertake.

2. Review Spring Program Ideas

Several ideas were pitched and discussed, including:

- *Comedy / "Last Senior Comic Standing" at the YMCA*
