- Paddle Boarding continues to grow

#### 4.5 Shoeman Water Project [www.shoemanwater.org](http://www.shoemanwater.org)

- used shoe donations used to build and promote clean water in 3rd world countries

- run this project through Parks Dept.

- No cost

- Creates good will in the community

- Goal 25K pairs of shoes

Execution

- Cardboard container at city hall
- Barrels at amphitheater, ball park and events
- Parks Dept. will monitor drop off sites and have a main area in their building for the Shoeman Organization to pick up shoes so the barrels and cardboard containers are not overflowing with shoes.
- this is a 1 year commitment if we move forward

Bill made a motion to move forward with project as proposed. Tricia second. Motion passed

#### 5. Retreat November 14th

Location: PR&A Office

Time: 8:30am - 11:30am

Continental B'Fast provided

Two years since the last retreat. Review progress and path moving forward.

## 6. Park Reviews

Tricia and Mike visited Rivers Edge with out of town family, did some fishing. Mike helped some women with their catches

Gary visited Central Park with his granddaughter. Her complaint was hot slide Tom said Steve is working on shade options, opportunities to improve

Bill - handicap parking needed for trail access at ice arena.

Tom said it's not our property, so we do not have ability to dictate Tricia knows the facility manager and they are probably not aware of the issue Tom can make a call to see if one of the spaces can be designated handicapped space

Bill talked with several people as he was on the trail, all, positive feedback

Kimberly - CAC comments, super clean, fields are draining....games being played after rain when other fields are closed.
