

Chesterfield Older Adults Task Force

MEETING NOTES

1. Status of Independent Transportation Network Discussion - *Bonnie, Libbey & Stacy reported they had attended a meeting on May 9 at University City with representatives from U City, Creve Coeur, St. Louis County & St. Louis NORC to discuss the ITN plan and the need for a pilot program. Susan Kalish Bailey from ITN updated everyone on their model & research done to this point. All were in agreement for the need of the project supportive of establishing next steps. A steering committee was formed and Chesterfield will host the meeting in June.*
