## SPECIAL ENFORCEMENT UNIT

### STEALING FELONY

SEU officers were alerted to multiple thefts from Market by Macy's, wherein the same suspect stole merchandise totaling approximately \$6,750. The investigation was able to determine a suspect who was subsequently arrested. The suspect admitted to the thefts and warrants were obtained for all three instances.

### STEALING FELONY

SEU officers were called to Premium Outlet Mall for a theft from All-Star Elite and Nike. Once officers arrived on scene, they determined that one suspect was still on site and in possession of stolen property totaling approximately \$1,400. The subject was arrested and interviewed, which resulted in a confession. Warrants were applied for and obtained for Felony Stealing.

### STEALING FELONY

Ulta Beauty reported a theft from their Chesterfield location with a loss of approximately \$2,150 of merchandise. An investigation by the SEU officer has found that the two suspects are involved with multiple thefts across the country. Homeland Security has assisted in identifying the suspects and may take the case as part of their federal investigation.

### STEALING FELONY

SEU officers are investigating two instances of theft from Target with the total amount of merchandise taken at \$2,500. Investigation has determined the identity of the two suspects involved and at least one vehicle that they are using. They are also responsible for several thefts from Target throughout St. Charles County. Each time the M.O. is the same wherein they use their vehicle to block the rear fire exit doors with their vehicle while they load the stolen merchandise into the vehicle. A historical modem search warrant for the vehicle verified that the vehicle was in the area at the time of each theft. A GPS search warrant will be obtained in the near future.

# SCHOOL RESOURCE OFFICERS

The School Resource Unit serves as resources and department liaisons at nineteen public and private schools located in Chesterfield and Clarkson Valley. The agency has ten full time officers assigned to the program. Six of the School Resource Officers (SROs) are individually assigned to the three public high schools and three public middle schools located in the two cities. ## PERSONNEL & AWARDS

### Life Saving Award Issued

Records Clerk, Jill Mason, was honored with the award thanks to her heroic efforts, which saved a prisoner's life, while in custody here in our jail. One of her duties is to consistently monitor all 35 of the department's security cameras. Due to her diligent observations of the cell cameras, she was able to notice a prisoner using a blanket and a shirt in a somewhat suspicious manner. Thanks to the observation, she quickly alerted on-duty officers who responded to check on the prisoner. Upon the officer's response to the cell, they observed the prisoner had attempted to hang themselves, however, they were able to rescue the prisoner prior to losing consciousness. The prisoner was checked by EMS personnel and then conveyed to Mercy Hospital for appropriate treatment.

It is due to Ms. Mason's rapid and decisive response that contributed directly to the individual's survival. Her quick thinking ultimately played a key role in the saving of a human life, and thus is deserving of formal recognition.
